The petitioner, Ken Zomparelli of Innovative Decks, is requesting the following variations for an existing ground sign that was altered without a permit:

1. A two foot (2') Variation from Section XII.4.E. of the Zoning Ordinance to allow a twelve foot (12') tall ground sign where ten feet (10') is the maximum allowable height;

The Plan Commission held a Public Hearing on May 4, 2017, and after consideration of the Findings of Fact, voted unanimously (5-0) to DENY Variation request #1 and voted 4-1 to APPROVE Variation request #2 & #3. There was considerable discussion at the Plan Commission meeting regarding the need to support a local business yet conform to the Zoning Code. There was also testimony that the sign had been altered several times over the years without permits. The changeable copy portion of the sign is prohibited. Plan Commission also recommended the following conditions for their approval:

1. That landscaping be added to the base of the sign within 60 days of approval by the Village Board;
2. That the manual changeable copy must be removed within 60 days of approval by the Village Board; and

This tax covers all carbonated soft drinks whether sweetened with sugar or a substitute, sports drinks, energy drinks and fruit drinks that are not 100% fruit juice. This tax will have a significant negative impact on the financial well-being of all Cook County residents and will hurt retailers in the Cook County portion of Tinley Park. Trustee Pannitto stated his objection to this TIF. Jim Doyle is against TIF. Dean Zolner noted that he feels the establishment of this TIF is critical for the downtown development. Vote on roll call: Ayes: Younker, Brady, Glotz, Mangin. Nays: Pannitto, Berg. Absent: None. President Vandenbarg declared the motion carried.
