

How haunted is your house?

Posted: Sept. 23, 2021

Get those plastic skeletons and cardboard bats out of storage – the Village wants to see how spooky you can make your house this Halloween!

Take a picture of your fully-decorated home and send it, along with your name and address, to marketing@tinleypark.org by Wednesday, Oct. 6 to be included on an electronic story map that Halloween lovers will be able to use to visit each home.

Show us what you've got, Tinley Park!
