

## **Village wins award for Annual Report**

Issued: Aug. 15, 2019

The Village recently learned that its submission of the Annual Report for fiscal year 2018 has met the requirements of the Government Finance Officers Association's (GFOA) Popular Annual Financial Reporting review program.

The Annual Report features information on various Village departments. The Village has now received the "trifecta" of awards offered by the GFOA related to financial reporting, including:

- Certificate of Achievement for Excellence in Financial Reporting
- Distinguished Budget Presentation Award
- Award for Outstanding Achievement in Popular Annual Financial Reporting

"This is no small feat and reflects the Village's commitment to transparency and disclosure," Village Treasurer Brad Bettenhausen said. "We should all be proud of this new recognition. Many thanks to all the Village departments that contributed to the Annual Report effort!"

Residents can read the most recent Annual Report on the Village website.
