

## **Keep the Wreath Red**

Issued: Nov. 29, 2018

The Tinley Park Fire Department urges everyone to help "Keep the Wreath Red" until Jan. 2, 2019!

The fire department has placed a wreath illuminated with red bulbs in front of Fire Station No. 46, 17355 S. 68th Court; Fire Station No. 47, 7825 W. 167th St.; Fire Station No. 48, 9191 W. 175th St.; and Fire Station No. 49, 7801 W. 191st Street.

If a fire occurs during the holiday season in which decorations are determined to be involved, one of the red bulbs will be changed to a white bulb. This will serve as a reminder of the safety precautions that should be taken during the holidays.

Help "Keep the Wreath Red" and eliminate unwanted fires by providing a fire safe environment!
