The Tinley Park Police Department is looking for residents and homeowners' associations that would be interested in hosting beat meetings for their respective neighborhoods.

Police officers would be available to come and discuss safety tips, share information on upcoming events, consider crime prevention strategies and in general work with the public to ensure the Tinley Park community stays a safe place for families.

Interested in hosting a meeting in your neighborhood? Just send an email to Deputy Chief Larry Rafferty at lrafferty@tinleypark.org or call him at (708) 444-5300.
