

Honor your favorite veteran with a banner

Issued: March 4, 2021

If you're looking to honor a friend or loved one who served in the military, the Village's Veterans Banner Program is the perfect way to show your love and respect!

The program is available to current and past residents of Tinley Park who have served or are serving in any branch of the military. Banners will honor local veterans by featuring their likeness, name, branch of the military and years of service.

Banners cost \$150 each and will be displayed in Veterans Plaza and along Timber Drive annually from Memorial Day to Veterans Day. Applications will be due every year on May 1. Banners are 30 inches wide and 60 inches tall, printed on both sides.

Read the [Veterans Banner Program Application](#) for submission guidelines or to order a banner for the veteran in your life.
