

Tinley Park Fire Department

Monthly Activity Report – MARCH 2022

Submitted By: Chief Stephen Klotz

4/7/2022

The mission of the Tinley Park Fire Department is to provide an outstanding level of service by staffing our department with the highest degree of trained professionals who devote duty above personal risk. We are a dedicated group who is constantly seeking improved ways to provide exceptional service to our citizens. The Department advances public safety through its fire prevention, investigation and education programs. The vision of the Tinley Park Fire Department is to be acknowledged by our members and citizens as a department that is recognized for its Pride, Integrity, and Professionalism to the community; a dynamic organization that adjusts to changing needs of the community and its members; an organization that is driven to provide a cost effective and efficient fire department while honoring its values and supporting our mission statement; a department that will be prepared and ready to respond to all emergencies with compassion, courage and teamwork, and a membership that will operate ethically and position the department for the future.

Department Remarks – Chief Stephen Klotz

The month of March was a very active month for the Fire Department. We responded to 240 calls for service, which included 5 brush fires, a garage fire, and a house fire that we assisted with in Orland. One of our Firefighters suffered a minor medical emergency while fighting the house fire in Orland. The Firefighter is still off, but we hope for his return soon.

The month of March brought back the St. Patrick's Day parade in which the Fire Department played a role in the public safety Unified Incident Command Team. The parade went extremely well thanks to the Unified Command Team, and all the public safety departments involved.

We continued with our Firefighter recruitment program which is having good results. The Fire Prevention Bureau and Public Education Officer have been working with all the schools, and have scheduled several tours of the fire stations. We also held 6 CPR classes which included our own village employees. We also provided fire extinguisher classes for the Public Works Department.

Suppression/Prevention – Deputy Chief Daniel Reda

- **Summary of Significant Events**
 - Interviewed five candidates for Assistant Chief
 - Helped in selecting two candidates
 - Began preparations for their promotions
 - Preparing for Promotional processes for
 - Engineer
 - Scheduled and notice out
