

Watering restrictions in effect

Issued: June 18, 2021

Due to the high temperatures expected this weekend, the Village would like to remind residents that water conservation measures are in effect now through September 15. This is to conserve water for fire protection, health and environmental reasons.

During this time, lawn sprinkling and outdoor water usage is only permitted from 7 to 11 a.m. and 7 to 11 p.m. on odd or even dates of the month depending on the last digit of the address for homes and businesses, including those with lawn irrigation systems.

Please call the Tinley Park Public Works Department at (708) 444-5500 if you don't know what days you are allowed to water. Learn more about water conservation [on the Village website](#).
