Mayor Seaman asked if anyone cared to address the Board. Trustee Younker asked the Mayor to proceed with the Request for Proposal (RFP) for the Village Engineering firm. Mayor Seaman noted that Staff has been directed to draft this RFP. Manager Niemeyer noted that this draft RFP will be placed on the next Public Works Committee meeting agenda for review and approval. Trustee Vandenberg asked if a new engineering firm were to be chosen from the RFP process, could they
take over if these current appointments are approved. Attorney Connelly stated appointments can be removed at any time during the year. Trustee Vandenberg stated that he would like to continue this appointment process at this time, but he believes the process needs to be reviewed. Staff has begun reviewing the organizational structure of the Village. Trustee Vandenberg has asked the Village Attorney to review modifications to this system. Mayor Seaman noted that there is concurrence with this and the Village Attorney. Mayor Seaman asked if any Board Member would like any of the appointments removed. No one came forward. Mayor Seaman asked if anyone cared to address the Board. Mike Paus stated his concerns regarding why these appointments were not made in May and that he is opposed to the appointment of David Niemeyer. Vote by voice call. Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to place on first reading ORDINANCE 2016-O-036 GRANTING A SPECIAL USE PERMIT FOR JOHN CHATWIN OF 7-ELEVEN, INC., FOR THE OPERATION OF AN AUTOMOBILE SERVICE STATION AT 7601 159TH STREET IN THE B-3 (GENERAL BUSINESS AND COMMERCIAL) ZONING DISTRICT. The applicant, John Chatwin of 7-Eleven, Inc., is seeking approval for a Special Use to continue the operation of an existing automobile service station, which includes a convenience store and fuel canopy. 7-Eleven obtained a Special Use Permit in 1985 (Ordinance 85-O-028) for the operation of a convenience store and self-serve gas station in the B-3 Zoning District at 7601 159th Street. According to Section X.J.6.a. of the Zoning Ordinance, a Special Use Permit shall expire automatically if “…there is a change in the use other than necessary maintenance and repair…”. Staff considers that the proposed improvements, i.e., adding four (4) additional fueling stations and expanding the existing fuel canopy, represents a change in the intensity of the use and therefore requires a new Special Use Permit.

A Public Hearing was held at the Plan Commission on June 2, 2016. Following the Public Hearing, the Plan Commission recommended approval of the Special Use Permit for John Chatwin of 7-Eleven. Mayor Seaman asked if anyone cared to address the Board. No one came forward. Vote by voice call. Mayor Seaman declared the motion carried.

GILLIS, SENIOR SPECIALIST FOR AT&T, ON BEHALF OF LIVE NATION, PROPERTY OWNER OF 19100 RIDGELAND AVENUE, FOR PURPOSES OF OPERATING A PERSONAL WIRELESS SERVICE FACILITY AT THE LIVE NATION HOLLYWOOD CASINO MUSIC AMPHITHEATRE. The applicant, Brigette M. Gillis,
Senior Specialist for AT&T, on behalf of Live Nation, property owner of 19100 Ridgeland Avenue, is requesting a Special Use Permit for a Personal Wireless Service Facility. The Special Use will allow for the continued use of the antennae mounted to the outdoor Hollywood Casino music amphitheater at a height of 48’ and the temporary use of the operating equipment brought to the site on a COW (Cell On Wheels) during the event season (May – October).

A Public Hearing was held at the Plan Commission on May 19, 2016. Following the Public Hearing, the Plan Commission recommended approval of the Special Use Permit for Hilti North America. Mayor Seaman noted that this item was in its final adoption state and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Grady, Pannitto, Vandenberg, Younker, Suggs. Nays: None. Absent: None. Mayor Seaman declared the motion carried.
Motion was made by Trustee Vandenberg, seconded by Trustee Suggs, to adopt and place on file ORDINANCE NUMBER 2016-O-031 GRANTING A SIXTEEN FOOT, SIX INCH (16’6”) VARIATION FROM SECTION V.B. SCHEDULE II (SCHEDULE OF DISTRICT REQUIREMENTS) FOR A FENCE WHERE THE FRONT YARD SETBACK REQUIREMENT IS TWENTY-FIVE FEET (25’) AT 17600 70TH AVENUE IN THE R-4 (SINGLE-FAMILY RESIDENTIAL) ZONING DISTRICT AND WITHIN THE BARRETT BROTHERS SUBDIVISION. The petitioners, Laurence and Helen Brown are requesting a sixteen foot, six inch (16’6”) Variation from the twenty-five feet (25’) required front yard setback for a fence. This Variation would allow the petitioners to construct a six foot (6’) tall wood fence at an eight foot, six inch (8’6”) setback on the north (176th Street) side of this corner lot at 17600 70th Avenue in the R-4 (Single-Family Residential) Zoning District and within the Barrett Brothers Subdivision. The Zoning Board of Appeals held a Public Hearing on May 26, 2016, and recommended the requested Variations, as proposed. Mayor Seaman noted that this item was in its final adoption state and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Grady, Pannitto, Vandenberg, Younker, Suggs. Nays: None. Absent: None. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to direct the Village Attorney to draft ORDINANCE NUMBER 2016-O-039 GRANTING VARIATIONS FROM THE ALLOWABLE NUMBER OF SIGNS AND TOTAL ALLOWABLE SIGN AREA FOR WALL SIGNAGE FOR VRDOLYAK LAW AT 7711 159TH STREET WITHIN THE B-3 (GENERAL BUSINESS AND COMMERCIAL) ZONING DISTRICT with this constituting first reading. The petitioner, David B. Sosin of Sosin, Arnold & Schoenbeck, Ltd. on behalf of EPS Holdings, LLC and Vrdolyak Law, is requesting two (2) Variations that would allow for new wall signage to be installed, including:

1. A Variation from Section IX.D.1.c. of the Zoning Ordinance to allow a total of three (3) wall signs where one (1) sign shall be allowed for each principal building; and
2. A one hundred forty-two (142) square foot Variation from Section IX.D.3.b. of the Zoning Ordinance where seventy-four (74) square feet is the total sign area for wall signs allowed for the subject property.

These Variations would allow the petitioner to construct a total of three (3) wall signs on the building, comprising a total of two hundred sixteen (216) square feet of wall sign face area at 7711 159th Street in the B-3 (General Business and Commercial) Zoning District and within the P.T.I. Re-subdivision. After discussion at the ZBA meeting, the Zoning Board of Appeals recommended to only grant Variations that would allow for a total of two (2) wall signs, resulting in a Variation of seventy (70) square feet of total wall sign area that would allow the construction of a one (1) wall sign on the north and one (1) wall sign on the east façade, comprising a total wall sign area of one hundred forty-four (144) square feet.

The Zoning Board of Appeals voted 3-2 to recommend the following Variations:

1. A Variation from Section IX.D.1.c. of the Zoning Ordinance to allow a total of two (2) wall signs where one (1) sign shall be allowed for each principal building; and

Motion was made by Trustee Vandenberg, seconded by Trustee Suggs, to direct the Village Attorney to draft **ORDINANCE NUMBER 2016-O-040 GRANTING A TWENTY-FIVE FOOT (25’) VARIATION FROM SECTION V.B. SCHEDULE II (SCHEDULE OF DISTRICT REQUIREMENTS) FOR A FENCE WHERE THE FRONT YARD SETBACK REQUIREMENT IS TWENTY-FIVE FEET (25’) AT 17004 ODELL AVENUE IN THE R-4 (SINGLE-FAMILY RESIDENTIAL) ZONING DISTRICT WITHIN THE TINLEY HEIGHTS SUBDIVISION** with this constituting first reading. The petitioners, Kenneth and Sherry Craig, are requesting a twenty-five foot (25’) Variation from Section V.B. Schedule II (Schedule of District Requirements) for a fence where the front yard setback requirement is twenty-five feet (25’). This Variation would allow the petitioners to replace an existing fence with a minimum of a five foot (5’) open-style wood fence at a zero foot (0’) setback on the north (170th Place) side of the corner lot at 17004 Odell Avenue in the R-4 (Single-Family Residential) Zoning District and within Tinley Heights Subdivision.

These amendments are necessary to bring clarity and ease of interpretation to the ordinance. The proposed amendments include:

A. **AMENDMENTS TO SECTION II. (DEFINITIONS AND RULES)** Deletes definitions for Sign, Ground; Sign, Roof; and Sign, Surface Area in Section II

B. **AMENDMENTS TO SECTION IX. (SIGN REGULATIONS)** to address inconsistencies and administrative difficulties with the current sign regulations.

A Public Hearing was held at the Plan Commission on January 7, 2016. The Plan Commission recommended approval of text amendments to Section II and Section IX of the Village Zoning Ordinance. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Grady, Pannitto, Vandenberg, Younker, Suggs. Nays: None. Absent: None. Mayor Seaman declared the motion carried.

Motion was made by Trustee Grady, seconded by Trustee Maher, to place on first reading **RESOLUTION 2016-R-021 AUTHORIZING AN INTERGOVERNMENTAL AGREEMENT (IGA) WITH THE MEMBER AGENCIES OF THE NORTHEASTERN**
ILLINOIS REGIONAL CRIME LABORATORY. The proposed intergovernmental agreement with the Northeastern Illinois Regional Crime Lab will help the Village to more quickly process information in specific cases or types of evidence that are no longer handled by the Illinois State Police Crime Lab. Examples of these types of cases and/or evidence include, but are not limited to, the following:

1. Suicide Cases;
2. Large evidence items exceeding 25 pounds;
3. Cases involving theft or burglary of items under $500; and
4. Syringes will no longer be accepted for evidence.

The proposed contract with Northeastern Illinois Regional Crime Lab will also allow for significantly faster turnaround time on the vast majority of evidence types when compared to the State of Illinois Crime Lab.

Funds are budgeted and available in the current fiscal year for this program. This item was discussed at the June 14, 2016, Public Safety Committee meeting and recommended for approval. Mayor Seaman asked if anyone cared to address the Board. No one came forward. Vote by voice call. Mayor Seaman declared the motion carried.

Motion was made by Trustee Pannitto, seconded by Trustee Younker, to adopt and place on file ORDINANCE 2016-O-033 AMENDING CHAPTER 154 TITLE XV OF THE TINLEY PARK MUNICIPAL CODE – SWIMMING POOLS. The proposed ordinance deletes sections of Chapter 154 from the Tinley Park Municipal Code in order to eliminate conflicts with other sections of the 2007 Comprehensive Building Code (Ordinance 2007-O-040) as it relates to swimming pools. Village Staff is currently reviewing the Comprehensive Building Code to update to the 2012 International Building Code. Since there has been a delay in adopting the 2012 Code, the proposed amendment to Chapter 154 Title XV of the Tinley Park Municipal Code will allow the Village to enforce swimming pool related issues, especially fence height, during this swimming pool season. The proposed amendments include:

A. Requires any contractor engaged in installing a swimming pool to be currently licensed with the Village of Tinley Park.

B. Requires all contractors performing electrical work for swimming pools to file with the building department a surety bond in the amount of $20,000 secured by a surety company acceptable by the Village of Tinley Park.

C. Requires any outdoor pool (in-ground, above-ground or on-ground, hot tub or spa) have a 5’ barrier.

The proposed amendment was presented to the Building Committee on May 17 and was recommended to the Village Board for approval. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Grady, Pannitto, Vandenberg, Younker, Suggs. Nays: None. Absent: None. Mayor Seaman declared the motion carried.
Motion was made by Trustee Pannitto, seconded by Trustee Grady, to adopt and place on file
ORDINANCE NUMBER 2016-O-034 AMENDING CHAPTER 110 OF TITLE XI OF
THE TINLEY PARK MUNICIPAL CODE – GENERAL BUSINESS LICENSE
REGULATIONS. The proposed text amendment to Chapter 110 of Title XI of the Tinley Park
Municipal Code – General Business License Regulations provides for contractor licenses to be
renewed one year from application date instead of annually on January 1st. This will allow the
license and bond to expire at the same time and cover the year of construction of any project
submitted for permit. There is often a lapse in licenses, especially in commercial projects that
usually take almost a year to complete. The proposed amendment will provide for more efficient
use of administrative staff and reduce printing/postage costs associated with annual mailings for
the existing contractor registration process. The Building Committee reviewed this proposal at
their May 17, 2016, meeting and recommended the proposed text amendment for approval.
Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to
address the Board. No one came forward. Vote on roll call: Ayes: Maher, Grady, Pannitto,
Vandenberg, Younker, Suggs. Nays: None. Absent: None. Mayor Seaman declared the motion
carried.

RESOLUTION 2016-R-023 AUTHORIZING A REAL ESTATE SALE AGREEMENT
WITH INTER-CONTINENTAL REAL ESTATE AND DEVELOPMENT
CORPORATION AND ODYSSEY I-80, LLC. The Village has been in discussion with the
Inter-Continental Real Estate and Development Corporation for the purchase of two sets of
properties for a roadway expansion project that would include intersection improvements at 191st
Street and Harlem Avenue and extending 191st Street to Oak Park Avenue. The Village is in
receipt of a grant for this $6.6 million dollar road extension with a leverage ratio of 5.7 to 1
(grant provides $5.70 for each Village dollar). The first area of property is for 0.949 acres needed
to accommodate the curvature of the road off Harlem Avenue going east. The second area of
land is a 1.71 acre piece that would connect 191st Street up to Oak Park Avenue. The negotiated
prices for the two areas are $103,300 and $186,219 respectively, for a total for $289,519. This
item was discussed at the Public Works Committee meeting held prior to this meeting. Mayor
Seaman asked if anyone cared to address the Board. No one came forward. Vote by voice call.
Trustee Pannitto voted nay. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to overrule the
recommendation of the Plan Commission, place on first reading and direct the Village Attorney
to draft ORDINANCE 2016-O-041 AMENDING THE VILLAGE ZONING ORDINANCE
SECTION V.D. (OVERLAY DISTRICT REGULATIONS) TO ESTABLISH A RICH
TOWNSHIP ENTERTAINMENT DISTRICT OVERLAY DISTRICT. Consider a text
amendment to the Village Zoning Ordinance Section V.D. (Overlay District Regulations) to
establish a new overlay district entitled Rich Township Entertainment District Overlay District.
The purpose of the Overlay District is to encourage economic development in certain areas of
Rich Township planned for entertainment and tourism business activities. Certain Prohibited,
Permitted and Special Uses have been identified in the district as well as regulations for certain
signs.

A summary of the amendments are as follows:
1. Section V.D.3.A. RICH TOWNSHIP ENTERTAINMENT OVERLAY DISTRICT: Creates a new overlay district that is applicable to the commercially used and zoned properties (non-residential and non-industrial properties) within Rich Township. The overlay district would apply a new set of commercial principal, special, and prohibited uses that are oriented toward the creation of a tourism-based, entertainment district.

2. Section V.D.3.B RICH TOWNSHIP ENTERTAINMENT OVERLAY DISTRICT: Allows the re-use of a non-conforming free-standing sign, located along the I-80 corridor, to be expanded in size and also changed to a static district-wide identification sign and a dynamic variable electronic message sign used to exclusively promote the businesses and events within the Rich Township Entertainment District, Village-sponsored events, and emergency notices.

A public hearing was held at the Plan Commission on January 7, 2016. The Commission voted 5-2 to not recommend approval of the recommended amendments. Mayor Seaman asked if anyone cared to address the Board. No one came forward. Trustee Vandenberg and Trustee Pannito voted nay. Vote by voice call. Mayor Seaman declared the motion carried.

Motion was made by Trustee Younker, seconded by Trustee Vandenberg, to adopt and place on file RESOLUTION 2016-R-020 AUTHORIZING AN INTERGOVERNMENTAL AGREEMENT BY AND BETWEEN THE VILLAGE OF TINLEY PARK AND THE METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO FOR CONSTRUCTION AND PERPETUAL MAINTENANCE OF STREAMBANK STABILIZATION OF MIDLOTHIAN CREEK. The Metropolitan Water Reclamation District of Greater Chicago (MWRD) has identified several points along the drainage way commonly known as Midlothian Creek where active streambank erosion is causing a threat to structures, infrastructure, and public safety. For one of these risk points, the MWRD has identified that stabilization of approximately 495 linear feet of Midlothian Creek lying east of 66th Court and north of the Metra railroad tracks would provide increased protection of the existing structures from potential damage due to erosion. The project entails stabilizing the channel with naturalized bank reinforcements including rock armoring, coconut fiber coir logs, riff pools, and planting of deep rooted vegetation. The project is estimated to cost in excess of $400,000 and will be contracted and paid for by the MWRD. In order to proceed with this project, the MWRD requires the intergovernmental agreement with the Village that outlines the project to be undertaken and provides for the jurisdictional transfer of responsibility for the project improvements once they are completed. The project area of Midlothian Creek runs through private property containing the Harper Hill Townhome Association (HHTA). The HHTA has provided necessary easements for the project and project area. The project will have a 3 year growth and warranty period to assure that the stabilizing vegetation is properly established. The Harper Hill Townhome Association and the Village will also inspect the improvements prior to the transfer of maintenance responsibilities at the end of the 3 year period. The Village and HHTA have agreed to a Memorandum of Understanding regarding the project improvements and its future maintenance which will be coordinated by the Village and paid for by the townhome association. The Village attorneys have reviewed the intergovernmental agreement and find it acceptable. The project and the IGA were discussed at a Public Works Committee meeting held on May 31, 2016, and recommended for approval. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone
cared to address the Board. Trent Ridgeway asked who takes responsibility for the maintenance after the three (3) year contract. Trustee Younker noted the townhome association. Vote on roll call: Ayes: Maher, Grady, Pannitto, Vandenberg, Younker, Suggs. Nays: None. Absent: None. Mayor Seaman declared the motion carried.

Motion was made by Trustee Suggs, seconded by Trustee Grady, to place on first reading

- Comments are limited to 4 minutes, and each person shall be allowed to speak only once. The Chairperson, at his/her discretion can extend the time period, allow a person to speak more than once, or request that they submit comments in writing to a village official.
- The total time allowed for public comments will generally be 45 minutes.
