

## **Village to vote on vehicle stickers**

Posted: Feb. 17, 2023

The Tinley Park Village Board will vote on rescinding a 1965 ordinance mandating vehicle stickers at its Tuesday, Feb. 21 Village Board meeting.

If the resolution passes, residents will no longer be required to purchase a vehicle sticker in Tinley Park. The Village will make free vehicle stickers available to residents who still would like to display them.

The issue was brought up thanks to the efforts of Mayor Michael Glotz and Clerk Nancy O'Connor, who wanted to find a way to save residents money.
