

Tinley Park FD training exercises resume

MABAS assist to Country Club Hills

Tinley Park FD assists Dolton Fire with water rescue. The on-duty crew consisted of Lt. John Barry, Engineer Tom Tonra, Firefighters Shane Garren and Matthew Blackmore.

Tinley Park Fire Department

Monthly Activity Report –April 2021

Submitted By: Chief Forest Reeder

5/6/2021

The mission of the Tinley Park Fire Department is to provide an outstanding level of service by staffing our department with the highest degree of trained professionals who devote duty above personal risk. We are a dedicated group who is constantly seeking improved ways to provide exceptional service to our citizens. The Department advances public safety through its fire prevention, investigation and education programs. The vision of the Tinley Park Fire Department is to be acknowledged by our members and citizens as a department that is recognized for its Pride, Integrity, and Professionalism to the community; a dynamic organization that adjusts to changing needs of the community and its members; an organization that is driven to provide a cost effective and efficient fire department while honoring its values and supporting our mission statement; a department that will be prepared and ready to respond to all emergencies with compassion, courage and teamwork, and a membership that will operate ethically and position the department for the future.

Department Remarks – Fire Chief Forest Reeder

April starts the 2nd quarter of the year and the new budget year approval cycles. The budget will be approved with slight increases in operational line items including training tuition, station maintenance, supplies and some other miscellaneous areas. The Board and finance charged each department with the task of using the COVID-19 spending plan funding as the baseline and we needed to stay within those limits. Approved capital projects include the purchase of a replacement for Engine 49, the SCBA replacement program, a new records management system to replace FIREHOUSE and through the IT department we will be replacing all of the MDT units in our apparatus. Our capital replacement plan will be reviewed this quarter to reflect these items and to forecast future needs for apparatus, equipment and station maintenance. The Board will be meeting in May to discuss a wage increase for non-contract employees, I hope to have an update next month. The Village Manager discussed this item in a recent Village Beat employee newsletter, I would encourage our members to review this weekly email newsletter as there are frequent updates on these items included.

We welcomed two new Trustees to the Board on April 28th at the new trustee orientation session. Dennis Mahoney and Colleen Sullivan were briefed on fire department operations and current issues including staffing and legislation that will impact our part-time staffing model. They were presented with annual reports, fire suppression and fire prevention bureau orientation packets and were very responsive to our discussion. They both pledged to participate in a ride-a-long with the Shift Commander and station tours in the very near future.

Lots of good training happening at the tower with a series of mutual aid live fire training, 1410 evolutions and great fundamental basic training drills. Thanks to AC Erwin for getting some needed repairs to the tower completed and coordinating the many pieces of our training schedule. Calls for FD and EMS service have returned to 2019 levels. Year-to-date comparisons between 2019 and 2021 are separated by only 36 calls so we are getting back to almost “normal” response numbers vs the COVID year. We are welcoming Michelle Boone and a replacement for Eileen Donlan to our administrative team in May. Eileen will be leaving us for the next chapter in her life on May 21st, we wish her happiness, relaxation, and lots of time with her grandchildren – but most of all we thank her for serving TPFDF!

Goals for May

- Update capital budget forecast
- Recruit public education officer

April Quick Facts

Number of Fire Incidents	Number of EMS Incidents	Hours of Training	Hours Worked	Inspections Completed
228	587	1,182.5	9953.75	242
Major Incidents, Projects, and Events			Public Outreach	
<ul style="list-style-type: none"> Participated in Downtown Walk with Manager / Department Heads Chief Reeder attended New Trustee Orientation on behalf of the Fire Department welcoming new trustees Colleen Sullivan and Dennis Mahoney 			<ul style="list-style-type: none"> Four fire drills conducted in community schools 	

Professional Standards Division – Assistant Chief Douglas Erwin

Summary of Significant Events

- Live Fire and Self-Contained Breathing Apparatus Confidence course training conducted with Oak Forest Fire Department. Three consecutive days for each topic.

Training Hours Completed

- 1305.15

Summary of Training Events

- 13 Hours of Training assigned
 - Annual Drivers Competency Course
 - Forward Lay using one engine and one supply – NFPA 1410 Evolution 1
 - Reverse lay from first to second engine – NFPA 1410 Evolution 2
 - Fireground Operations
 - Incident Management Training – Strip malls
 - First Responder Hybrid Vehicles
 - New Construction – The Boulevard (6701 South Street)
 - Self – Contained Breathing Apparatus Module C
 - Hazardous Materials – Emergency Response Guide and Placards
 - Forcible Entry
 - Still District Preplans

- Training Assigned in May
 - HIPPA Awareness Training
 - Vehicle Extrication
 - 1410 Evolution 3 – Forward lays Using Two Engines
 - 1410 Evolution 4 – Reverse lay with One Engine Using a Wye
 - Incident Management – Multifamily
 - Requesting Mutual Aid
 - First Due Company – Fire Attack
 - Performance Fitness Assessment
 - Mutual Aid Training – Mokena
 - Still District Preplans

- **Certifications Received**
 - Tony DeAdam
 - Fire Department Incident Safety Officer
 - Advanced Incident Command System for Complex Incidents
 - Alex Emmanouilidis
 - Advanced Technician Firefighter
 - Tim O’Hagan
 - Leadership Development and Decision-Making Program

- **Courses Attended**
 - Kevin Hickey
 - Fire Inspector 1
 - Tim O’Hagan
 - Leadership Development and Decision-Making Program
