

80th Avenue bridge work starts May 9

Posted: May 6, 2022

The Will County Division of Transportation has contracted with D Construction to perform repairs on the 80th Avenue bridge over Interstate 80 starting at 9 p.m. Monday, May 9.

Work will take as many as three nights to complete. During repairs, 80th Avenue will be closed to traffic from 9 p.m. to 5 a.m. Access to 186th and 189th streets will be maintained.

Will County is making repairs in an effort to decrease the maintenance needed on the bridge for the remainder of its useful life.
