## *Department Remarks – Chief Stephen Klotz*

July kept the fire department very busy with 364 calls for service, which is our business month so far this year. Crews responded to a residential structure fire as well as numerous accidents with injuries this month.

The fire department was part of the Unified Command for the Rib Fest, Fireworks, and the Downtown Block Party. Each event operated smoothly and was a huge success.

We celebrated our Fire Academy students at a graduation ceremony at the beginning of the month. Our graduates have already started working shifts. Congratulations to our new members!
