Fire Drill Evacuation Log

Please give these to your Fire Inspector at your semi-annual or annual inspection. This will satisfy your compliance with the 2006 International Fire Code, Section 405.2, "Required emergency evacuation drills shall be held at the intervals specified in Table 405.2 or more frequently where necessary to familiarize all occupants with the drill procedure."

These cards are to be filled out and given to the Fire Inspector that conducts the semi-annual or annual inspection at your property or business. Please feel free to contact our Fire Prevention Bureau at 444-5200 if you have any questions.
