Motion was made by Trustee Vandenbergen, seconded by Trustee Grady, to adopt and place on file RESOLUTION 2015-R-033 APPROVING AN AGREEMENT BETWEEN FR/CAL I-80 TINLEY PARK, LLC AND THE VILLAGE OF TINLEY PARK TO ESTABLISH AN ESCRROW FOR PUBLIC IMPROVEMENTS AT THE FIRST INDUSTRIAL PLANNED UNIT DEVELOPMENT, 18801 S. OAK PARK AVENUE & 18604 S. RIDGELAND AVENUE. This is a companion resolution to Ordinance 2015-O-044. In 2011, the Village considered a Special Use Permit for the re-phasing of private and public improvements to the First Industrial Planned Unit Development, now called Tinley Park Corporate Center. The 2011 Special Use was tabled until a letter of credit could be established by the property owner. At the time, the property owner had public improvements within the first phase of the project that were tentatively approved, but required a one-year warranty period and a letter of credit prior to acceptance, as the Village Subdivision and Development Ordinance requires. The organization that owns Tinley Park Corporate Center is a real estate investment trust (REIT) and the banking rules for the REIT do not allow the establishment of letters of credit. In order to begin the required one-year warranty period for the public improvements completed in Phase I, the Village determined that an escrow agreement (with a cash deposit) would be an acceptable substitute for the required letter of credit and would ensure that the Village had monies set aside in the event that public improvements could not be completed. The Village Engineer and Village Attorney have reviewed this escrow agreement and find it acceptable. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Grady, Pannitto, Vandenbergen, Brady. Nays: None. Absent: Maher. Abstain: Younker. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenbergen, seconded by Trustee Pannitto, to adopt and place on file ORDINANCE 2015-O-044 GRANTING A SPECIAL USE PERMIT TO FR/CAL I-80 TINLEY PARK, LLC FOR A SUBSTANTIAL DEVIATION TO THE EXISTING FIRST INDUSTRIAL PLANNED UNIT DEVELOPMENT FOR CERTAIN PROPERTY LOCATED SOUTH OF INTERSTATE 80 BETWEEN OAK PARK AVENUE AND RIDGELAND AVENUE FOR TINLEY PARK CORPORATE CENTER. In 2007, the Tinley Park Corporate Center property (previously known as First Industrial) was approved as a Planned Unit Development (PUD) to include two (2) industrial buildings on 90 acres of land. The developer originally petitioned the Village to build, in a single phase, a 915,643 sq. ft. building (Lot 1); a 300,784 sq. ft. building (Lot 2); and all associated site improvements. To date, many of the public and private improvements for both Lots 1 and 2 have been completed by the developer, including the building on Lot 1.

The Tinley Park Corporate Center was purchased several years ago by FR/CAL I-80 Tinley Park. The new owner wishes to postpone some improvements to Lot 2, the construction of the building in particular, to a future point in time when they can sell or lease this property. This change in phasing constitutes a substantial deviation to the existing PUD since the original agreement contemplated all improvements occurring in one phase. The Village's Engineer and Public Works Department have agreed to the re-phasing of the project and the postponement of certain improvements.
The petitioner’s request first appeared before the Plan Commission and Village Board in 2011, but was tabled indefinitely by the Village Board because the petitioner was unable to produce a letter of credit for the public improvements that were yet to be completed. In the meantime, the Village and the property owner have developed an escrow agreement, which appears as a companion approval to this item, which is a sufficient substitute for the required letter of credit.

The Special Use Petition appeared before the Village Plan Commission on August 20, 2015, and a public hearing was held on September 3, 2015. The Plan Commission found that the substantial deviation complied with the findings of fact for a Special Use and voted 8-0 to recommend granting the Special Use Permit with the following condition:

Continued maintenance will be undertaken to properly establish the landscape for the stormwater detention basins according to the approved landscape plan and approval by the Village’s landscape architect that these basins have been properly established and maintained, shall be satisfied no later than September 30, 2017. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Grady, Panittoo, Vandenberg, Brady. Nays: None. Absent: Maher. Abstain: Younker. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenberg, seconded by Trustee Brady, to adopt and place on file ORDINANCE NUMBER 2015-O-045 AMENDING SECTION XII (2011 LEGACY CODE FOR DOWNTOWN TINLEY PARK) OF THE TINLEY PARK ZONING ORDINANCE AND REZONING CERTAIN PROPERTIES RELATIVE TO THE LEGACY CODE ZONING DISTRICTS FOR DOWNTOWN TINLEY PARK. The Legacy Code for Downtown Tinley Park was adopted in 2011. During the last year, several new projects have come forward for review within the area governed by the Legacy Code. As they have conducted reviews, Planning staff has identified several areas of the code that should be amended, in particular:

a. Changing figures 2.A.2 and 2.E.2 to read “Street Level Commercial Permitted” from “Street Level Commercial Required” within the Neighborhood Flex and Downtown Core Character Districts;

c. Clarifying that the parcel addressed 17533 S. Oak Park Avenue is zoned Downtown Core (DC) in its entirety and amending figures 1.G.1, 2.A.1, 2.A.2, and 2.A.6 to clearly delineate the extent of the DC Zone boundaries any other figure showing the Legacy Code Boundary line;

d. Correcting scriveners’ errors in the legal descriptions of several zoning districts at the time of rezoning;

e. Amending Table 3.A.2 (Use Table) to add “Tobacco, hookah, cigarette, cigar, e-cigarette, and vapor sales establishments, and any related on-site consumption, as a primary use” and “medical marijuana dispensing facility” to the list of prohibited uses.
The Plan Commission held a public hearing for these amendments on September 3, 2015, and having reviewed the amendments and their impact to the Legacy Code areas, made a unanimous recommendation to approve the text amendments. The Village Attorney has reviewed the proposed text amendments and finds them to be acceptable. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Grady, Pannitto, Vandenbeng, Younker, Brady. Nays: None. Absent: Maher. Mayor Seaman declared the motion carried.

The Village has requested that a permanent irrigation pump system be placed on property located by High Street Development, LLC (Pronger Smith Medical Center) at 17495 S. LaGrange Road and the property owner has agreed to the easement. The public utility easement for this irrigation system is a 20’x10’ area along LaGrange Road. Motion was made by Trustee Younker, seconded by Trustee Brady, to AUTHORIZE YEAR 2 OF THE VILLAGE’S EAB TREE REPLACEMENT PROGRAM IN AN AMOUNT NOT TO EXCEED $1,271,900. Over the past several years, the Village has removed approximately 10,000 trees in public spaces that have been affected by the Emerald Ash Borer (EAB). Last year the Village competitively bid a multi-year (3 year total) program for the replacement of trees. Beary Landscaping was identified as the lowest responsible bidder and was awarded the first year of the tree replacement contract at the September 2, 2014, Village Board meeting. Beary’s work performance during the first year of the contract was found to be acceptable to the Village and staff is recommending to award the 2nd year of the program. The proposed contract award for year 2, will replant approximately 3,500 trees at a cost of $1,271,900. Funds have been included in the FY 2016 budget for this expenditure. The Village of Tinley Park has received federal funding approval from the Congestion Mitigation and Air Quality (CMAQ) Improvement
