

Tinley Park Fire Department

Monthly Activity Report – MAY 2022

Submitted By: Chief Stephen Klotz

6/7/2022

The mission of the Tinley Park Fire Department is to provide an outstanding level of service by staffing our department with the highest degree of trained professionals who devote duty above personal risk. We are a dedicated group who is constantly seeking improved ways to provide exceptional service to our citizens. The Department advances public safety through its fire prevention, investigation and education programs. The vision of the Tinley Park Fire Department is to be acknowledged by our members and citizens as a department that is recognized for its Pride, Integrity, and Professionalism to the community; a dynamic organization that adjusts to changing needs of the community and its members; an organization that is driven to provide a cost effective and efficient fire department while honoring its values and supporting our mission statement; a department that will be prepared and ready to respond to all emergencies with compassion, courage and teamwork, and a membership that will operate ethically and position the department for the future.

Department Remarks – Chief Stephen Klotz

The month of May was the busiest response month this year logging in 249 responses. We assisted the Orland Fire Department with a commercial building fire on 159th Street. We also responded to numerous auto accidents throughout the month.

We were very excited this month by getting the 4th firefighter back on Truck 48, this spot was cut during the COVID-19 reductions. We are continuing to hire new experienced firefighters to build our roster back up. We also ran an Engineer promotional exam, which was the first one since 2015. We are hoping to make these promotions in June. The plans continue to finalize the promotional test for Lieutenants and Captains.

The Training Division has been busy with assigning training to our personnel. We sent three members through drone training in order to enhance the Drone Response Team.

Suppression/Prevention – Deputy Chief Daniel Reda
