

## **Fire Station 47 opens its doors**

Issued: July 10, 2020

The brand-new Fire Station 47 at 7825 W. 167th Street officially opened its doors on Monday, July 6!

The new station features bunk room facilities to accommodate constant occupancy of as many as six to eight firefighters; more privacy for showers and changing; upgraded safety and cancer prevention measures for staff that separate them from potentially dangerous equipment; more storage for gear; a fitness room; and high-quality, durable furnishings that can withstand constant use for years.
