

Help decide next year's 'Benches' theme

Aug. 9, 2018

If you love the Village's annual Benches on the Avenue public art program and want to have a say in what next year's theme will be, now's your chance!

The Village has created a survey that asks residents which of three potential themes they'd like to see: Sports Arenas/Stadiums, Favorite Parks and Popular Novel. The survey also offers space for residents to write in their own theme idea. Please keep in mind that ideas must be family-friendly. Cast your vote today!

Benches on the Avenue is an award-winning public art program along Oak Park Avenue in Downtown Tinley that every year features colorful benches designed by amateur and professional artists. Artwork is based on a different theme each year, and benches are on display from mid-May through October.

This year's benches are based on the theme "Treasured Family Musicals" and will be out through the first week of October. See them before they're gone!

The survey is available at <https://www.surveymonkey.com/r/6ZRY75G>.
