

Village to re-enforce parking ban

Issued: Feb. 17, 2021

In order to give Public Works crews enough space to clear the streets of snow effectively, the Village will be enforcing its parking ordinances, which were suspended during the COVID-19 pandemic to accommodate those who were sheltering at home and needed to park on the street.

As a reminder, Village ordinances prohibit overnight street parking from 2 to 5 a.m., as well as street parking during snowstorms. These ordinances will be reinstated effective immediately and will be in place until further notice.
