

All aboard the Ale Trail Trolley

Posted: June 5, 2023

The [Tinley Park Ale Trail Trolley](#) is coming to help you enjoy all of the great breweries and wineries Tinley Park has to offer!

Two trollies will run from 5 to 10 p.m. Wednesdays starting June 7 through August 30 and includes stops at SIP Wine Bar, Flipside Brewing, the Open Bottle, Hailstorm Brewing Co., Soundgrowler and Hillgrove Tap. Banging Gavel will be added to the route when they open next month.

The route is continuous, so you can hop on or off at any stop along the way! There is convenient, free parking available at the Oak Park Avenue train station for those who want to catch the trolley at the SIP stop. Trollies will arrive at each stop about every 25 minutes, and one trolley is ADA-compliant. See a [map of the full route](#) for more details.

Also make sure to utilize rideshare opportunities after your trolley experience! Visit [Uber.com](#) or [Lyft.com](#) to schedule your ride home.

Please note that the Ale Trail Trolley isn't a bar crawl, rather it is a concept being tested this summer to determine whether or not a shuttle between Tinley Park wineries and breweries is beneficial to residents and visitors.
