

2021 Annual Report now available

Issued: June 24, 2021

Visit TinleyPark.org/AnnualReport to download and read the 2021 Annual Report.

This year's edition features valuable information such as a breakdown of the Village budget, columns from Mayor Michael Glotz and Village Manager Dave Niemeyer, a summary of key developments across town, department updates, a listing of 2021 special events and much more!

In an effort to reduce costs, the 2021 Annual Report will not be printed and mailed to residents this year.
