## Attachment D

Main Street North TIF District  
Village of Tinley Park, Cook and Will Counties, Illinois  
Statement of Activities  
Fiscal year ended April 30, 2021

In accordance with 65 ILCS 5/11-74.4-5(d)(7)(A&B) and 5/11-74.6-22(d)(7)(A&B), the following statement of activities is provided:

Through the fiscal year ended as indicated above, the following projects have been undertaken, in process, or completed:

Project 1      Amazing Smiles dental office (completed 2004)

A vacant commercial building that had previously served as a bicycle shop was renovated for a dental office, and included the addition of a residential apartment above the dental office.

No public financial assistance was required with this project.

Project 2      Wheatfield Restaurant (completed 2004)

The owner of Wheatfield Restaurant, a popular Tinley Park restaurant for breakfast and lunch since 1983, acquired a partially vacant commercial property at the northwest corner of Oak Park Avenue and 170th Street in 2002 with the primary intent of redeveloping the property for a new and larger restaurant facility.

The building had been constructed in the late 1950s for a Jewel Food Store and an attached Walgreen's drug store.

The owner presented plans to redevelop the former drug store space as the new restaurant, improve the parking and landscaping. Future plans included redevelopment of the former grocery store (at the time occupied by a video store) for other commercial uses.

The Village of Tinley Park provided economic assistance to this redevelopment project in the form of assistance with landscaping, façade improvements, and a sales tax incentive. However, no property tax increment funds are associated with this redevelopment project. The new restaurant location opened in July 2004.

Project 3      Tinley Park Arms (P.A.S.S.) mixed-use development (completed 2007)

The Pregnancy Aid for South Suburbia (P.A.S.S.), and other owners redeveloped three parcels in the 17200 block of Oak Park Avenue consisting of slightly more than  $\frac{3}{4}$  of an acre. This mixed-use development consists of 6,100 square feet of commercial space (4 units) on the ground floor, and 12,200 square feet of residential condominiums (8 units) on the second and third floors. The development includes external parking garages for the residential units, and incorporates a segment of the Village's rear yard parking plan that has been developed for the west side of Oak Park Avenue to consolidate driveway access points, minimize curb cuts, and improve traffic flow along Oak Park Avenue between 172nd Street and 173rd Place.

The developers requested financial assistance from the Village toward qualified infrastructure costs associated with the project in an amount not to exceed \$150,000 to be paid from TIF incremental revenues generated by the development. This assistance has been paid.

#### Project 4 - Springfort Hall mixed use development (completed 2007)

Springfort Hall entailed the redevelopment of three parcels immediately north of the P.A.S.S. building (detailed as Project 3 above). Also a mixed-use development, this project included approximately 9,300 square feet of commercial space on the ground floor, and 14 residential units including two penthouse suites with rooftop patios. This development incorporated underground parking for the residential units and continues the aforementioned Village rear yard parking plan along the west side of Oak Park Avenue.

The developers requested financial assistance from the Village toward the qualified infrastructure costs associated with the project in the amount not to exceed \$250,000 to be paid from TIF incremental revenues generated by the development. This assistance has been paid.

#### Project 5 - Fulton House remodel (completed 2006)

A former residential property was renovated and was converted for commercial use. The home has been locally recognized as part of the community's Historic District and had previously been owned and occupied by the family of John Fulton, Jr. whose parents and family were among the early settlers of Bremen Township and have long been civic leaders in the community and larger area. A prior owner had intended to open a bed and breakfast in the home, but was unable to fulfill that dream. The structure is now occupied by a garden and gift shop.

The Village provided financial assistance toward this earlier endeavor through a Façade Enhancement Grant and assistance in repaving a section of unneeded public street right of way adjacent to the property. However, no property tax increment funds were associated with this redevelopment project.

#### Project 6 – Forest Glen subdivision (site work began 2007)

A developer acquired the heavily wooded property that had formerly been the site of the local Lions Club Pool and adjacent picnic grove. The developer plan proposed to construct eight (8) single family homes on the property. Plans included construction/extension of a road and a new bridge across Midlothian Creek along with improvements to the adjoining roadways to provide better vehicular traffic flow and improved public safety access to the site and adjoining areas.

The Village provided financial assistance toward this project with the construction of the bridge and some of the adjacent roadway improvements. A portion of the bridge cost will be recaptured as an impact fee assessed as the residential lots are developed. However, no property tax increment funds have been associated with this redevelopment project.

The developer sold two lots, and constructed one home before walking away from the project. The developer turned over the remaining lots over to the bank in lieu of foreclosure. The downturn in the housing markets and the general economy associated with the Great Recession are significant factors in the lack of greater activity with this development.

New owners acquired the undeveloped lots and construction of two homes were completed in 2017. A third home was completed in late 2019.

#### Project 7 – Public Parking - Elmore Plaza (completed 2010)

During fiscal year 2010, the Village undertook a project to add a right turn lane for southbound Oak Park Avenue at 171<sup>st</sup> Street. Prior to this improvement, at certain times of day, traffic could back up for over one-half a mile. This project resulted in the loss of some off-street parking in front of certain businesses in the adjacent Tinley Square shopping center (formerly known as Elmore Plaza Shopping Center). To compensate for this lost parking, the Village entered into a lease agreement that improved a privately-owned vacant lot behind and adjacent to the shopping center for public and employee parking.

#### Project 8 – JAL Midwest (completed 2016)

During fiscal year 2014, the Village approved a proposed project to renovate and remodel a vacant commercial building for a new commercial use including the addition of a residential apartment above.

The Village approved a façade improvement grant that would reimburse a maximum of \$20,000 of qualified building façade costs once the project has been completed. However, no funds were requested.

#### Project 9 – Sanitary Sewer Lining (completed 2021)

Beginning in fiscal year 2020, Insituform Technologies USA and Airy's, Inc. were hired for work which consisted of cured-in-place sewer lining of two side-by-side sanitary sewers along Ridgeland Avenue from 167th to 175th Street. Reconstruction of certain sections of badly deteriorated sewer was necessary, because failure of these pipes could result in sinkholes, interruption to service, and invasive boring for any kind of emergency repairs. This has also been reported in the Legacy TIF – both contiguous TIFs are receiving new sanitary sewer and/or lining of the segments of the sewer within the respective TIFs.

Project was completed in FY2021.

#### Project 10 – LED Street Lighting (completed 2021)

With the increasing age of the existing light poles, and a need for cost efficiency, multiple street lights were designated for luminaire replacement. Moving from the HID luminaires to the LED luminaires provides many benefits, including reduced energy consumption, live notification of outages, longer warranties, and reduction in maintenance requirements.

LED lighting within the Main Street North TIF has been successfully completed in FY2021.

Additional Information  
Fiscal year ended April 30, 2021

In accordance with 65 ILCS 5/11-74.4-5(d)(7)(D) and 5/11-74.6-22(d)(7)(D), the following additional information is provided:

This TIF District was established by ordinance on 1 April 2003. The base year Equalized Assessed Value (EAV) for this District was certified by the Cook County Clerk using the 2001 tax year EAV and totaled \$4,409,480.

Based on projects that have been proposed, the Village of Tinley Park contracted traffic studies to determine the adequacy of the existing roadways within the development area with specific consideration of proposed developments. Village staff and consultants compiled a list of public and private infrastructure and other improvements that are either necessary or desirable as part of redevelopment within the District. The Village staff and consultants continue to periodically refine analysis of projected incremental revenues, and related costs associated with the identified projects as proposed by developers and under consideration for approval.

## **INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION**

The Honorable President  
Members of the Board of Trustees  
Village of Tinley Park, Illinois

We have audited the financial statements of the governmental activities, business-type activities, each major fund and the aggregate remaining fund information of the Village of Tinley Park, Illinois (the Village) as of and for the year ended April 30, 2021, and the notes to financial statements, which collectively comprise the basic financial statements of the Village and have issued our report thereon dated October 26, 2021, which expressed an unmodified opinion on those statements.

Our audit was conducted for the purpose of forming opinions on the basic financial statements as a whole. The supplementary information (balance sheet, schedules of revenues, expenditures and changes in fund balance; schedule of fund balance by source) is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

**INDEPENDENT ACCOUNTANT'S REPORT ON  
MANAGEMENT'S ASSERTION OF COMPLIANCE**

**INDEPENDENT ACCOUNTANT'S REPORT ON  
MANAGEMENT'S ASSERTION OF COMPLIANCE**

The Honorable President  
Members of the Board of Trustees  
Village of Tinley Park, Illinois

We have examined management's assertion, included in its representation letter dated October 26, 2021, that the Village of Tinley Park, Illinois (the Village) complied with the provisions of subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act (Illinois Public Act 85-1142) applicable to the Main Street North Tax Increment Redevelopment Project Area Fund during the year ended April 30, 2021. Management is responsible for the Village's assertion and for compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Village's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the specified requirements is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about whether management's assertion is fairly stated, in all material respects. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Village's compliance with the specified requirements.

In our opinion, management's assertion that the Village of Tinley Park, Illinois complied with the aforementioned requirements for the year ended April 30, 2021 is fairly stated, in all material respects.

This report is intended solely for the information and use of the Village President, the Board of Trustees, management of the Village, Illinois State Comptroller's Office and the joint review boards and is not intended to be and should not be used by anyone other than these specified parties.
