Motion was made by Trustee Vandenbarg, seconded by Trustee Younker, to adopt and place on file ORDINANCE NUMBER 2016-O-051 GRANTING A VARIATION FROM THE REQUIRED FRONT YARD SETBACK (SECTION V.B. SCHEDULE II (SCHEDULE OF DISTRICT REQUIREMENTS)) FOR A FENCE FOR CERTAIN PROPERTY LOCATED AT 17101 OVERHILL AVENUE – GIULIANO AND MAUREEN CIPOLLA. The petitioners, Giuliano and Maureen Cipolla, seek approval for a twenty-seven foot, eleven inch (27’11”) Variation from Section V.B. Schedule II (Schedule of District Requirements) where the front yard setback requirement is forty feet (40’). This Variation would allow the petitioners to construct a five foot, eight inch (5’8”) tall wrought iron fence with brick pillars at a twelve foot, one inch (12’1”) setback on the north (171st Street) side of this corner lot at 17101 Overhill Avenue in the R-1 (Single-Family Residential) Zoning District and within Arthur T. McIntosh and Company’s Southlands Subdivision.

This Variation was requested in order for the property owners to install a new fence in alignment with the neighbor’s fence to the east of the petitioners’ property. A fence previously existed in alignment with the petitioners’ garage at a twenty-three foot, eight inch (23’8”) setback but the fence was recently damaged and removed.

The Zoning Board of Appeals held a Public Hearing on July 14, 2016, and after consideration of the Findings of Fact, voted 4-1 in favor of recommending the requested Variation. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Pannitto, Vandenbarg, Younker, Suggs. Nays: None. Absent: Grady. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenbarg, seconded by Trustee Suggs, to adopt and place on file ORDINANCE NUMBER 2016-O-052 GRANTING A SPECIAL USE PERMIT TO JULIANNA GROVER OF THE TRAIN STATION FOR THE PURPOSES OF OPERATING A BUSINESS INVOLVING RECREATIONAL USES AND OPERATING BETWEEN THE HOURS OF 5:00 A.M. AND 10:00 P.M. AT 16902 OAK PARK AVENUE, UNIT 3 (THE TRAIN STATION). The petitioner, Julianna Grover of the Train Station, seeks approval for a Special Use Permit for operation of a business involving recreational uses (including group personal training, fitness, and nutritional education) and operating between the hours of 5:00 a.m. and 10:00 p.m. at 16902 Oak Park Avenue, Unit 3 in the NG (Neighborhood General) Zoning District and Elmore’s Oak Park Avenue Estates Subdivision.
The Plan Commission first discussed the proposed Special Use Permit on July 7, 2016, and subsequently held a Public Hearing on July 21, 2016, and after consideration of the Standards for Granting a Special Use and Findings of Fact, voted 7-0 in favor of recommending the requested Special Use Permit with the following conditions:

1. The Train Station shall comply with the ASTM E90 Noise Reduction Coefficient to adjacent tenants of the building or surrounding properties;
2. That class sizes must not exceed three (3) clients per trainer, with a maximum of four (4) trainers allowed at any one time to ensure that adequate parking is available;
3. That a Plat of Easement for an alley at the west side of the building must be signed by the property owner by October 1, 2016, and recorded by the Village; and
4. That two (2) parkway trees be installed along the Oak Park Avenue frontage by October 1, 2016.

Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Pannitto, Vandenberg, Younker, Suggs. Nays: None. Absent: Grady. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to waive first reading, adopt and place on file ORDINANCE NUMBER 2016-O-053 GRANTING A VARIATION FOR CERTAIN PROPERTY LOCATED AT 17100 FOXGROVE LANE – SECTION V.B. SCHEDULE II (SCHEDULE OF DISTRICT REQUIREMENTS) – RUSSELL NELSON. The petitioner, Russell Nelson, seeks approval for a twenty-four foot (24’) Variation from Section V.B. Schedule II (Schedule of District Requirements) where the front yard setback requirement is twenty-five feet (25’). This Variation would allow the petitioner to replace the existing fence with a six foot (6’) tall wood privacy fence at a one foot (1’) setback on the north (171st Street) side of this corner lot at 17100 Foxgrove Lane in the R-4 (Single-Family Residential) Zoning District and within the Old Oak Subdivision.

The Zoning Board of Appeals held a Public Hearing on July 28, 2016, and after consideration of the Findings of Fact, voted unanimously in favor of recommending the requested Variation. This request is for a replacement of an existing fence. The petitioner bought the house with the fence in the current location and unaware that a Variation would be required, therefore Staff is requesting a waiving of the first reading. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Pannitto, Vandenberg, Younker, Suggs. Nays: None. Absent: Grady. Mayor Seaman declared the motion carried.

Motion was made by Trustee Younker, seconded by Trustee Vandenbarg, to **AWARD A CONTRACT EXTENSION WITH BEVERLY ENVIRONMENTAL FOR FISCAL YEAR 2017 PARKING LOT & SIDEWALK SNOW REMOVAL.** In 2015, the Village of Tinley Park competitively bid its parking lot and sidewalk snow removal. The proposed contract extension would be for snow removal at the 25 parking lot and sidewalk locations covered by the contract/agreement. The contract terms allow the Village, at its sole discretion, to extend the agreement up to two (2) additional years. Beverly Environmental provided the Village with acceptable service levels during the FY 2016 season. This service would be at the same rates as the previous year. As such, Staff is recommending that the Village exercise its option to extend the agreement for the 2016 snow season. Funds for this contract are budgeted and available in the current fiscal year budget. This item was discussed at the Public Works Committee meeting held prior to the Village Board meeting. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Pannitto, Vandenbarg, Younker, Suggs. Nays: None. Absent: Grady. Mayor Seaman declared the motion carried.

The proposed renewal by Blue Cross/Blue Shield reflects an increase of $206,863.32 (4.5% change) for health insurance. The dental insurance renewal reflects an increase of $11,584.00 (4.1% change). The Village included an estimated 15% increase in the current budget for the anticipated health/dental insurance renewal and accordingly, the renewal is favorable to the budget. The Village Treasurer stated that the collective bargaining agreements need to be taken into consideration when considering health insurance for employees. Trustee Pannitto asked if other companies were contacted. Village Manager Niemeyer stated the Insurance Broker did reach out to other insurance companies. Vote on roll call: Ayes: Maher, Pannitto, Younker, Suggs. Nays: Vandenberg. Absent: Grady. Mayor Seaman declared the motion carried.

After review, Staff contacted three municipalities in the Chicagoland Area who had favorable comments toward the system and company. This system will improve transparency for the public with accessibility through the Village website where they can make requests, check the status of their requests, view requests made by others and view responsive documents. The system will improve staff efficiency by incorporating its data, improving response time and providing accountability by reporting all areas of activity. The total contract cost is $9,840 per year with a one time implementation fee of $2,850. This item was discussed at the Committee of the Whole meeting held on August 9, 2016, and at the Budget, Audit and Administration Committee meeting held prior to this meeting. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board.
