

Benches celebrate iconic albums

Issued: May 26, 2021

Check out this year's Benches on the Avenue and take an "Album Cover Tour" through some of the most iconic and memorable album covers of all time! Visitors to this year's benches can scan a QR code at each location to listen to a select song from the featured album.

Come out now until October along Oak Park Avenue from 172nd to 176th streets to rub elbows with the likes of Kiss, Fleetwood Mac, Chance the Rapper, Madonna, Led Zeppelin, the Weeknd, ZZ Top and many more!

The Benches on the Avenue program has become one of the Village's most popular attractions, drawing thousands of residents and visitors annually to Downtown Tinley. The colorful benches feature the work of both amateur and professional artists and provide spots to rest and enjoy the fantastic creations while strolling through town. Each bench is sponsored by a local business or individual, who takes possession of it after the program has ended.
