### **Woman robbed at gunpoint early Wednesday morning**

A man robbed a woman at gunpoint while a second man acted as a lookout early Wednesday morning at a senior living complex in the 18500 block of Pine Lake Drive.

The woman was pulling into her underground parking garage at about 1:23 a.m. July 28 when a man approached the passenger-side window and displayed a semi-automatic handgun. She tried to reverse out of the garage, but the man was able to reach in and take her purse and iPhone. The second man never approached the car and fled with the first man after the robbery.

After they'd left, the woman backed out of the garage to see where they'd gone, but both men were no longer visible. The offenders were described as white men in their late teens or early 20s.

Police are in the process of viewing video footage of the incident, and the case is still under investigation.
