

Tinley Park Fire Department

Monthly Activity Report – SEPTEMBER 2023

Submitted By: Chief Stephen Klotz

10/5/2023

The mission of the Tinley Park Fire Department is to provide an outstanding level of service by staffing our department with the highest degree of trained professionals who devote duty above personal risk. We are a dedicated group who is constantly seeking improved ways to provide exceptional service to our citizens. The Department advances public safety through its fire prevention, investigation, and education programs. The vision of the Tinley Park Fire Department is to be acknowledged by our members and citizens as a department that is recognized for its Pride, Integrity, and Professionalism to the community; a dynamic organization that adjusts to changing needs of the community and its members; an organization that is driven to provide a cost effective and efficient fire department while honoring its values and supporting our mission statement; a department that will be prepared and ready to respond to all emergencies with compassion, courage and teamwork, and a membership that will operate ethically and position the department for the future.

Department Remarks – Chief Stephen Klotz

September was a very busy month for responses. We had 353 calls for service for the month. As of the end of September 2023 we have almost 400 more calls for service compared to last year at this time.

We continue to conduct school visits and fire drills through our fire prevention program.

We hosted a very successful picnic for Village employees and school administrators where they were able to vote on the school posters submitted for our annual fire prevention contest. The results will be announced soon.

Our annual Open House will be coming up on Saturday, October 7th from 9:00 a.m. to noon at our Fire Station 46.
