

# Village contacts CMS about TPMHC site

Posted: March 24, 2023

Village Attorney Michael Del Galdo on March 23 sent a letter to the Illinois Department of Central Management Services (CMS) outlining the benefits of Tinley Park purchasing the 280-acre Tinley Park Mental Health Center property from the State of Illinois.

Included with the letter was a new rendering of Tinley Park's vision for the property; letters of support from local organizations; and the environmental status and opinion letter conducted by Tetra Tech that determined what measures are needed to remediate the site.

See the entire packet [here](#).

FORMER TINLEY PARK MENTAL HEALTH CENTER
