**A RESOLUTION APPROVING A CONTRACT BETWEEN THE VILLAGE OF**  
**TINLEY PARK AND SEWER ASSESSMENT SERVICES LLC FOR SMOKE**  
**TESTING SANITARY SEWERS AND MANHOLE INSPECTIONS.**

**WHEREAS,** the Village of Tinley Park, Cook and Will Counties, Illinois, is a Home Rule Unit pursuant to the Illinois Constitution of 1970; and

**WHEREAS,** the Corporate Authorities of the Village of Tinley Park, Cook and Will Counties, Illinois, have considered entering into an Agreement with Sewer Assessment Services, LLC., a true and correct copy of such Agreement being attached hereto and made a part hereof as **EXHIBIT 1**; and

**WHEREAS,** the Corporate Authorities of the Village of Tinley Park, Cook and Will Counties, Illinois, have determined that it is in the best interests of said Village of Tinley Park that said Agreement be entered into by the Village of Tinley Park;

**NOW, THEREFORE, Be It Resolved** by the President and Board of Trustees of the Village of Tinley Park, Cook and Will Counties, Illinois, as follows:

**Section 1:** The Preambles hereto are hereby made a part of, and operative provisions of, this Resolution as fully as if completely repeated at length herein.

**Section 2:** That this President and Board of Trustees of the Village of Tinley Park hereby find that it is in the best interests of the Village of Tinley Park and its residents that the aforesaid "Agreement" be entered into and executed by said Village of Tinley Park, with said Agreement to be substantially in the form attached hereto and made a part hereof as **EXHIBIT 1**, subject to review and revision as to form by the Village Attorney.

**Section 3:** That the President and Clerk of the Village of Tinley Park, Cook and Will Counties, Illinois are hereby authorized to execute for and on behalf of said Village of Tinley Park the aforesaid Agreement.

**Section 4:** That this Resolution shall take effect from and after its adoption and approval.

ADOPTED this 18th day of February, 2020, by the Corporate Authorities of the Village of Tinley Park on a roll call vote as follows:

**AYES:** Berg, Brady, Brennan, Galante, Glotz, Mueller

**NAYS:** None

**ABSENT:** None

**APPROVED** this 18th day of February, 2020, by the President of the Village of Tinley Park.

## VILLAGE OF TINLEY PARK

### SERVICE CONTRACT

This contract is by and between the **Village of Tinley Park**, an Illinois home-rule municipal corporation (the "Village"), and **Sewer Assessment Services** (the "Contractor"), for the project or work described in Exhibit A, attached hereto and made a part hereof.

1. In consideration of the compensation stated in paragraph 2, the Contractor shall provide all the services described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference. The express terms of this Contract shall take precedence and control over any term or provision of the Scope of Services (Exhibit A) that in any way conflicts with, differs from, or attempts to alter the terms of this Contract.
2. Except in the event of a duly authorized change order approved by the Village as provided in this Contract, and in consideration of the Contractor's final completion of all work in conformity with this Contract, the Village shall pay the Contractor an amount not to exceed **ninety eight thousand five hundred forty six and 72/100 Dollars (\$98,546.72)**. Within thirty (30) calendar days of completion of the work, the Contractor shall submit his application for payment to the Village, and the Village shall pay Contractor for the work performed no later than **thirty (30)** calendar days from the date of the Village's receipt and the Village's approval of the work and the application for payment. No payment shall be made by the Village until the Contractor has submitted to the Village (i) a Contractor's Affidavit listing all subcontractors and material suppliers utilized on the project and (ii) final waivers of lien from the Contractor, all subcontractors and all material suppliers.
3. No changes shall be made, nor will invoices for changes, alterations, modifications, deviations, or extra work or services be recognized or paid except upon the prior written order from authorized personnel of the Village. The Contractor shall not execute change orders on behalf of the Village or otherwise alter the financial scope of the Project.
4. Written change orders may be approved by the Village Manager or his designee provided that the change order does not increase the amount set forth in paragraph 2 of this Contract to more than \$10,000.00. Changes in excess of this amount must be approved by the Village Board prior to commencement of the services or work. **If a requested change causes an increase or decrease in the cost of or time required for the performance of the contract, Contractor will agree to an equitable adjustment in the contract price or performance schedule, or both. Neither party is obligated to comply with requested changes unless and until both parties execute a written change order.**
5. **Time is of the essence on this Contract.** The Contractor shall complete all work under this Contract by the dates set forth below:
6. No "Notice to Proceed" may be given nor any work commenced until this Contract is fully executed and all exhibits and other attachments are completely filled out and attached hereto.
7. It is understood and agreed by the parties that the Contractor is an independent contractor retained for the above-mentioned purpose. The Village shall not control the manner nor the means of the Contractor's performance, but shall be entitled to a work product as described herein. The term "subcontractor" shall mean and include only those hired by and having a direct contract with Contractor for performance of work on the Project. The

Village shall have no responsibility to any subcontractor employed by a Contractor for performance of work on the Project, and all subcontractors and material suppliers shall look exclusively to the Contractor for any payments due. The Village will **not** be responsible for reporting or paying employment taxes or other similar levies that may be required by the United States Internal Revenue Service or other State or Federal agencies. Every subcontractor shall be bound by the terms and provisions of this Contract as far as applicable to their work. The Contractor shall be fully responsible to the Village for the acts and omissions of its subcontractors, and shall ensure that any subcontractors perform in accordance with the requirements of this Contract. Nothing contained herein shall create any contractual or employment relations between any subcontractor and the Village. The Contractor is solely responsible for the safety procedures, programs and methods of its employees and agents and shall hold the Village harmless for any and all damages resulting from violations thereof. The Contractor shall comply with all applicable federal, State and local safety laws and regulations.

8. **It is further agreed that the Contractor shall indemnify, hold harmless, and defend the Village, its officers, agents, and employees from and against any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all expenses of litigation, court costs, and attorneys' fees, for injury to or death of any person or for damage to any property arising out of or in connection with the Contractor's negligence under this Contract.**
9. **The Contractor assumes full responsibility for the work to be performed hereunder and hereby releases, relinquishes, and discharges the Village, its officers, agents, and employees from all claims, demands, and causes of action of every kind and character, including the cost of defense thereof, for any injury to or death of any person and any loss of or damage to any property that is caused by, alleged to be caused by, arising out of, or in connection with the Contractor's negligence in its work to be performed hereunder. The Contractor shall maintain insurance coverage in an amount and from a carrier suitable to the Village, and the Village shall be named as an additional insured where required. Certificates of Insurance are attached hereto as Exhibit B.**
10. The Village is exempt from payment of state and local sales and use of taxes on labor and materials incorporated into the project. If necessary, it is the Contractor's responsibility to obtain a sales tax permit, resale certificate, and exemption certificate that shall enable the Contractor to buy any materials to be incorporated into the project and then resale the aforementioned materials to the Village without paying the tax on the materials at the time of purchase. In no event will the Village be liable for or pay any sales or use taxes incurred by the Contractor in performing the services under this contract.
11. The Contractor shall comply with all applicable federal, state, and local statutes, regulations, ordinances, and other laws, including but not limited to the Immigration Reform and Control Act (IRCA). The Contractor may not knowingly obtain the labor or services of an unauthorized alien. The Contractor, not the Village, must verify eligibility for employment as required by IRCA.
12. At any time, the Village may terminate this Contract for convenience, upon written notice to the Contractor. The Contractor shall cease work immediately upon receipt of such notice. The Contractor shall be compensated for services performed and accepted by the Village up to the date of termination.

13. No waiver or deferral by either party of any term or condition of this Contract shall be deemed or construed to be a waiver or deferral of any other term or condition or subsequent wavier or deferral of the same term or condition.
14. This Contract may only be amended by written instrument approved and executed by the parties.
15. This Contract and the rights and obligations contained herein may not be assigned by the Contractor without the prior written approval of Village.
16. The parties hereby state that they have read and understand the terms of this Contract and hereby agree to the conditions contained herein.
17. This Contract has been made under and shall be governed by the laws of the State of Illinois. The parties agree that performance and all matters related thereto shall be in Cook County, Illinois.
18. Contractor, its employees, associates or subcontractors shall perform all the work hereunder. Contractor agrees that all of its associates, employees, or subcontractors who work on this Project shall be fully qualified and competent to do the work described hereunder. Contractor shall undertake the work and complete it in a timely manner.
19. If any provision of this Contract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court of competent jurisdiction finds that any provision of this Contract is invalid or unenforceable, but that by limiting such provision it may become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.
20. This Contract represents the entire and integrated agreement between the Village and Contractor and supersedes all prior negotiations, representations, or agreements, either written or oral.
21. This Contract will be effective when signed by the last party whose signing makes the Contract fully executed.
22. The Contractor agrees to comply with the Illinois Prevailing Wage Act, if the work to be performed under this Contract is covered by said Act.
23. The Contractor agrees to comply with the Illinois Substance Abuse Prevention on Public Works Projects Act.

## CERTIFICATIONS BY CONTRACTOR

### Eligibility to Contract

The undersigned hereby certifies that the Contractor is not barred from bidding on or entering into this contract as a result of a violation of either the bid-rigging or bid-rotating provisions of Article 33E of the Criminal Code of 1961, as amended.

**Certificate of Compliance with Prevailing Wage Requirements**

The undersigned hereby certifies that:

This contract calls for the construction of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01 et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Department publishes the prevailing wage rates on its website at <http://www.state.il.us/agency/idol/rates/rates.HTM>. The Department revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

Attention: Mr. Colby Zemaitis, PE  
Village Engineer

Re: Sanitary Sewer Inflow and Infiltration Investigations (I/I)  
RFP#2018-RFP-005  
Contract Renewal

Dear Mr. Zemaitis,

Sewer Assessment Services, LLC (SAS) is interested in renewing the referenced project for 2020. The original contract dated June 15, 2018 was for smoke testing an estimated 77,000 linear feet of sanitary sewer for the unit price of \$0.54 a foot. A Level 1/2 (blended) Manhole Assessment and Certification Program (MACP) inspection and a GPS location was to be taken of all affected manholes as part of that fee. SAS actually tested 93,110 feet, an additional 20%. Based on the smoke testing results, any storm connections suspected of having a cross connection to the sanitary sewer were to be dyed water flooded (DWF) and televised by National Power Rodding (NPR) for the following amounts:

Catch basin leads	\$ 200.00 each
Storm line segments (8" to 12")	\$1,100.00 each
Storm line segments (15" to 33")	\$1,300.00 each
Storm line segments (36" to 48")	\$1,500.00 each
Ditch line Setups	\$1,100.00 each
Sewer Cleaning and Televising	\$3.00 per LF

The above DWF and televising prices were provided by NPR, but there were only a few segments needing to be televised. SAS flooded some of those with the Village televising the lines instead of NPR to lower costs.

It is assumed that NPR will not take part in this contract renewal. In fact, if SAS performs any DWF while the Village performs the televising, SAS will perform the DWF at the following fee schedule:

Tinley Park 2020 Contract Renewal

Catch basin leads	\$ 206.00 each
Storm line segments (8" to 12")	\$ 600.00 each
Storm line segments (15" to 33")	\$ 950.00 each
Storm line segments (36" to 48")	\$1,545.00 each
Ditch line Setups	\$ 750.00 each

Per the original contract, SAS is asking for a 3% increase in the smoke testing price. The estimated cost for the proposed 2020 project is as follows:

Smoke Testing Primary Area 113,527 LF at \$0.56 per foot	\$63,575.12 total
Smoke Testing Additional Area 26,735 LF at \$0.56 per foot	\$14,971.60 total
DWF and Televising Not-to Exceed Cost	\$20,000.00
Total Project Cost	<b>\$98,546.72</b>

SAS would be able to initiate the smoke testing project in May or June with the manhole inspections and GPS work starting earlier if weather allows.

Respectfully Submitted,  
SEWER ASSESSMENT SERVICES, LLC

Allan J. Berkner, P.E.

Tinley Park, IL 60477

Attention: Colby Zemaitis, PE, CFM  
Village Engineer

Subject: Sanitary Sewer Inflow and Infiltration (I/I) Investigations  
RFP #2018-RFP-005  
2020 Contract Renewal Recommendation  
(CBBEL #160373.00002)

Dear Mr. Zemaitis,

Christopher B. Burke Engineering, Ltd. (CBBEL) understands that the Village would like to renew its contract with Sewer Assessment Services, LLC (SAS) for smoke testing, manhole inspection and dyed water flooding services. The original contract executed by the Village and SAS (dated June 15, 2018) was for the smoke testing of 77,000 lineal feet of Village sanitary sewers plus various setups for dyed-water flooding to investigate infiltration and inflow (I&I) into the Village's sanitary sewer system. The contract included the option to renew the contract with a pre-determined cost increase.

SAS completed the original contract to the satisfaction of the Village and the cost of the work was well below the project budget. The deliverables prepared by SAS were found to be sufficient and provided necessary information for the Village to continue long-term planning of maintenance and potential capital projects for the sanitary system.

If a renewal is approved, the Village has indicated that they would like to focus on an area in the northwest part of the Village which will be divided into two areas; a Primary and Alternate Area. Smoke testing and manhole inspection will be completed for the entire Primary Area, and if budgets allow, the Village will authorize SAS to continue the work in the Alternate Area. Maps of the Primary and Alternate Areas have been included for your reference.

Per the Village's GIS data, the Primary area contains approximately 113,527 lineal feet of various size sanitary sewers and the Alternate Area contains approximately 26,735 lineal feet. In accordance with the original contract with SAS, a 3% cost increase can be included for each renewal year (2 years maximum). Estimated costs for this project can be seen below.

Pay Item	Units	Quantity	Unit Price	Total Price
<b>Smoke Testing</b>				
Smoke Testing (Primary Area)	LF	113,527	\$0.56	\$ 63,575.12
Smoke Testing (Additional Area)	LF	26,735	\$0.56	\$ 14,971.60
<b>Dyed-Water Flooding*</b>				
Catch Basin Leads	EACH		\$206.00	
Storm Line Setups (8"-12")	EACH		\$600.00	
Storm Lead Setups (15"-33")	EACH		\$950.00	
Storm Lead Setups (36"-48")	EACH		\$1,545.00	
Ditch Line Setups	EACH		\$750.00	
Dyed-Water Flooding Not-to-Exceed Total**				\$ 20,000.00
<b>Estimated Renewal Total</b>				<b>\$ 98,546.72</b>

\*Updated unit prices provided by SAS February 4, 2020 – Prices assume Village will perform necessary Televising

\*\*Contingency

CBBEL has reviewed the original contract between the Village and SAS, along with the deliverables from SAS's previous work for the Village and find it acceptable to renew the contract for additional work in the Village. CBBEL recommends renewing the contract with the 3% cost increase to complete smoke testing, manhole inspections and dyed-water flooding (as-needed) in the Primary area, with the option to include the Alternate area if budgets allow. If approved, it is recommended that a contingency be added into a not-to-exceed price to cover costs for any additional sanitary sewer footage not represented in the GIS data. This situation occurred during the 2019 contract work.

If you have any questions or concerns, please do not hesitate to call.

Sincerely,

Alex Schaefer, PE  
Project Engineer
