

EEC seeks volunteers

Issued July 24, 2020

The Village is seeking additional volunteers to serve on the Environmental Enhancement Commission (EEC), which meets at 7 p.m. the second Tuesday of each month in the Kallsen Center at Village Hall.

Commissioners play an important role in their efforts to maintain and ensure a healthful environment for all residents, as well as for future generations. The EEC formulates, prepares and recommends to the Village Board a comprehensive plan and programs that will protect the right of each resident to a healthful environment.

Volunteering for a commission is a great way to get involved and make a positive impact on the community. If you're interested in serving, please submit a resume and a statement of interest to Hannah Lipman at hlipman@tinleypark.org.
