PROJECT OVERVIEW:

1. Intent:

*Rarely is there a large enough, continuous site available that can shape the future of a village.* Farr Associates

The Village seeks experienced developer(s) to optimize the single-largest development opportunity in Tinley Park will have a regional impact on the south Chicago suburbs. The Village is also interested in maximizing recent economic development initiatives occurring in downtown Tinley Park through complementary development of the TPMHC site.

It is the intent of the Village to develop a sustainable environmentally friendly development that will encourage growth, stimulate investment, and deter further deterioration of the TPMHC site. The Village is open to all ideas and uses of this land and would favor a well done, feasible plan; as support for the Master Plan prepared by Farr Associates is undetermined (see further explanation of Farr plan below). The Village would look favorably on plans that incorporate the village’s new music based branding efforts “Life Amplified”.

2. Background information

Tinley Park is a dynamic, growing community of 57,000, located at the southwest edge of the Chicago metropolitan market. The Village is the 20th largest city in Illinois and the 14th largest city in metropolitan Chicago. Two METRA stations in the Village provide access to downtown Chicago and extend outbound to Joliet. Easy access to Interstates 57, 80, and 294, the Village has brought significant commercial development, especially on 159th Street, 183rd Street, Harlem Avenue, and LaGrange Road. Visitors may also arrive via bicycle; the Village has adopted a “Complete Streets” policy and continues to expand the Bicycle Trail system.

Tinley Park has a daytime employment of about 49,000, including 22,600 workers and 27,000 residents (source: ESRI). Ten hotels are located in the Village with 990 available rooms. Downtown Tinley Park welcomes tens of thousands of visitors each year with an array of events to entertain families and friends during the winter, spring, summer, and fall.
3. The Site

The Village of Tinley Park is committed to assuring the long term viability of the community, with a signature downtown and successful Convention Center— both of which are easily accessible from the subject parcel. The parcel has immediate access to a daily traffic count of 140,000 cars per day on Interstate 80 and its intersection with I-57 and I-355 Veterans Memorial Tollway. There is also a Metra Station immediately adjacent to the site with frequent commuter trains to Chicago. Both Chicago Midway International Airport and Chicago O’Hare International Airport are located less than thirty (30) miles away.

The TPMHC is located at the intersection of 183rd and Harlem, in Cook County and Orland Township. Its location is unique in that it is located at the confluence of four townships (Orland, Bremen, Rich and Frankfort) and the southern edge of Cook County (Will County is located directly south of the parcel). Due to its location it is impacted by tax disparities inherent in township and County tax rates. The Tinley Park Mental Health Center is encompassed in the Mental Health Center Increment Financing (TIF) District established in July 2015.

At nearly 280 acres of land, the TPMHC property is roughly the geographic center of the Village and has excellent highway and rail access. The State of Illinois currently owns the land. The purchase price is estimated at $4.165 million although the State is currently updating the appraisals for the property. There is an estimated $12.4 million demolition and environmental clean-up cost for the site; however it should be noted that this estimate is based on testing completed in 2014. The Village will look favorably upon development concepts that can access State and Federal clean up dollars not available to taxing bodies. The Village can if necessary utilize TIF funds to assist with the cleanup process for an approved development concept.

Through the Master Planning process the Village will control the land use and zoning on the property. Upon the release for sale by the State, this RFQ will position the Village in a manner to acquire the property and initiate negotiations with a preferred developer for the site.

The 280-Acre State owned Mental Health Center (Howe Developmental Center) was opened in 1958 and served the public until its closing on July 2, 2012. Upon its closing, the state decided to no longer provide upkeep of the land since it is determined to sell it. In 2014, the Village engaged an outside planning and market analysis consultant team (Doug Farr, Steve Friedman) to prepare a redevelopment study and plan for the TPMHC. An initial
A report was issued in October of 2014, while additional market analysis and refinement of the master plan were completed. Board meetings, public open houses and community surveys were held throughout 2015-2017 to determine the best plan for the site; there has been considerable community input and debate.

The last public open house (April 12, 2017) highlighted three development proposals which included a variety of housing types ranging from single family, multi-family, townhomes and a TOD proposal adjacent to the Metra station. Small neighbor commercial nodes were also identified along with recommendations for maximizing any natural attributes of the site. All plans have conscientiously accommodated remediation efforts that will be required before development of the site. The plans were met with some controversy especially from the related school districts. Village representatives continue to meet with the school districts to discuss the proposed and alternate land uses for the site. A final master plan is expected to be presented to the Village Board in early 2018.

4. Ownership
The State of Illinois currently owns the property and is in the appraisal process. When the appraisal process is complete, Tinley Park’s Village Board will vote on the purchase of the property. From there the Village may choose to sell or partner on all or part of the site with one or multiple developers depending on the development concept approved.

5. Incentives
The site is in a TIF district with access to incremental financing to assist in the development of the site. Certain retail development concepts could qualify for a sales tax sharing recommendation. Certain hotel development concepts could qualify for an occupancy tax sharing recommendation. Certain development concepts could qualify for land donation, infrastructure assistance, streamlined permitting process, special zoning and/or permit fee waivers.

GENERAL TERMS AND CONDITIONS

1. Negotiations:
The Village of Tinley Park reserves the right to negotiate specifications, terms and conditions, which may be necessary or appropriate to the accomplishment of the purpose of this RFQ.

2. Confidentiality.
RFQ’s and the responses thereto, are subject to the Illinois Freedom of Information Act.

3. Reserved Rights:
The Village of Tinley Park Reserves the right at any time and for any reason to cancel this RFQ or any portion thereof, to reject any or all RFQ’s, and to take any other action determined to be in its best interests. The Village reserves the right to waive any immaterial defect in any RFQ. The Village may seek clarification from a responder at any time, after the submission date, and failure to respond promptly is cause for rejection. The Village reserves the right to negotiate with the highest ranked responsive responsible responder. However, should the Village not be able to negotiate a fair and reasonable price with the highest ranked responsive, responsible responder, it reserves the right to proceed to negotiations with the next highest ranked responsive, responsible responder.

4. Incurred Costs:
The Village of Tinley Park will not be liable for any costs incurred by responders in replying to this RFQ.

5. Award:
Award will be based on the highest ranked responsive, responsible responder as determined by the Village of Tinley Park. The award, if any, will be based on the Village’s determination as to the best qualified and most cost effective responder.

6. Discussion of RFQ:
The Village of Tinley Park may conduct discussions with any responder who submits a response. During the course of such discussions, the Village shall not disclose any information derived from one RFQ to any other responder.

7. Contract Period:
Time is of the essence. The responder shall be able to devote sufficient resources to this project.

8. Responsibility & Default:
The responder shall be required to assume responsibility for all items listed in this RFQ. The successful responder shall be considered the sole point of contact purposes for this contract.
9. **Payments:**
   Payments shall be made in accordance with the Local Government Prompt Payment Act.

10. **Interpretations or Correction of Request for Qualifications:**
    Responders shall promptly notify the Village of any ambiguity, inconsistency, or error that they may discover upon examination of the RFQ’s. Interpretation, correction and changes to the RFQ’s will be made by written addendum. Interpretation, corrections or changes made in any other manner will not be binding.

11. **Addenda:**
    Addenda are written instruments issued by the Village of Tinley Park prior to the date of receipt of responses to the RFQ, which modify or interpret the RFQ by addition, deletions, clarifications, or corrections. Addenda will be placed on the Village website at [www.tinleypark.org/RFP](http://www.tinleypark.org/RFP).

12. **Taxes:**
    The Village is exempt from paying certain Illinois State Taxes.

13. **Non-Discrimination:**
    Responders shall comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause and the Illinois Drug Free Workplace Act, Title 44, Chapter 1.

14. **Insurance:**
    The responders must be capable of obtaining the following insurance requirements as the project progresses to Request for Proposals. Please provide a statement of your acknowledgement of this requirement. These insurance requirements will be required for the Contract term and any extension of it; the insurance must be issued by a company or companies qualified to do business in the State of Illinois and be capable of providing the Village with evidence of insurance. Insurance in the following types and amounts is necessary:

    - **Worker's Compensation Insurance** covering all liability of the Responder arising under the Worker’s Compensation Act and Worker’s Occupational Disease Act at statutory limits.
