

Tier 2 watering restrictions in effect

Posted: June 23, 2023

Due to the recent lack of rain, the Village of Tinley Park has entered Tier 2 (yellow) of its water conservations measures.

Now until further notice, lawn sprinkling and outdoor water usage is only allowed from 7 to 11 p.m. on odd or even days of the month depending on the last digit of the address for homes and businesses.

These measures are necessary in order to help prevent water shortages and to ensure there is a safe and plentiful supply of water for health, fire protection and environmental purposes.

Please call the Tinley Park Public Works Department at (708) 444-5500 if you're unsure which days you can water.
