

'Benches' video now playing

Issued: Aug. 7, 2020

Get the skinny on this year's Benches on the Avenue in the latest episode of the "Discover Tinley" program, now playing on the [Village's YouTube channel](#) and on Tinley TV. Watch as host Garrett Gray profiles the benches and talks to the artists behind them!

After you're done watching the video, why not play the Village's new "Around the World" Scavenger Hunt? Just download and [print a game sheet](#) from the Village website and take it to Oak Park Avenue in Downtown Tinley. Use the clues provided on the game sheet to locate each bench, then examine the bench closely to answer the question beneath the clue.

Once you've filled out each one, just drop the game card off in the drop-box outside the Tinley Park Chamber of Commerce, 17316 S. Oak Park Ave. Those who answer all questions correctly will be entered into a drawing for some fun prizes, including one of this year's benches! All entries must be received by Oct. 1, 2020.
