Attention: John Urbanski – Public Works Director

Subject: Professional Engineering Services Proposal
Design and Construction Engineering
Dorothy Lane Water Main Replacement
Tinley Park, Illinois

Dear Mr. Urbanski:

Christopher B. Burke Engineering, Ltd. (CBBEL) is pleased to submit this proposal for professional design and construction engineering services related to Dorothy Lane Water Main Replacement in the Village of Tinley Park. Included in this proposal are our Understanding of the Assignment, Schedule, Scope of Work and Estimate of Fee.

UNDERSTANDING OF THE ASSIGNMENT

We understand the scope of this proposal will include design and construction engineering services related to the construction of a new 8-inch water main on Dorothy Lane from Oketo Avenue to 169th Street, 169th Street from Dorothy Lane to Odell Avenue and Odell Avenue from 169th Street to 170th Street. The total project length is estimated to be approximately 1,100 feet. We understand that this project will be entirely locally funded.

The new water mains will replace the existing water mains that have reached the end of their useful life. The project will also include new valve vaults, fire hydrants, water service connections, pavement patching (centerline to edge of pavement) and restoration.

For the purposes of this proposal, CBBEL assumes that new water service boxes will be provided for all existing services, and new water services will be installed from the new water main to the new water service boxes near the existing roadway right-of-way. If encountered, existing lead services will be replaced on private property to the interior water meter or 18-inches inside the structure, whichever is less.

This proposal assumes that no easements will be required to construct the project.

The scope of this proposal includes topographic survey, geotechnical investigation and LPC-663 analysis, utility coordination, final engineering design, preparation of construction plans and specifications, preparation of an Engineer's Opinion of Probable Cost, permitting, bidding assistance, preconstruction activities, construction observation and project closeout.

SCHEDULE

This proposal assumes that the design of this project will be awarded in November 2021 and engineering design completed in time to accommodate the Village's desired Summer 2022 bid advertisement.

SCOPE OF WORK

DESIGN ENGINEERING

Task 1 – Project Survey and Base Sheets: CBBEL will perform topographic survey of Dorothy Avenue (from Oketo Avenue to 169th Street), 169th Street (from Dorothy lane to Odell Avenue), and Odell Avenue (from 170th Street to 169th Street), along with side street overlap, for a total of 1,330 LF for the Project Area. CBBEL will perform the following survey tasks:

Included are the following survey tasks:

1. Horizontal Control: Utilizing state plane coordinates, CBBEL will tie into NGS Monumentation control utilizing state of the art GPS equipment. Horizontal Datum will correlate with established/existing NGS control monuments (NAD '83 (2011), Illinois East Zone 1201).
2. Vertical Control: Establish site benchmarks for construction purposes, tied to the NAVD '88 Vertical Datum. State-of-the-art G.P.S. equipment will be used to establish benchmarks and assign a vertical datum on the horizontal control points. This will be based on GPS observed NGS Monumentation (NAVD '88 Datum).
3. Field recon and survey to locate existing monumentation and boundary evidence.
4. Research at the Cook County Recorder's on-line web site. Analyze Record and Field Data necessary to compute approximate right-of-way.
5. CBBEL will field locate all pavements, driveways, bike path, curb and gutters, pavement markings, signs, manholes, utility vaults, drainage structures, utilities, driveway culverts, crossroad culverts, etc. within the project limits. Field location of all above ground utilities including, but not limited to: water, sanitary sewer, storm sewer, telephone, electric, cable and gas, etc. Identify size, type, rim, and invert elevations.

6. All isolated trees of 6-inch caliper or greater to be surveyed within Project Area, & Tree Line only of forested areas. Provide tree size, location and elevation of isolated trees outside of forested areas, on survey.
7. Office calculations and plotting of field and record data.
8. Cross Sections: CBBEL will survey cross sections along the project limits at 50' intervals, at driveways, and at all other grade controlling features.
9. Utility Survey and Coordination: All existing storm and sanitary sewers will be surveyed to determine rim elevations. Above ground facilities of any additional underground utilities including water main, gas, electric, cable, etc. will also be located. No JULIE Utility Survey Coordination is included in this task.
10. Office contouring of field data and one-foot contour intervals.
11. Drafting of an Existing Conditions Plan at a scale of 1"=20'.
12. Base Mapping: CBBEL will compile all of the above information onto one base map at 1"=20' scale that is representative of existing conditions for use as the base sheet for the construction of any public or private infrastructure subsequent to the findings of engineering/drainage analysis.

**NOTE: Boundary/Land Acquisition Survey, Plats of Easement, and Right-of-Way/Plat of Highway Scope of Services are not included in this proposal.*

Task 2 – Utility Coordination: CBBEL will coordinate with JULIE to retrieve atlas information for all applicable underground utilities including water main, gas, electric, cable, etc. CBBEL will compile all Utility Atlas information into the base map. Locations of existing utilities/obstructions/systems shown on the base map are the compilation of available utility plans provided by utility owners and JULIE Utility Coordination. All utilities/obstructions/systems may not be shown.

Based on existing utility information obtained and drafted into the existing conditions base map, CBBEL will provide preliminary and final plans to the utility companies to verify their locations and confirm any potential conflicts. CBBEL will identify potential conflicts and coordinate any relocations if necessary.

Task 3 – Geotechnical Investigation and LPC-663 Analysis: CBBEL's subconsultant, Seeco Consultants (Seeco), will obtain three (3) soil borings to determine the existing cross-section of the pavements and subsurface soil conditions within the project area. Borings will be drilled to a depth of approximately ten (10) feet. Seeco will prepare a report describing existing soil conditions and make recommendations for remediation. The report will be prepared by a soils engineer and reviewed by CBBEL.

The soil will also be tested for potential contaminants. Seeco will perform investigation and testing work necessary to substantiate completion of IEPA Form LPC-663. This work will include collection/preservation of soil samples and conducting a search to identify any Potentially Impacted Properties (PIPs). Seeco will perform the requisite pH

test and additional required testing to provide signed LPC-663 form to the Village for use during construction.

Task 4 – Pre-Final Plans, Specifications and Estimate (75%): CBBEL will prepare pre-final contract documents consisting of plans, specifications, estimate of time, status of utilities to be adjusted and an estimate of construction cost. The plans will be prepared in accordance with Village and IDOT design criteria.

CBBEL will use IDOT standard pay items or Village standard special provisions where applicable. Otherwise, project-specific special provisions will be written as needed. Plans, special provisions, and the estimate of cost will be submitted to the Village and any review agencies for review.

The following sheets and associated staff hours will be required:

Sheet	# of Sheets	Hours per Sheet	Hours
Title Sheet	1	2	2
General Notes/Summary of Quantities	1	4	4
Alignment, Ties and Benchmark Sheets (1"=50')	1	4	4
Typical Sections	1	6	6
Existing Conditions and Removals Plan (1"=20')	2	10	20
Utility Plan and Profile (1"=20')	3	20	60
Construction Details	2	4	8
Specifications	--	--	24
Cost Estimate/Quantities	--	--	24
TOTAL	11		152

Task 5 – IEPA Water Main Construction Permitting: CBBEL will prepare and submit an IEPA construction permit application for all water main improvements associated with the project. CBBEL will make revisions to plans and specifications based on comments received by IEPA. If applicable, permit application fees are not included in this task and shall be paid by the Village outside of this agreement.

Task 6 – Final Plans, Specifications and Estimate (100%): CBBEL will make revisions to the pre-final submittal based on Village and any review agency final review comments. The requested number of copies of plans and specifications will be submitted the Village and any review agencies for their files. A final estimate of cost and estimate of required working days will also be submitted. In addition to printed copies, we will provide the plans, specifications and estimate to the Village in electronic format (CAD and PDF).

Task 7 – Bidding Assistance: CBBEL will perform the following Bidding Assistance services:

- Advertisement – CBBEL will prepare the bid advertisement (to be published by Village), electronically distribute plans and specifications to all bidders, and hold a bid opening and pre-bid meeting (if required).
- Preparation of Addenda – CBBEL will field bidder questions and requests for clarification. Based on these questions and request, CBBEL will prepare addenda as necessary to respond to the questions presented. Addenda will be issued to the Village for distribution to the bidders.
- Bid Evaluation Assistance – CBBEL will attend the bid opening and evaluate the bids and bidders to determine if the bids were submitted in accordance with the contract documents and if the bidders are qualified to perform the work.
- Award Recommendation – Base upon the Bid Evaluation, CBBEL will provide a recommendation to the Village for award of the construction contracts including a spreadsheet tabulation of all bids received and opened.
- Contract Administration – CBBEL will assist the Village in preparation of contracts and execution of the contracts and review of contract-related documents provided by the successful bidder.

Task 8 – Project Coordination and Meetings: CBBEL will coordinate with the Village and project stakeholders throughout the design and permitting of the project. In addition to phone conversations and written and electronic coordination, it is anticipated that two (2) project coordination meetings will be held with Village Staff. CBBEL will prepare agendas, presentations and meeting exhibits as requested by the Village. Following attendance at each meeting, CBBEL will prepare meeting summaries.

This proposal assumes that no public involvement will be required during the final design of this project, so preparation for or participation in public involvement efforts undertaken by the Village has been excluded from this task.

CONSTRUCTION ENGINEERING

Task 1 – Pre-Construction Services: CBBEL Construction Staff will attend a pre-construction conference with the Contractor, Village, and other parties. CBBEL will prepare and circulate the meeting minutes. At the pre-construction conference, CBBEL will obtain from the Contractor a list of proposed suppliers and Subcontractors and will make recommendations to the Village regarding the suitability of the Subcontractors for the proposed work. CBBEL will review the construction schedule submitted by the Contractor for compliance with the contract. A job box will be set up to retain any necessary documents that will be required during construction. CBBEL will also assist the Village and Contractor to coordinate with utilities that need to be relocated to facilitate construction of the project.

Task 2 – Construction Observation: CBBEL will provide one full-time Resident Engineer for the project duration. This task corresponds to the work necessary to meet final completion in Fall 2022. Construction observation for this work will include:

- Observe the progress and quality of the executed work and determine if the work is proceeding in accordance with the Contract Documents. The Engineer will keep the Village informed of the progress of the work, guard the Village against defects and deficiencies in the work, advise the Village of all observed deficiencies of the work, and will disapprove or reject all work failing to conform to the Contract Documents.
- Serve as the Village's liaison with the Contractor working principally through the Contractor's field superintendent.
- Check the Contractor's layout and verify the profile and alignment of the water main improvements.
- Be present whenever the Contractor is performing work on the project.
- Assist contractors in dealing with any outside agencies.
- Coordinate with the Water Department and the Contractor all testing of the water main.
- Coordinate the Quality Control (QC) and Quality Assurance (QA) requirements between the Contractor and Village's testing company.
- Review the Contractor's schedule on a weekly basis. Compare actual progress to Contractor's approved schedule. If the project falls behind schedule, work with the Contractor to determine the appropriate course of action to get back on schedule. Provide weekly updates to the Village regarding progress and upcoming work.
- Maintain orderly files for correspondence, reports of job conferences, shop drawings and other submissions, reproductions or original contract documents including all addenda, change order and additional drawings issued subsequent to the award of the contract.
- Record the names, addresses and phone numbers of all contractors, subcontractors and major material suppliers in the diary.
- Keep an inspector's daily report book as outlined in the IDOT Project Procedures Guide, which shall contain a daily report and quantity of hours on the job site, weather conditions, list of visiting officials, daily activities, job decisions and observations as well as general and specific observations and job progress.
- Prepare payment requisitions and change orders for the Village's approval, review applications for payment with the Contractor for compliance with established procedures for their submission and forward them with recommendations to the Village.
- Except upon written instructions of the Village, the Resident Engineer or Inspector shall not authorize any deviation from the Contract Documents.

Task 3 – Project Meetings: The Resident Engineer will attend all construction conferences. CBBEL will arrange a schedule of progress meetings and other job conferences as required. CBBEL will prepare, circulate, and maintain copies of meeting minutes.

Task 4 – Project Closeout: CBBEL Construction Staff will coordinate and conduct the final inspection with the Village and prepare a final punchlist. CBBEL will verify that all the items on the final punchlist have been corrected and make recommendations to the Village concerning acceptance. CBBEL will review the Contractor’s “as-built” record drawings for accuracy, content, and acceptance.

Quality Control (QC) materials testing will be the responsibility of the Contractor. Quality Assurance (QA) materials testing, if required, is to be provided by a subconsultant with whom the Village contracts with separately.

CBBEL shall not have control over or charge of and shall not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work since these are solely the Contractor’s responsibility under the contract for construction.

BLANKET ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies, or in connection with premises owned by or rented to you.

The person or organization does not qualify as an additional insured:

- c. With respect to the independent acts or omissions of such person or organization; or
- d. For "bodily injury", "property damage" or "personal injury" for which such person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- e. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.
- f. This insurance does not apply to the rendering of or failure to render any "professional services".
- g. In the event that the Limits of Insurance of the Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement does not increase the limits of insurance described in Section III – Limits Of Insurance.

- h. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph 4.a. of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:

The insurance provided to the additional insured is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured which covers that person or organizations as a named insured for such loss, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have signed that "written contract requiring insurance". But this insurance provided to the additional insured still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any other insurance.

COMMERCIAL GENERAL LIABILITY

3. The following is added to Paragraph 8., **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**:

We waive any right of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, done under a "written contract requiring insurance" with that person or organization. We waive this right only where you have agreed to do so as part of the "written contract requiring insurance" with such person or organization signed by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

4. The following definition is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

- a. After you have signed that written contract;
- b. While that part of the written contract is in effect; and
- c. Before the end of the policy period.

BUSINESS AUTO COVERAGE FORM

PROVISIONS

1. The following is added to Paragraph A.1.c., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Covered Autos Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

2. The following is added to Paragraph B.5., **Other Insurance** of **SECTION IV – BUSINESS AUTO CONDITIONS**:

Regardless of the provisions of paragraph a. and paragraph d. of this part 5. **Other Insurance**, this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

A. BROAD FORM NAMED INSURED

The following is added to Paragraph A.1., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph c. in A.1., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damages to which

this insurance applies and only to the extent that person or organization qualifies as an "insured" under the **Who Is An Insured** provision contained in Section II.

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph A.1., **Who Is An Insured**, of **SECTION II – COVERED AUTOS LIABILITY COVERAGE**:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph b. in B.5., **Other Insurance**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

- b. For **Hired Auto Physical Damage Coverage**, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your

COMMERCIAL AUTO

permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. EMPLOYEES AS INSURED

The following is added to Paragraph A.1., **Who Is An Insured**, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph A.2.a.(2), of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

(2) Up to \$3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph A.2.a.(4), of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

The following replaces Subparagraph (5) in Paragraph B.7., **Policy Period, Coverage Territory**, of SECTION IV – BUSINESS AUTO CONDITIONS:

(5) Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Covered Autos Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

(a) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:

(i) You must arrange to defend the "insured" against, and investigate or settle any such claim or "suit" and keep us advised of all proceedings and actions.

(ii) Neither you nor any other involved "insured" will make any settlement without our consent.

(iii) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".

(iv) We will reimburse the "insured" for sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph C., **Limits Of Insurance**, of SECTION II – COVERED AUTOS LIABILITY COVERAGE.

(v) We will reimburse the "insured" for the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph C., **Limits Of Insurance**, of SECTION II – COVERED AUTOS LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.

(b) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess, contingent or on any other basis.

(c) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its territories and possessions, Puerto Rico and Canada.

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

- (d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

G. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph D., **Deductible**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

The following replaces the last sentence of Paragraph A.4.b., **Loss Of Use Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

However, the most we will pay for any expenses for loss of use is \$65 per day, to a maximum of \$750 for any one "accident".

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph A.4.a., **Transportation Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

The following is added to Paragraph A.4., **Coverage Extensions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Personal Property

We will pay up to \$400 for "loss" to wearing apparel and other personal property which is:

- (1) Owned by an "insured"; and

- (2) In or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto".

No deductibles apply to this Personal Property coverage.

K. AIRBAGS

The following is added to Paragraph B.3., **Exclusions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Exclusion 3.a. does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs A.1.b. and A.1.c., but only:

- a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;
- b. The airbags are not covered under any warranty; and
- c. The airbags were not intentionally inflated.

We will pay up to a maximum of \$1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

The following is added to Paragraph A.2.a., of **SECTION IV – BUSINESS AUTO CONDITIONS**:

Your duty to give us or our authorized representative prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

- (c) A member (if you are a limited liability company);
- (d) An executive officer, director or insurance manager (if you are a corporation or other organization); or
- (e) Any "employee" authorized by you to give notice of the "accident" or "loss".

M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph A.5., **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by

COMMERCIAL AUTO

such contract. The waiver applies only to the person or organization designated in such contract.

N. UNINTENTIONAL ERRORS OR OMISSIONS

The following is added to Paragraph B.2., **Concealment, Misrepresentation, Or Fraud**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

The unintentional omission of, or unintentional error in, any information given by you shall not prejudice your rights under this insurance. However this provision does not affect our right to collect additional premium or exercise our right of cancellation or non-renewal.
