

## **Call hotline for words of hope**

Issued: April 17, 2020

The Tinley Park Ministerial Alliance has created a hotline to give messages of hope to those who need it during this difficult time.

Residents can call (708) 444-5454 to hear a daily prerecorded message by a member of the Ministerial Alliance and, if they wish, to speak with someone. Alliance members will be manning the same phone line from noon to 1 p.m. Mondays through Fridays.

Call today and boost your spirits!
