

## **Winter weather reminders from the Village**

Issued: Feb. 5, 2021

The Village would like to remind residents to be prepared for the severe winter weather that's headed our way.

If you need to get out of the cold, the Village has a warming shelter open from 7 a.m. to 5 p.m. daily at the Tinley Park Senior Center, 17355 S. 68th Court. Due to COVID-19, appointments are required, and there are no overnight accommodations available.

Please also remember to shovel the sidewalks near your home, especially if you live near schools or other high-trafficked areas. Please be reminded that per Village ordinance, vehicles cannot be parked on any Village street when there is two inches or more of snowfall. Also please remember per ordinance not to throw snow into the street. This will greatly assist the Public Works Department with plowing the streets.

If you are a resident and need assistance, please call the Village's non-emergency number at (708) 532-9111.
