RESOLUTION NO. 2021-R-045

APPROVING A CONTRACT BETWEEN THE VILLAGE OF TINLEY PARK AND SEWER ASSESSMENT SERVICES FOR SMOKE/DYE TESTING AND MANHOLE INSPECTIONS

WHEREAS, the Village of Tinley Park, Cook and Will Counties, Illinois, is a Home Rule Unit pursuant to the Illinois Constitution of 1970; and

WHEREAS, the Corporate Authorities of the Village of Tinley Park, Cook and Will Counties, Illinois, have considered entering into a Contract with Sewer Assessment Services, a true and correct copy of such Contract being attached hereto and made a part hereof as **EXHIBIT 1**; and

WHEREAS, the Corporate Authorities of the Village of Tinley Park, Cook and Will Counties, Illinois, have determined that it is in the best interests of said Village of Tinley Park that said Contract be entered into by the Village of Tinley Park;

NOW, THEREFORE, Be It Resolved by the President and Board of Trustees of the Village of Tinley Park, Cook and Will Counties, Illinois, as follows:

Section 1: The Preambles hereto are hereby made a part of, and operative provisions of, this Resolution as fully as if completely repeated at length herein.

Section 2: That this President and Board of Trustees of the Village of Tinley Park hereby find that it is in the best interests of the Village of Tinley Park and its residents that the aforesaid "Contract" be entered into and executed by said Village of Tinley Park, with said Contract Extension to be substantially in the form attached hereto and made a part hereof as **EXHIBIT 1**, subject to review and revision as to form by the Village Attorney.

Section 3: That the President and Clerk of the Village of Tinley Park, Cook and Will Counties, Illinois are hereby authorized to execute for and on behalf of said Village of Tinley Park the aforesaid Contract.

Section 4: That this Resolution shall take effect from and after its adoption and approval.

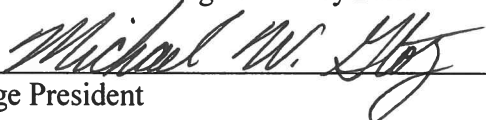

ADOPTED this 1st day of June, 2021, by the Corporate Authorities of the Village of Tinley Park on a roll call vote as follows:

AYES: Brady, Brennan, Galante, MAhoney, Maueller, Sullivan

NAYS: None

ABSENT: None

APPROVED this 1st day of June, 2021, by the President of the Village of Tinley Park.

Village President

ATTEST:

Deputy Village Clerk

Re: Sanitary Sewer Inflow and Infiltration Investigations (I/I)
RFP#2018-RFP-005
Contract Renewal

Dear Mr. Fitzpatrick,

Sewer Assessment Services, LLC (SAS) is interested in renewing the referenced project for 2021. The original contract dated June 15, 2018 provided for the renewal of the contract for two additional years, allowing 3% annual price increases. In 2020, 136,460 linear feet of sanitary sewer out of the estimated 140,262 linear feet of sanitary sewer was tested for the unit price of \$0.56 a foot. A Level 1/2 (blended) Manhole Assessment and Certification Program (MACP) inspection and a GPS location was taken of all affected manholes as part of that fee. Based on the smoke testing results, any storm connections suspected of having a cross connection to the sanitary sewer were to be dyed water flooded (DWF) and televised by National Power Rodding (NPR) for the following 2020 amounts:

Catch basin leads	\$ 206.00 each
Storm line segments (8" to 12")	\$ 600.00 each
Storm line segments (15" to 33")	\$ 950.00 each
Storm line segments (36" to 48")	\$1,545.00 each
Ditch line Setups	\$ 750.00 each
Sewer Cleaning and Televising	\$3.00 per LF

The original DWF and televising prices were provided by NPR, but there was only one defect found in 2020 relating to the storm system and being a manhole defect no further work was required.

It is assumed that NPR will not take part in this contract renewal either. In fact, if SAS performs any DWF while the Village performs the televising, SAS will perform

Tinley Park 2021 Contract Renewal

the DWF at the following fee schedule:

Catch basin leads	\$ 212.18 each
Storm line segments (8" to 12")	\$ 618.00 each
Storm line segments (15" to 33")	\$ 978.50 each
Storm line segments (36" to 48")	\$1,591.35 each
Ditch line Setups	\$ 772.50 each

Per the original contract, SAS is asking for a 3% increase in the smoke testing price. The estimated cost for the proposed 2021 project is as follows:

Smoke Testing Primary Area 95,382 LF at \$0.58 per foot	\$55,321.56 total
DWF and Televising Not-to Exceed Cost	\$20,000.00
Total Project Cost	\$75,321.56

SAS would be able to initiate the smoke testing project in June with the manhole inspections and GPS work starting earlier if weather allows.

Respectfully Submitted,
SEWER ASSESSMENT SERVICES, LLC

Allan J. Berkner, P.E.
