

## **Village seeking commission volunteers**

Issued: July 2, 2021

Looking for a way to get more involved in the community? The Village's Sister Cities and Environmental Enhancement commissions are now accepting new members. If you think you have what it takes to be a dedicated volunteer, send an email with your resume and cover letter to Lisa Valley at [lvalley@tinleypark.org](mailto:lvalley@tinleypark.org) by Monday, July 12 to be considered for one of the open positions!

The Sister Cities Commission was created to exchange ideas, develop business ties and establish friendships between Tinley Park and its sister cities in Budingen, Germany; Mallow, Ireland; and Nowy Sacz, Poland.

The Environmental Enhancement Commission works to provide, maintain and ensure a healthful environment for all Tinley Park residents now and in the future.
