

Tinley Wish helps families in need

Posted: Sept. 17, 2021

It's never too early to lend a helping hand to Tinley Wish, a nonprofit organization that raises money throughout the year for Tinley Park families in need. Each year, volunteers wrap gifts and join a parade of first responder vehicles to make the deliveries to selected families.

Know of a family that could use the help? Nominate them now through Nov. 10 by mailing a letter sharing their story to the Tinley Park Police Department, 7850 W. 183rd Street. Also, if you want to help out financially, just check the Tinley Wish box on your water bill or donate via PayPal.

Imagine helping someone who is facing the unthinkable! Together, we can help those community members who need it most! Visit www.tinleywish.org for more information.
