

Hop on the Ale Trail Trolleys

Posted: July 21, 2023

Just a reminder that the Tinley Park Ale Trail Trolleys are running from 5 to 10 p.m. Wednesdays now through August 30.

Both trolleys make frequent stops throughout the afternoon and evening at SIP Wine Bar, Flipside Brewing, the Open Bottle, Hailstorm Brewing Co., Soundgrowler and Hillgrove Tap. Trolleys will arrive at each stop about every 30 minutes, and both trolleys are ADA-compliant.

As this is a very popular service and congestion at certain stops has become more commonplace, riders are encouraged to park at any of the below establishments and catch the trolley when it makes a stop at that location. Routes are continuous, so riders can simply take the trolley back to their cars when they're done for the evening. Stops include:

SIP Wine Bar

17424 S. Oak Park Ave., Tinley Park

Hailstorm Brewing Co.

8060 W. 186th St., Tinley Park

Flipside Brewing

7144 W. 183rd St., Tinley Park

Soundgrowler Brewing Co.

8201 W. 183rd St. Suite P, Tinley Park

The Open Bottle

7101 W. 183rd St., No. 105, Tinley Park

Hillgrove Tap

Banging Gavel will be added to the route when they open soon.
