

## **Village to re-seal 80th Avenue station stairwells**

Posted: Oct. 20, 2021

The Village's epoxy contractor will re-seal several stairwells at the 80th Avenue Metra train station on Oct. 22 and 23.

Stairwells slated for work include the three closest to the main station doors on the south side. The Tinley Park Public Works Department will block off the stairwells with barricades and display signage directing commuters to the next applicable entrance/exit.

The epoxy company will be working from 8 a.m. to 3:30 p.m. both days, and Public Works remove all barricades and signage after the epoxy has cured.
