Statement of Activities
Fiscal year ended April 30, 2021

In accordance with 65 ILCS 5/11-74.4-5(d)(7)(A&B) and 5/11-74.6-22(d)(7)(A&B), the following statement of activities is provided:

Through the fiscal year ended as indicated above, the following projects have been undertaken, in process, or completed:

Project #1 Tinley Park Plaza Brixmor Development

Brixmor IA Tinley Park Plaza, owners of the former Tinley Park Plaza shopping center at Harlem and 159th Street developed a phased renovation plan that includes demolition of approximately 87,000 square feet of the in-line center, as well as construction of new spaces of approximately 66,600 square feet. Renovations are to include creation of new spaces, improvements to the north end of the in-line center, and separating the current in-line center into two buildings. Separation will provide for better access to loading docks and service entrances. General improvements to the space will include façade improvements, landscaping, and parking lot improvements.

The Village will offer financial assistance in an amount not to exceed \$9.9 million, or 50% of the actual project costs, whichever is lower. Payments will come from a combination of TIF incremental revenues from the shopping center properties alone, and incremental municipal sales taxes from all businesses located in the shopping center over a ten-year period.

Expected completion of the construction of the shell and site is August/September 2021.

Project #2 Bandana's Bar-B-Q Restaurant (completed FY21)

Bandana's Barb-B-Q purchased the vacant former Applebee's restaurant located at 16200 Harlem Avenue. Bandana's is a family-owned and operated restaurant chain with 24 corporate restaurants and 4 franchise restaurants across four states.

The renovations to the building were completed early 2021, allowing Bandana's to open their doors to the public in February. Project was private investment only.

Project #3 Wing Stop Remodel (completed FY21)

A larger commercial interior remodel was applied for by Wing Stop.

After all work was completed, they were issued a certificate of occupancy September of 2020. Project was private investment only.

WHEREAS, the Developer represents and warrants to the Village, and the Village finds that, but for the financial assistance to be provided by the Village to the Developer pursuant to this Agreement, the Project, together with the Additional Work, would not be economically viable and, concomitantly, it is not reasonably anticipated that the Developer would develop and construct the Project and undertake the Additional Work as contemplated; and

WHEREAS, this Agreement has been submitted to the Corporate Authorities of the Village for consideration and review, and the Corporate Authorities and the Developer have taken all actions required to be taken prior to approval and execution of this Agreement in order to make the same binding upon the Village and the Developer according to the terms hereof; and

NOW THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Village and the Developer do hereby agree as follows:

ARTICLE I RECITALS PART OF THE AGREEMENT

The representations, covenants and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into and made a part of this Agreement as though they were fully set forth in this Article I.

ARTICLE II DEVELOPER OBLIGATIONS

2.1 Developer Obligations and Agreements. In consideration of the substantial commitment of the Village to the redevelopment of the Redevelopment Project Area pursuant to the TIF Ordinances and its commitments contained in this Agreement, the Developer shall fulfill, or has fulfilled, the following obligations:

- A. The Developer shall construct the Project substantially in accordance with the Project Plans, and the Developer shall use commercially reasonable efforts to complete the Project on or before December 31, 2021, subject to any Force Majeure Delays (as defined below) and extraordinary construction delays; provided, however, that if Developer has not commenced construction of the Project on or before June 31, 2021, the either Party shall have the right to terminate this Agreement. The Developer shall use commercially reasonable efforts to complete the Additional Work on or before December 31, 2024 (the "Outside Additional Work Date").

- B. The Developer has advanced, shall hereafter advance, or shall cause other parties to advance the funds necessary to construct and complete the Project and the Additional Work.
- C. The Developer has secured, or shall hereafter secure or cause to be secured, all required permits, entitlements, authorizations and approvals necessary or required to construct and complete the Project and the Additional Work.
- D. In the event a claim is made against the Village, its officers, officials, agents and employees or any of them, or if the Village, its officers, officials, agents and employees or any of them (the “Indemnified Party” or “Indemnified Parties”), is made a party-defendant in any proceeding arising out of or in connection with the Developer’s construction, operation, duties, obligations and responsibilities under the terms of this Agreement, the Project or the Additional Work including, but not limited to, any claim or cause of action concerning construction of the Project or Additional Work and, matters pertaining to hazardous materials and other environmental matters in existence as of the date of this Agreement, to the extent permitted by law, the Developer shall indemnify, defend and hold harmless the Indemnified Parties, or any Indemnified Party, from all claims, liabilities, losses, taxes, judgments, costs, fines, fees, including expenses and reasonable attorney’s fees, in connection therewith (collectively, “Losses”); provided, however, that to the extent that any Losses are caused by the negligence, fraud or willful misconduct of one or more Indemnified Parties, the Developer shall have no obligation to indemnify such Indemnified Parties for any such

Losses. Any such Indemnified Party may obtain separate counsel to participate in the defense thereof at his or her own expense. The Indemnified Parties shall cooperate in the defense of such proceedings and be available for any litigation related appearances which may be required. Further, the Developer shall be entitled to settle any and all claims for money, in such amounts and upon such terms as to payment as it may deem appropriate, without the prior approval or consent of the Indemnified Parties, or any of them, as the case may be, provided that neither the Village nor any of the other Indemnified Parties shall be required to contribute to such settlement except to the extent that Losses that are the subject of the settlement are caused by the negligence, fraud or willful misconduct of an Indemnified Party.

- E. Notwithstanding anything herein to the contrary, none of the Indemnified Parties shall not be liable to the Developer for damages of any kind or nature whatsoever or otherwise in the event that, except where due to the negligence, fraud or willful misconduct of one or more of the Indemnified Parties, all or any part of the Act, or any of the TIF Ordinances or other ordinances of the Village adopted in connection with either the Act or this Agreement, shall be declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the Village is prevented from performing any of the covenants and agreements herein or the Developer is prevented from

enjoying the rights and privileges hereof; provided that nothing in this Section 2.1.E shall limit otherwise permissible claims by the Developer against the Village or actions by the Developer seeking specific performance of this Agreement or payment of amounts due in the event of a breach of this Agreement by the Village.

- F. Upon reasonable notice, the Village Manager, or his designee, shall have access to all portions of the Project while it is under construction during normal business hours for the purpose of determining compliance with this Agreement, applicable laws and applicable regulations; provided, however, that any such person(s) shall comply with all construction site rules and regulations while such person(s) is on or near the Property. Additionally, the Developer shall keep and maintain detailed accountings of expenditures demonstrating the total actual costs of the Developer's Project and Additional Work costs. All such books, records and other documents, including but not limited to the general contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, and documentation evidencing that the Developer has incurred and paid any expense for which reimbursement as the Developer's Project and Additional Work costs, including Redevelopment Project Costs, is sought by Developer hereunder shall be made available in electronic format for inspection, copying, audit and examination by an authorized representative of the Village for a period of one (1) year after issuance of the Certificate of Completion (as defined

below). The Village shall treat all such information as confidential business materials, the disclosure of which would cause the Developer competitive harm. As such, the Village shall not disclose any such information pursuant to a Freedom of Information Act request unless compelled to by the Attorney General or a court of competent jurisdiction.

- G. The Developer shall cooperate with the Village and provide the Village with the information in Developer's possession or control required and necessary under the Act to enable the Village to comply with the Act and its obligations under this Agreement.
- H. The Developer shall comply with the fair employment/affirmative action principles contemplated by the Act and the TIF Ordinances, and with all applicable federal, state and municipal regulations in connection with the construction of the Project.
- I. The Developer has furnished to the Village a Project Budget showing total costs for the Project and the Additional Work in the amount of \$21.9 million as set forth in Exhibit D. The Developer hereby certifies to the Village that the Project Budget is true, correct and complete, to the best of the Developer's knowledge, in all material respects.

2.2 Representations and Warranties About Ownership. The Developer represents, warrants and covenants that, to its knowledge, no member, official, officer, employee of the Village, or any commission or committee exercising authority over the Project or the Property, or any consultant hired by the Village or the Developer with respect thereto, owns or controls or has owned or controlled any interest, direct or indirect, in the Project or any portion of the Property,

or will own or control any interest in the Project, and that this Agreement will not violate Section 5/11-74.4-4(n) of the Act. Any representation or warranty made “to Seller’s actual knowledge” or similar terms shall not be deemed to imply any duty of inquiry. For purposes of this Section 2.2, “knowledge” shall mean and refer only to the actual knowledge of the Developer’s general counsel and shall not be construed to refer to the knowledge of any other member, partner, officer, director, agent, employee or representative of the Developer or any affiliate of the Developer.

2.3 **Disclosure.** In accordance with Illinois law, 50 ILCS 105/3.1, simultaneously with the execution of this Agreement by the Parties, the Developer shall submit a sworn affidavit to the Village disclosing the identity of every owner and beneficiary having any interest, real or personal, in the Property, and every member, shareholder, limited partner, or general partner entitled to receive more than 7 1/2% of the total distributable income of the Developer. The sworn affidavit shall be substantially similar to the one attached as Exhibit E, attached hereto and made a part of this Agreement.

ARTICLE III VILLAGE OBLIGATIONS

3.1 **Village Economic Assistance.** In consideration of the substantial commitment of the Developer to the development and construction of the Project and the undertaking of the Additional Work and in order to induce the Developer to undertake the Project and the Additional Work, the Village shall provide economic assistance to the Developer by reimbursing it for up to Nine Million Nine Hundred Thousand Dollars and No Cents (\$9,900,000) in Project and Additional Work costs, or fifty percent (50%) of the Actual Project Costs, as defined in Section 3.6(A) below, whichever is lesser (the “Maximum Reimbursement Amount”), by annual installment payments (the “Economic Assistance”). The Parties agree that based on the Additional Work Outside Completion Date, the Parties shall memorialize the Actual Project Costs for the

Project and the Additional Work on or before March 30, 2025. The Economic Assistance shall be comprised of Available Incremental Taxes, as defined in Section 3.2 below, and Incremental Sales Taxes, as defined in Section 3.3 below. The Maximum Reimbursement Amount shall be reimbursed, to the extent the Developer has incurred Redevelopment Project Costs, by Available Incremental Taxes, with the remainder, if any, to be reimbursed by Incremental Sales Taxes, subject to the limitations described in Section 3.3. By way of example:

Estimated Redevelopment Project Costs are \$8,100,000, with \$1,800,000 in addition Project Costs which will be reimbursed from Available Incremental Taxes, and other Project and Additional Work costs estimated to be \$1,800,000, which will be reimbursed from Incremental Sales Taxes. However, upon completion of the Project, actual Redevelopment Project Costs are \$7,200,000 and Actual Project Costs are \$16,500,000. Therefore, available Incremental Sales Taxes are recalculated to \$1,050,000 ($(\$16,500,000 \times .5) - \$7,200,000$). The Maximum Reimbursement Amount shall always be the lesser of (a) 50% of Actual Project Costs and (b) \$9.9 million.

3.2 Available Incremental Taxes. Following issuance of the Certificate of Expenditure, as defined below, the Village shall reimburse the Developer from Available Incremental Taxes generated during the Available Incremental Tax Term for Redevelopment Project Costs incurred by the Developer. The term “Available Incremental Taxes” shall mean one hundred percent (100%) of all net incremental ad valorem real property taxes received by the Village, if any, arising from the levies upon the Property attributable to the then current equalized assessed valuation of the Property over and above the initial equalized assessed value of the Property, all as determined pursuant to Section 5/11-74.4-8 of the Act and the TIF Ordinances. The Parties acknowledge that the initial equalized assessed value of the Property, as set forth in

the TIF Ordinances, is \$11,664,000 and such amount shall be the basis for determining incremental taxes; provided, however, that if the final equalized assessed value of the Property is greater than \$11,664,000 at the time the Developer commences the Project, then such greater assessed value shall be used for the determination of incremental taxes. Upon commencement of the Project, the Village shall provide written verification of the equalized assessed value of the Property to be used for the purposes of calculating incremental taxes. The term "Redevelopment Project Costs" shall mean and include all costs defined as "redevelopment project costs" in Section 5/11-74.4-3(q) of the Act which are eligible for reimbursement under the Act and which have been approved in the TIF Ordinances. The term "Available Incremental Tax Term" shall mean that 10-year period, commencing on the date identified in the Developer Notice, as defined below, and ending 10 years thereafter. Due to the uncertainty of when the Cook County Assessor's Office will recognize the value of the Project improvements, the Developer shall be permitted to select the Collection Year, as defined below, in which the Available Incremental Tax Term shall commence by delivering written notice to the Village (the "Developer Notice"); provided, however, that the Collection Year selected by the Developer may be no later than Collection Year 2024 and provided further that if the Developer has not delivered the Developer Notice on or before December 31, 2023, then the Available Incremental Tax Term shall be deemed to commence with Collection Year 2024. The term "Collection Year" shall mean that calendar year in which real estate taxes are collected based on the prior calendar year in which properties are assessed. By way of example, Collection Year 2024 the year in which real estate taxes are collected based on real estate assessments made in 2023. The Parties anticipate that the Developer will incur approximately Eight Million One Hundred Thousand Dollars and No Cents (\$8,100,000) in Redevelopment Project Costs, as set forth in Exhibit F attached hereto and made a part hereof. However, the Parties agree that the

actual Redevelopment Project Costs may increase or decrease upon the completion of the Project and the Additional Work. To the extent that the Maximum Reimbursement Amount has not been paid, reimbursements from Available Incremental Taxes shall be made on or about February 1st following each Collection Year during the Available Incremental Tax Term and on or about February 1st following the last Collection Year of the Available Incremental Tax Term. The Village shall include its calculations for each reimbursement payment in its transmittal of the reimbursement payment. By way of example only, if the first year of the Available Incremental Tax Term is Collection Year 2022, then the first reimbursement payment from Available Incremental Taxes shall be made on or about February 1, 2023.

3.3 Incremental Sales Taxes. Following the issuance of the Certificate of Expenditure, the Village agrees to reimburse Developer an amount consisting of the Maximum Reimbursement Amount less the Redevelopment Project Costs incurred by the Developer from Incremental Sales Taxes, as defined below. Said portion of the Maximum Reimbursement Amount to be provided from Incremental Sales Taxes shall not exceed Two Million Five Hundred Thousand Dollars and No Cents (\$2,500,000) (the “Maximum Incremental Sales Tax Amount”), to be calculated and reimbursed annually for a period of ten (10) years (the “Available Incremental Sales Tax Term”), or until the Maximum Reimbursement Amount is reached, whichever occurs first, in the following manner:

A. Incremental Sales Tax Sharing Formula

- (1) The Village has calculated the Municipal Sales Taxes derived from (a) businesses located within the Shopping Center and (b) the Retail Tenant in calendar year 2019 to be \$384,352 (the “Sales Tax Base”). The Village shall reimburse the Developer fifty percent (50%) of all

Municipal Sales Taxes, as defined below, generated by businesses in the Shopping Center above the Sales Tax Base (the “Incremental Sales Tax”) annually beginning with the Initial Sales Tax Incentive Year, as defined below, and continuing for each Subsequent Sales Tax Incentive Year, as defined below, for a period of ten (10) years (the “Incremental Sales Tax Term”); provided, however, that the Incremental Sales Tax Term shall end prior to the 10-year period upon the Developer’s receipt of the Maximum Reimbursement Amount or the Maximum Incremental Sales Tax Amount.

B. Municipal Sales Taxes

- (1) The appropriate sales tax rate applicable to a sale is collected and remitted to the Illinois Department of Revenue (“IDOR”) by each retailer located in the Shopping Center in accordance to the schedules established by IDOR. Subsequently, the IDOR distributes the municipal portion (1%) of the total sales taxes reported pursuant to the Retailer’s Occupation Tax Act, 35 ILCS 120/1 *et seq.*, and the Service Occupation Tax Act, 35 ILCS 115/1 *et seq.* (collectively, “Municipal Sales Taxes”) to the Village.
- (2) There is currently a three-month time lag between the month in which a retail sale subject to tax is completed, collected, and remitted to the IDOR, and the month in which the Municipal Sales Taxes are distributed to the Village in total. There is a further time lag before the IDOR makes information available to the Village to

identify the breakdown of the Municipal Sales Taxes distributed by reporting businesses necessary for the determination of the portion of the Village's total Municipal Sales Taxes applicable to this Agreement (e.g., Municipal Sales Taxes for the liability/reporting month of January are distributed in April).

- (3) A breakdown of the Municipal Sales Taxes distributed by reporting businesses is provided to the Village by the IDOR, upon the request of certain authorized Village individuals, under the Reciprocal Agreement on Exchange of Information established between the Village and the IDOR (the "Reciprocal Agreement"). This Reciprocal Agreement restricts the Village's use of such information only for the official purposes of the State and the Village, and further requires that any information provided thereunder must remain confidential in accordance with the State law. The Reciprocal Agreement and applicable State laws also severely limit the disclosure of business and sales tax information provided to either the State or the Village. Accordingly, in relation to this Agreement, the Village may only disclose the Shopping Center's total Municipal Sales Taxes for the Initial Incremental Sales Tax Year or Subsequent Incremental Sales Tax Year, as the case may be, as established under this Agreement, provided that a) there is an aggregate of more than four businesses in the reporting period, and b) no single business constitutes a significant portion of

said aggregate total whereby said single business would remain substantially recognizable. As a result of these restrictions, while the Village currently does not expect this disclosure restriction will be applicable, there exists a possibility that the Village may not be able to disclose the calculation of Incremental Sales Tax under this agreement on an annual basis. The Village agrees to perform reasonable due diligence in the determination of Municipal Sales Taxes relative to this Agreement.

- (4) The information obtained from the IDOR under the above referenced Reciprocal Agreement, as well as certain other confidential information that may be obtained by the Village from its local businesses from time to time, either separately or collectively, is exempt from disclosure under the Illinois Freedom of Information Act (5 ILCS 140/7) under subsection (a), as well as the Illinois Retailers' Occupation Tax (35 ILCS 120/11).
- (5) It is specifically understood and agreed to by the Parties that for purposes of this Agreement, Municipal Sales Taxes, and Sales Tax Base, do not refer to, or include, the Home Rule Municipal Retailers' Occupation Tax and Home Rule Service Occupation Tax ("Home Rule Sales Taxes") imposed by the Village under Ordinance No. 2014-O-001, adopted on March 4, 2014, and as may be amended from time to time. The exclusion of the Home Rule Sales Taxes from any inducement or incentive agreement

established after the imposition of the tax was specifically excluded in the enabling legislation.

C. Changes to the Sales Tax Base

- (1) In the event that a one or more retailers relocate (each a “Relocating Retailer”) from another location in the Village to the Shopping Center prior to the expiration of this Agreement, the Sales Tax Base shall be recalculated to increase the Sales Tax Base to include the Relocating Retailer’s Municipal Sales Taxes (1%) from the most recent Initial Sales Tax Incentive Year or Subsequent Sales Tax Incentive Year, as applicable, prior to their relocation.

By way of example:

Initial Sales Tax Base of \$100,000; In 2021, Relocating Retailer’s Municipal Sales Taxes at its vacated premises are \$20,000. In 2022, Relocating Retailer relocates to the Shopping Center. Subject to the pro-ratio provisions below, the Sales Tax Base will be recalculated to \$120,000.

- (2) During the Initial Sales Tax Incentive Year or Subsequent Sales Tax Incentive Year, as applicable, of a Relocating Retailer’s operation in the Shopping Center, the Village shall pro-rate the Relocating Retailer’s contribution to the Sales Tax Base in the event the Relocating Retailer’s start of operations in the Shopping Center does not correspond to the Initial Sales Tax Incentive Year or Subsequent Sales Tax Incentive Year. Using the example in subsection (1)

immediately above, assuming a Sales Tax Incentive Year runs December 1 to November 30 and further assuming Relocating Retailer relocates to the Shopping Center on February 1, the Sales Tax Base will only increase by 3/12ths of the \$20,000 for that particular Sales Tax Incentive Year and then all \$20,000 for all other Subsequent Sales Tax Incentive Years.

- (3) The Parties agree that in no event shall the Retail Tenant's contributions to the Sales Tax Base be pro-rated.

D. Sales Tax Incentive Year

The "Initial Sales Tax Incentive Year" shall be that twelve (12) month period commencing on the first day of the full month that follows the month in which the Grocery Tenant has commenced operations. Each subsequent 12-month period is hereinafter referred to as the "Subsequent Sales Tax Incentive Year."

3.4 The Developer agrees and understands that: (1) the sole source of funds for payment of the Economic Assistance is expressly limited to Available Incremental Taxes and Incremental Sales Taxes; (2) the Developer is assuming the risk that Available Incremental Taxes and Incremental Sales Taxes generated during the term of this Agreement may be less than the Maximum Reimbursement Amount; (3) the Developer will have no right to compel the exercise of any taxing power of the Village for payment of any of the reimbursement amounts; (4) the Village's reimbursement obligations pursuant to this Agreement do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the Village, the State of Illinois or any political subdivision thereof; and (5) to the extent that the Developer has been fully

reimbursed for all TIF eligible Redevelopment Project Costs, the sole source of funding for the remaining payments toward the Maximum Reimbursement Amount is Incremental Sales Taxes which is further limited to the Maximum Incremental Sales Tax Amount.

3.5 In the event that IDOR changes its reporting of Municipal Sales Taxes such that it is not reasonably feasible for the Village to attribute Municipal Sales Taxes to retailer in the Shopping Center, Developer shall be responsible for duly executing appropriate agreements with any and all retail tenants in the Shopping Center requiring same, and require such tenants remain contemporaneous with the filing of sales tax reports with the IDOR or successor agency; and to furnish to the Village such authorization forms or other documents as may be required for purposes of identifying the Village's sales tax revenues for the Shopping Center pursuant to this Agreement. Developer acknowledges in the event a retail tenant has multiple locations, only tax reporting for the location in the Shopping Center shall be included in the Village's calculations under this Agreement. Except where IDOR changes its reporting of Municipal Sales Taxes as contemplated in this Section 3.5, Developer acknowledges that calculations of the Incremental Sales Tax shall solely be based upon amounts reported by the IDOR.

3.6 Timing of Reimbursement Payments.

- A. Upon completion of the Project, the Developer shall submit a Certificate of Expenditure, substantially in the form set forth on Exhibit G (the "Certificate of Expenditure") to document and substantiate the amount of Project and Additional Work costs incurred by the Developer (the "Actual Project Costs"), including Redevelopment Project Costs. In addition to the Certificate of Expenditure, the Developer's submission shall include such evidence reasonably acceptable to the Village that validates the Developer

has incurred such Redevelopment Project Costs. Such evidence shall include, but is not limited to, owner's sworn statements, contractor and subcontractor lien waivers, invoices and cancelled checks related thereto, or such other documents as may be appropriate or required. The Village shall approve the Certificate of Expenditure within thirty (30) days of receipt, provided that all necessary and sufficient supporting documentation has been supplied by the Developer. Thereafter, the Developer may submit up to three requests for amendments to the Certificate of Expenditure to reflect additional Project and Additional Work costs provided that the Developer submits additional evidence reasonably acceptable to the Village that it has incurred such additional costs and such costs have not previously been reported; provided, however, that the latest date that the Developer may request to include costs in Actual Project Costs shall be March 30, 2024. All costs approved pursuant to a Certificate of Expenditure shall be included in the calculation of Actual Project Costs.

- B. To the extent that the Maximum Reimbursement Amount or the Maximum Incremental Sales Tax Amount has not been paid, reimbursements from Incremental Sales Taxes shall be made to the Developer on or about 180 days after the end of the Initial Sales Tax Incentive Year and Subsequent Sales Tax Incentive Year, including the last year of the Incremental Sales Tax Term. By way of example only, Sales Tax Incentive Year commences on December 1, 2021, the first reimbursement payment from Incremental Sales Taxes shall be made on or about May 1, 2023. In the event that, as of

the reimbursement date following the Outside Additional Work Date, the amount of Incremental Sales Taxes actually paid to the Developer exceeds the amount of reimbursement from Incremental Sales Taxes due to the Developer based on the final calculation of Actual Project Costs, then the Developer shall repay such excess amount to the Village within 30 days of demand from the Village.

3.7 Certificate of Completion. Upon the Developer's written request the Village shall issue to the Developer a Certificate of Completion in recordable form confirming that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. The Village shall issue the Certificate of Complete only upon (i) the Village's determination of Developer's satisfactory completion of the Project, and (ii) the Village's approval of a Certificate of Expenditure for the Project. The Village shall respond to the Developer's written request for a Certificate of Completion within thirty (30) days by issuing said Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate of Completion. The Developer may resubmit a written request for a Certificate of Completion upon accomplishment of such measures.

3.8 Developer Indemnification. In the event a claim is made against the Developer, its directors, partners, affiliates, shareholders, officers, officials, agents and employees or any of them, or if the Developer, its directors, partners, affiliates, shareholders, officers, officials, agents and employees or any of them (the "Developer Indemnified Party" or "Developer Indemnified Parties"), is made a party-defendant in any proceeding arising out of or in connection with the Village's duties, obligations and responsibilities under the terms of this Agreement to the extent

permitted by law, the Village shall indemnify, defend and hold harmless the Developer Indemnified Parties, or any Developer Indemnified Party, from all claims, liabilities, losses, taxes, judgments, costs, fines, fees, including expenses and reasonable attorney's fees, in connection therewith. Any such Developer Indemnified Party may obtain separate counsel to participate in the defense thereof at his or her own expense. The Developer Indemnified Parties shall cooperate in the defense of such proceedings and be available for any litigation related appearances which may be required. Further, the Village shall be entitled to settle any and all claims for money, in such amounts and upon such terms as to payment as it may deem appropriate, without the prior approval or consent of the Developer Indemnified Parties, or any of them, as the case may be, provided that neither the Developer nor any of the other Developer Indemnified Parties shall be required to contribute to such settlement.

ARTICLE IV AUTHORITY

4.1 Village Powers and Authority. The Village hereby represents and warrants to the Developer that the Village has full constitutional and lawful right, power and authority, under currently applicable law, to execute and deliver and perform the terms and obligations of this Agreement, and the foregoing has been, or will be, duly and validly authorized and approved by all necessary Village proceedings, findings and actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the Village, and is enforceable in accordance with its terms and provisions and the execution of this Agreement does not require the consent of any other governmental authority.

4.2 Developer Powers and Authority. The Developer hereby represents and warrants to the Village that the Developer has full lawful right, power and authority, under currently applicable law, to execute and deliver and perform the terms and obligations of this Agreement, and the foregoing has been or will be duly and validly authorized and approved by all necessary Developer actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the Developer, is enforceable in accordance with its terms and provisions and does not require the consent of any other party.

4.3 Authorized Parties. Except in cases where the approval or authorization of the Village's Corporate Authorities is required by law, whenever, under the provisions of this Agreement, or other related documents and instruments or any duly authorized supplemental agreements, any request, demand, approval, notice or consent of the Village or the Developer is required, or the Village or the Developer is required to agree to, or to take some action at, the request of the other, such request, demand, approval, notice or consent, or agreement shall be given for the Village, unless otherwise provided herein, by the Village Manager or his designee and for the Developer by any officer of the Developer so authorized (and, in any event, the officers executing this Agreement are so authorized). Any Party shall be authorized to act on any such request, demand, approval, notice or consent, or agreement or other action and neither Party hereto shall have any complaint against the other as a result of any such action taken.

ARTICLE V DEFAULTS AND REMEDIES

5.1 Breach. A Party shall be deemed to be in breach this Agreement if it fails to materially perform, observe or comply with any of its covenants, agreements or obligations hereunder or breaches or violates any of its representations contained in this Agreement after the expiration of any cure period applicable thereto.

5.2 Cure of Breach. Except as otherwise provided herein, prior to the time that a failure of any Party to this Agreement to perform its obligations hereunder or the failure to perform any other action or omission to perform any such obligation or action described in Section 5.1 shall be deemed to be a breach hereof, the Party claiming such failure shall provide written notification to the Party alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if performance has commenced to the reasonable satisfaction of the complaining Party within sixty (60) days of the receipt of such notice; provided, however that if the Developer alleges that the Village has failed to pay Incremental Taxes as and when required, then the Village shall have thirty (30) days to cure such default. The prosecution of the conduct necessary to remedy the alleged breach must be diligently pursued until the cure is perfected. The obligation to cure defaults, as herein required, shall be tolled during any applicable time period during which a delay in performance is permitted as an event of one or more Force Majeure Delays under the provisions of Section 6.3 hereof but the tolling of the performance of any obligation shall be limited to the obligation or action as to which the Force Majeure Delay provisions apply.

In the event that either Party shall breach any provision of this Agreement and fail to cure said breach as provided in the preceding paragraph or as elsewhere provided in this Agreement, the non-defaulting Party may enforce the terms hereof by filing any action or proceeding available at law or in equity, in any court of competent jurisdiction, including an action for specific performance of the covenants and agreements herein contained. Notwithstanding the foregoing, the Village remedy for monetary breaches shall be limited to its actual (but not consequential) damages in an amount not to exceed its out-of-pocket expenses incurred in connection with this Agreement, including attorneys' fees. Except as otherwise set forth herein, no action taken by a

Party pursuant to the provisions of this Section 5.2 or pursuant to the provisions of any other section of this Agreement shall be deemed to constitute an election of remedies and all remedies set forth in this Agreement shall be cumulative and nonexclusive of any other remedy either set forth herein or available to any Party at law or in equity. Notwithstanding anything herein to the contrary, in the event that the Developer fails to complete the Project, the Village's sole remedy shall be to withhold payment of Incremental Taxes.

5.3 Default Shall Not Permit Termination of Agreement. No default under this Agreement shall entitle any Party to terminate, cancel or otherwise rescind this Agreement; provided, however, this limitation shall not affect any other rights or remedies the Parties may have by reason of any default under this Agreement.

5.4 Right to Enjoin. In the event of any violation or threatened violation of any of the provisions of this Agreement by a Party, any other Party shall have the right to apply to a court of competent jurisdiction for an injunction against such violation or threatened violation, and/or for a decree of specific performance.

ARTICLE VI GENERAL PROVISIONS

6.1 Time of Essence. Time is of the essence of this Agreement. The Parties will make every reasonable effort to expedite the subject matters hereof and acknowledge that the successful performance of this Agreement requires their continued cooperation.

6.2 Mutual Assistance. The Parties agree to take such actions, including the execution and delivery of such documents, instruments and certifications (and, in the case of the Village, the adoption of such ordinances and resolutions), as may be necessary or appropriate from time to time to carry out the terms, provisions and intent of this Agreement and to aid and assist each other

in carrying out such terms, provisions and intent. The Village agrees that it shall not revoke or amend one or more of the TIF Ordinances if such revocation or amendment would prevent or impair the development of the Project in accordance with this Agreement or the Village's performance of its obligations hereunder. The Parties shall cooperate fully with each other in securing from any and all appropriate governmental authorities (whether federal, state, county or local) any and all necessary or required permits, entitlements, authorizations and approvals to develop and construct the Project.

6.3 Force Majeure. Neither the Village nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by pandemic, epidemic, governmental restrictions, takings, and limitations arising subsequent, war, state or national emergency, government mandated closures, damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below-freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the Party affected which in fact interferes with the ability of such Party to discharge its obligations hereunder (in each case, a "Force Majeure Delay"). In each case where a Party hereto believes its performance of any specific obligation, duty or covenant is delayed or impaired by reason of an event of Force Majeure Delay, the Party claiming the benefit of this Section 6.3 shall notify the other Party of the nature of the event claimed to constitute Force Majeure Delay and, specifically, the obligation, duty or covenant which it believes is delayed or impaired by reason of the designated event. Notification shall be provided in accordance with Section 6.8. Performance of the obligation, duty or covenant impaired by reason of the designated event shall be tolled for that period of time

reasonably necessary to remove or otherwise cure the impediment to performance and the Party relying on the event of Force Majeure Delay shall be obligated to pursue such remedy or cure with reasonable diligence given the nature of the impairment, to the extent the same may be reasonably cured. In no case shall an event of Force Majeure Delay toll the performance of any obligation, duty or covenant not directly implicated in the claimed event of Force Majeure Delay. Further, nothing herein shall be deemed to preclude the right of the Party entitled, by the terms of this Agreement, to receive the performance of any obligation, duty or covenant to challenge the validity of a claimed event of Force Majeure Delay.

6.4 **Amendment.** This Agreement, and any exhibits attached hereto, may be amended only by the mutual consent of the Parties evidenced by a written amendment, by the adoption of an ordinance or resolution of the Village approving said written amendment, as provided by law, and by the execution of said written amendment by the Parties or their successors in interest. Notwithstanding the foregoing, an amendment to the Project Plans or planned unit development shall not require an amendment to this Agreement. In addition, the Village Manager may affect Minor Modifications to this Agreement without the same being deemed an amendment to this Agreement which requires action by the Village President and the Board of Trustees. For the purposes of this Agreement, the term “Minor Modification” means a modification or waiver of any requirement, specification, or other term set forth in this Agreement, consented to by the Parties in writing, whereby such modification or waiver does not materially affect the goals, purposes, or nature of the Agreement.

6.5 **Entire Agreement.** This Agreement sets forth all agreements, understandings and covenants between and among the Parties relative to the matters herein contained. This Agreement

supersedes all prior agreements, negotiations and understandings, written and oral, and shall be deemed a full integration of the entire agreement of the Parties.

6.6 Severability. If any provisions, covenants, agreement or portion of this Agreement, or its application to any person, entity or property, is held invalid, such invalidity shall not affect the application or validity of any other provisions, covenants or portions of this Agreement and, to that end, all provisions, covenants, agreements or portions of this Agreement are declared to be severable.

6.7 Consent or Approval. Except as otherwise specifically provided in this Agreement, whenever consent or approval written or otherwise of any Party to this Agreement is required, such consent or approval shall not be unreasonably withheld, delayed or conditioned.

6.8 Illinois Law. This Agreement shall be construed in accordance with the laws of the State of Illinois.

6.9 Notice. Any notice, request, consent, approval or demand (each, a “Notice”) given or made under this Agreement shall be in writing and shall be given in the following manner: (A) by personal delivery of such Notice; or (B) by mailing of such Notice by certified mail, return receipt requested; (C) by sending e-mail transmission of such Notice with confirmation of receipt; or (D) by commercial overnight delivery of such Notice. All Notices shall be delivered to the addresses set forth in this Section 6.8. Notice served by certified mail shall be effective on the fifth Business Day (as defined below) after the date of mailing. Notice served by e-mail transmission shall be effective as of date and time of e-mail transmission, provided that the Notice transmitted shall be sent on a Business Day during business hours. In the event e-mail Notice is transmitted on a non-Business Day or during non-business hours, the effective date and time of Notice is the first business hour of the next Business Day after transmission. Notice served by

commercial overnight delivery shall be effective on the next Business Day following deposit with the overnight delivery company. For purposes hereof, the first “business hour” of a Business Day shall be 8:00 a.m. Central time and the last “business hour” shall be 6:00 p.m. Central time. The term “Business Day” shall be Monday through Friday, excluding federal and State of Illinois holidays.

6.10 **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

6.11 **Term of Agreement.** The term of this Agreement shall commence on the Effective Date and continue until the earlier of: (A) the Developer's receipt of the Maximum Reimbursement Amount or (B) the last day of the Available Incremental Tax Term or Available Incremental Sales Tax Term, whichever is later; provided, however, the Village's obligation to make a final reimbursement payment of Incremental Sales Taxes and/or Available Incremental Taxes under either Available Incremental Tax Term and/or Available Incremental Sales Tax Term shall survive the term of the Agreement and the Developer's rights and remedies to enforce such obligation shall survive the term of the Agreement.

6.12 **Good Faith and Fair Dealing.** Village and Developer acknowledge their duty to exercise their rights and remedies hereunder and to perform their covenants, agreements and obligations hereunder, reasonably and in good faith.

6.13 **Drafting.** Each Party and its counsel have participated in the drafting of this Agreement therefore none of the language contained in this Agreement shall be presumptively construed in favor of or against either Party.

6.14 **Recording.** The Developer shall be permitted to record, at its costs and expense, a memorandum of this Agreement with the Cook County Recorder of Deeds.

6.15 **Covenants Run with the Land/Successors and Assigns.** It is intended that the covenants, conditions, agreements, promises, obligations and duties of each Party as set forth in this Agreement shall be construed as covenants and that, to the fullest extent legally possible, all such covenants shall run with and be enforceable against both the covenanted and the Property. Such covenants shall terminate upon termination or expiration of this Agreement. On or before

the last date of payment of Incremental Taxes, the Village shall provide a release to confirm termination of this Agreement which Developer may, at its sole cost and expense, record against the Property. This Agreement shall inure to the benefit of, and shall be binding upon, each Developer and each Developer's respective successors, grantees and permitted assigns, and upon successor corporate authorities of the Village and successor municipalities.

6.16 Assignment. Prior to issuance of the Certificate of Completion, Developer may not assign this Agreement, or any rights of obligations hereunder, to any party, except to an affiliate or party providing financing for the Project, without the prior express written consent of the Village. After to issuance of the Certificate of Completion, the Developer may assign this Agreement, or any rights of obligations hereunder, provided that the Developer delivers at least ten (10) days' notice prior to such assignment taking effect.

6.17 Partial Funding. Except as otherwise set for in this Agreement, the Developer acknowledges and agrees that the economic assistance to be received by the Developer as set forth in this Agreement is intended to be and shall be a source of partial funding for the Project and agrees that any additional funding above and beyond said economic assistance shall be solely the responsibility of the Developer. The Developer acknowledges and agrees that the amount of economic assistance set forth in this Agreement represents the maximum amount of economic assistance to be received by the Developer, provided the Developer complies with the terms and provisions set forth in this Agreement. The Developer further acknowledges and agrees that the Village is not a joint developer or joint venturer with the Developer and the Village is in no way responsible for completion of any portion of the Project.

6.18 Attorney Fees. Should it become necessary to bring legal action or proceedings to enforce this Agreement, or any portion thereof, or to declare the effect of the provisions of this

Agreement, the prevailing party shall be entitled to recover or offset against sums due, its costs, including reasonable attorneys' and consultants' fees, in addition to whatever other relief the prevailing party may be entitled.

6.19 Estoppel Certificates. Each of the Parties hereto agrees to provide the other, upon not less than ten (10) business days prior request, a certificate certifying that this Agreement is in full force and effect (unless such is not the case, in which such Party shall specify the basis for such claim), that the requesting Party is not in default of any term, provision or condition of this Agreement beyond any applicable notice and cure provision (or specifying each such claimed default) and certifying such other matters reasonably requested by the requesting Party. If either Party fails to comply with this provision within the time limit specified, it shall be deemed to have appointed the other as its attorney-in-fact for execution of same on its behalf as to the specific request only.
