

Brudd scholarship open to students

Posted: March 18, 2022

The Village is once again offering the Reta Brudd Scholarship program, which consists of four \$1,000 scholarships for graduating seniors who are residents of Tinley Park and who will attend a higher education institution, including vocational or technical career schools, in the fall.

In addition to academic achievement, a substantial consideration in selecting winners will be how much community service the students have performed.

Applications are available from your local high school guidance counselor, or in limited quantities at Tinley Park Village Hall. Applications should be sent back to Village Hall and postmarked no later than April 6. Late applications will not be considered.

This year's sponsorships have been generously donated by NuWay Disposal; Peterson Johnson and Murray; Robinson Engineering and Christopher Burke Engineering.

The program is named in honor of Reta Brudd (pictured), who served as a commissioner for 46 years until her passing in April 2019. She contributed more than 20,000 hours of volunteer work and received many recognitions and awards, including a Life Achievement Award from the Tinley Park Chamber of Commerce.

For more information, call Village Hall at (708) 444-5000.
