Subject: Public Works employees appointment

Hi Kristin,

FYI I will be abstaining from voting on the appointment of one of the new public works employees as he is my Niece's husband. I have spoken with Village Attorney Pat Connelly and he advised he didn't think it was a conflict of interest but was looking into it. I have decided out of an abundance of caution to abstain anyways regardless of what he finds out. Please let me know if you need anything else from me.

Thanks so much and have a good weekend!!
