FORCE MAJEURE EVENTS;  
REGULATORY EVENTS AND ADDITIONAL CHARGES, TAXES OR LEVIES

- 7.1 **Force Majeure Events.** The Supplier shall not be held in default under, or in noncompliance with, the provisions of the Agreement, nor suffer any enforcement or penalty relating to noncompliance or default (including termination, cancellation or revocation of the Franchise), where such noncompliance or alleged defaults occurred or were caused by a "Force Majeure Event," defined as a strike, riot, war, earthquake, flood, tidal wave, unusually severe rain or snow storm, hurricane, tornado or other catastrophic act of nature, labor disputes, or other event that is reasonably beyond the Supplier's ability to anticipate or control. Non-compliance or default attributable to a Force Majeure Event shall be corrected within a reasonable amount of time after the Force Majeure Event has ceased.
- 7.2 **Regulatory Event.** A "Regulatory Event" shall mean any time that any branch, agency, instrumentality, or court of the federal, regional (interstate), state, regional (inter-municipality), or local government takes an action that: (1) alters the market rules under which Supplier operates, including the magnitude or allocation of costs to Supplier, and (2) is applicable to similarly situated RES. For the purposes of this Agreement, "Regulatory Event" shall not include mere changes in market prices for any component of Full-Requirements Electric Supply Services, but would include changes in market prices due to changes in regulation of such components. For the avoidance of doubt, the following shall constitute a "Regulatory Event":
- a. **Illegality.** It becomes unlawful for a Party to perform any obligation under this Agreement due to the adoption of, or change in the interpretation of any applicable law by any judicial or government authority with competent jurisdiction.
  - b. **Adverse Government Action.** A regulatory, legislative or judicial body (A) requires a material change to the terms of this Agreement that materially and adversely affects a Party, (B) takes action that adversely and materially impacts a Party's ability to perform or requires a delay in the performance of this Agreement that either Party determines to be unreasonable, or (C) orders a change or modification that affects the Program such that either Party's obligations hereunder are materially changed, and the change is not deemed a Force Majeure Event.
  - c. **New Taxes/Legislative or Regulatory Charges/Surcharges.** Any new charges/surcharges, tax or increases in such tax, or an application of such tax to a new or different class of parties, which is enacted or levied on the Supplier, not recoverable by Supplier from Participating Customers pursuant to Section 7.3 below, and effective after the Execution Date, except federal and state

income taxes, employee taxes or other taxes assessed against the business of the Supplier or the delivery of services under this Agreement.

- 7.3 Occurrence of Regulatory Event. In the occurrence of a Regulatory Event that results in the imposition of a generally applicable additional charge, tax, or levy upon Supplier, and similarly situated RES, then Supplier will adjust the Price to reflect such additional charge, tax or levy by the following procedure:
- a. The Supplier shall provide written notice to the Municipality within 15 days after the occurrence of such action or inaction, of: (i) the nature of the action or inaction; (ii) the adjustment of the Price for the applicable Term and (iii) the date on which the price adjustment will become effective.
  - b. Within 15 days after receipt of the notice described in Section 7.3(a), the Municipality shall have the right to request a meeting with the Supplier to review the action or inaction, and the price adjustment, identified by the Supplier. The Supplier and the Municipality shall meet within five business days after delivery of such request to the Supplier, and shall cooperate in good faith to resolve any dispute regarding the price adjustment. Provided that nothing herein shall prevent the price adjustment from becoming effective on Participating Customers bills on the date noticed pursuant to 7.3(a) above.
  - c. The Supplier shall continue to provide the Services during any such negotiations, unless prohibited by law or regulation. This Section 7.3 shall not apply to any fine or penalty assessed against the Supplier as a result of any failure by the Supplier to comply with applicable laws and regulations.

## ARTICLE 8

### INDEMNIFICATION AND INSURANCE

- 8.1 Hold Harmless. The Supplier shall hold harmless the Municipality, its officers, employees, agents, and attorneys, from and against any third party injuries, claims, demands, judgments, damages, losses and expenses, including reasonable attorney's fees and costs of suit or defense, arising from the Supplier's provision of the Services, except to the extent caused by the negligence of the Municipality. This duty shall survive for all claims made or actions filed within one (1) year following either the expiration or earlier termination of this Agreement. For purposes of this Section, the word "timely" shall mean within a time period that does not cause prejudice to the respective positions of the Supplier and/or the Municipality.
- 8.2 Insurance. Contemporaneous with the Supplier's execution of this Agreement, the Supplier shall provide certificates of insurance, all with coverage and limits as set forth in Exhibit D to this Agreement. For good cause shown, the Municipality President, or his or her designee may extend the time for submission of the required policies of insurance upon such terms, and with such assurances of complete and prompt performance, as the Municipality President, or his or her designee may impose in the exercise of his sole discretion. Such certificates and policies shall be in a form acceptable to the Municipality. Such insurance policies shall provide that no change, modification in, or cancellation of, any insurance shall become effective until the expiration of 30 days after written notice thereof shall have been given by the insurance company to the Municipality. The Supplier shall, at all times during the term of this Agreement, maintain and keep in force, at the Supplier's expense, the insurance coverage provided above.

ARTICLE 9  
CONFIDENTIAL INFORMATION

- 9.1 **Confidential and Proprietary Information.** Notwithstanding anything to the contrary set forth herein, the Parties are not required to disclose information which they reasonably deem to be proprietary or confidential in nature. The Parties agree that any information disclosed by a Party and designated as proprietary and confidential shall only be disclosed to those officials, employees, representatives, and agents of the other Party that have a need to know in order to administer and enforce this Agreement. For purposes of this Section, the terms “proprietary or confidential” include, but are not limited to, information relating to a Party's corporate structure and affiliates, marketing plans, financial information unrelated to the calculation of the Price or rates pursuant to the Requirements of Law, or other information that is reasonably determined by a Party to be competitively sensitive. A Party may make proprietary or confidential information available for inspection but not copying or removal by the other Party's representatives. Compliance by the Municipality with the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. (hereinafter the “Illinois FOIA”), including compliance with an opinion or directive from the Illinois Public Access Counselor or the Illinois Attorney General under the Illinois FOIA, or with a decision or order of a court with jurisdiction over the Municipality, shall not be a violation of this Section.
- 9.2 **Ownership of Data and Documents.** All data and information, regardless of its format, developed or obtained under this Agreement (hereinafter the “Data”), other than the Supplier's confidential information, will be and remain the sole property of the Municipality. The Supplier must promptly deliver all Data to the Municipality at the Municipality's request. The Supplier is responsible for the care and protection of the Data until that delivery. The Supplier may retain one copy of the Data for the Supplier's records subject to the Supplier's continued compliance with the provisions of this Agreement. However, nothing in this Section shall prevent Supplier from retaining copies of such documentation and data as is needed to fulfill any Requirement of Law regarding record retention.
- 9.3 **Limitations on Customer Information.** Both Parties acknowledge and agree that the Customer Information is subject to, and must be maintained in compliance with, the limitations on disclosure of the Customer Information established by the Requirements of Law, including without limitation the Aggregation Statute, Section 16-122 of the Public Utilities Act, 220 ILCS 5/16-102, Section 2HH of the Consumer Fraud and Deceptive Business Practices Act, 815 ILCS 505/2HH, the ICC Order in Case No. 11-0434 issued April 4, 2012, and the provisions of ComEd's Tariff Rate GAP, and Parts 412 and 470 of the ICC's Rules. The Municipality shall warrant to ComEd that customer-specific information provided to the Municipality in accordance with the provisions of ComEd's Tariff Rate GAP shall be treated as confidential. To protect the confidentiality of Customer Information:
- 9.3.1 Supplier access to Customer Information is limited those authorized representatives of Supplier, or any third party, who have a need to know the information for purposes of this Agreement.
- 9.3.2 Supplier warrants that it will not disclose, use, sell, or provide Customer Information to any person, firm or entity for any purpose outside of the aggregation program, unless agreed to by the Municipality.
- 9.3.3 Supplier will comply with record retention and destruction Requirements of Law including but not limited to those in ComEd Rate GAP and Part 470 of the ICC's Rules.
- 9.4 **Proprietary Rights, Survival.** Each Party acknowledges the proprietary rights of the other Party in and to the Confidential Information. The obligations under this Article Nine shall survive the conclusion or termination of this Agreement for two (2) years.

## Community Solar Programs

Definitions: The following definitions from external sources are incorporated by reference.

- "Community Solar," or "CS," is a type of net metering that is available to customers pursuant to Section 16-107.5(l) of the Public Utilities Act [220 ILCS 5] and ComEd Rider POGCS [ILL C.C. No. 10, Sheet 344].
- "Subscriber" and "Subscription" are defined in Section 1-10 of the Illinois Power Agency Act [20 ILCS 3855]; "Subscriber" shall also incorporate the definition of "CS Subscriber" from ComEd Rider POGCS.
- "CS Beneficiary" is defined in ComEd Rider POGCS.
- "Energy Supply Rate" is defined below, and is intended to reflect an estimate of mc<sup>2</sup> costs to serve Customer net of capacity, transmission, and other costs.

- (1) **Community Solar Arranged By Supplier.** During the Term of this Agreement, Customer authorizes Supplier to enroll Customer in a Subscription for Community Solar in a facility of Supplier's choosing subject to the terms of this provision. Supplier shall provide Customer at least 30 days notice of its intent to enroll Customer in one or more Subscriptions; the customer may opt out within 15 days of the date of the notice by phoning Supplier at 877-622-7697 or emailing Supplier at info@mc2energyservices.com. Contemporaneous with the notice of intent to enroll Customer, Supplier shall provide the terms and conditions of the Subscription, plus any disclosures required by law. Supplier will not attempt to enroll Customer in one or more Subscriptions unless Supplier has a commercially reasonable belief that Customer will receive a credit resulting in a lower supply bill from Supplier with the Subscription(s) than without it (them). Supplier shall provide a basis for its commercially reasonable belief that Customer will save money in its notice of intent.
- (2) **Community Solar Arranged Independent Of Supplier.** To the extent that Customer is granted Subscriber or Beneficiary status by their utility with a CS project that Supplier did not arrange, the credit from Supplier to Customer pursuant to Section 16-107.5(l)(2) of the Public Utilities Act (e.g., the Energy Supply Rate) shall be no higher than \$0.02/kWh, unless otherwise specified in the Confirmation attached hereto. For each subscription or other interest in a CS project, Customer agrees to inform Supplier at least 30 days before the utility is informed of Customer's subscription or other interest. Customer need not take further action with mc<sup>2</sup> to effectuate such a subscription or other interest.

Without regard to whether Supplier arranged Customer's Community Solar, Customer acknowledges that mc<sup>2</sup> will provide credits to the customer based on information provided by the utility to the Regional Transmission Organization/RTO and/or mc<sup>2</sup>. Customer agrees to indemnify and hold harmless mc<sup>2</sup> for any errors made by the utility or Regional Transmission Organization/RTO in providing or communicating relevant credits and information to mc<sup>2</sup>.

## Notices

Except as otherwise set forth in this Agreement or required by applicable law, notices to be provided under this Agreement shall be by U.S. Mail to the mailing address provided or electronic to the email address if provided.

## Limitations of Liabilities

LIABILITIES NOT EXCUSED BY REASON OF FORCE MAJEURE OR OTHERWISE SHALL BE LIMITED TO DIRECT AND ACTUAL DAMAGES AS THE SOLE AND EXCLUSIVE REMEDY AND ALL OTHER REMEDIES OR DAMAGES EXPRESSLY WAIVED. NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL, OR INDIRECT DAMAGES. MC2S LIMITATIONS APPLY WITHOUT REGARD TO THE CAUSE OF ANY LIABILITY OR DAMAGE.

## Miscellaneous Provisions Waiver

A waiver by either Party of any breach of the Agreement, or failure of either Party to enforce any of the terms and provisions of the Agreement, will not in any way affect, limit or waive that Party's right to subsequently enforce and compel strict compliance with the same or other terms or provisions of the Agreement.

## Assignment

Neither Party may assign the Agreement, in whole nor in part, without the other Party's prior written consent, but neither party may unreasonably withhold consent. However, mc<sup>2</sup> may assign the Agreement to another ARES without Customer's prior consent but that ARES shall agree in writing to be bound by this Agreement.

## Force Majeure

If either Party is unable to perform its obligations, in whole or in part, due to an event of Force Majeure as defined herein, then the obligations of the affected Party (other than the obligations to pay any amounts due prior to the Force Majeure event) shall be suspended to the extent made necessary by such event. The term Force Majeure shall mean any act or event that is beyond the claiming Party's control (and which is not reasonably anticipated and prevented through the use of reasonable measures) including, without limitation, the failure of the Utility to receive, transport or deliver or otherwise perform, unless due to the failure of the Party claiming Force Majeure to perform such Party's obligations hereunder, and an event of Force Majeure of mc<sup>2</sup> suppliers. The Party suffering the event of Force Majeure shall give written notice of such event of Force Majeure in reasonably full particulars to the other Party, as soon as reasonably possible. Each Party shall make reasonable efforts to remedy Force Majeure as soon as possible. Force Majeure shall not include (i) the opportunity for mc<sup>2</sup> to sell the electricity to be sold under this Agreement to another party at a higher price than that set forth in the Agreement, (ii) the opportunity for Customer to purchase the electricity (or its Accounts from another party) at a lower price than that set forth in the Agreement, or (iii) the inability of either Party to pay its bills under the Agreement or any other of its bills.

## Entire Agreement Amendments

This Agreement constitutes the entire understanding between the Parties, and supersedes and replaces any and all previous understandings, oral or written, in any matter relating to this Agreement. This Agreement may be amended only upon mutual agreement of the Parties and will only be effective if the amendment is in writing and executed by the Parties.
