EXHIBIT 1

AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement is made and entered into this 21st day of June, 2022 ("Effective Date"), between the Village of Tinley Park, Illinois ("Village"), located at 16250 South Oak Park Avenue, Tinley Park, IL 60477, and Robinson Engineering, Ltd. ("Consultant"), collectively the "Parties" for the following project:

I. Services

- A. Consultant agrees to provide, as an independent contractor to the Village, the professional services included in Exhibit A, attached hereto and made a part hereof, as well as such other or incidental services as may be necessary to carry out said professional services, as well as any other professional services requested by the Village as mutually agreed to by the parties (hereafter the "Service"). The standard of care for all professional engineering and related services performed or furnished by Consultant under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality in compliance with applicable laws, ordinances and regulations. The express terms of this Agreement shall take precedence and control over any term or provision of any Exhibit that in any way conflicts with, differs from, or attempts to alter the terms of this Agreement.
- The Services shall be provided by employees of Consultant, who are experienced, certified, and/or qualified and licensed, to the extent necessary to perform said Services in the State of Illinois.
 - It is understood and agreed by the parties that the Consultant is an independent contractor retained for the above-mentioned purpose. The Village shall not control the manner nor the means of the Consultant's performance, but shall be entitled to a work product as described herein. The term "subconsultant" shall mean and include only those hired by and having a direct contract with Consultant for performance of work on the Project. The Village shall have no responsibility to any subconsultant employed by a Consultant for performance of work on the Project, and all subconsultants and material suppliers shall look exclusively to the Consultant for any payments due. The Village will **not** be responsible for reporting or paying employment taxes or other similar levies that may be required by the United States Internal Revenue Service or other State or Federal agencies. Every subconsultant shall be bound by the terms and provisions of this Contract as far as applicable to their work. The Consultant shall be fully responsible to the Village for the acts and omissions of its subconsultants, and shall ensure that any subconsultants perform in accordance with the requirements of this Agreement. Nothing contained herein shall create any contractual or employment relations between any subconsultant and the Village. The Consultant is solely responsible for the safety procedures, programs and methods of its employees and agents and shall hold the Village harmless for any and all damages resulting from violations thereof. Conversely, the Consultant shall not coordinate, supervise and direct any portions of the Work for what they are not responsible for and shall not be responsible for, nor have control over, construction means, methods, techniques, sequences and procedures, safety, and security for any party they are not responsible for. The Consultant shall comply with all applicable federal, State and local safety laws and regulations.

II. COMPENSATION

Consultant will be compensated based upon the fee schedule attached hereto as Exhibit B.

III. INDEMNIFICATION AND HOLD HARMLESS

Consultant will indemnify and hold harmless, protect and defend, at its own cost and expense, the Village, its officers, officials, Village President and Board of Trustees, agents, employees, volunteers, representatives, assigns, successors, transferees, licensees, invitees, attorneys, or other persons or property standing in the interest of the Village, from any and all risks, lawsuits, actions, damages, losses, expenses (including attorneys' fees), claims, or liabilities of any character, brought because of any death, injuries or damages received or sustained by any person, persons, or property on account of any negligent act or omission by the Consultant, its officers, agents and/or employees, including any of its subconsultants, arising out of or in performance of any provision of this Agreement, including any claims or amounts arising or recovered under the Workers' Compensation Act or any other law, ordinance, order or decree.

In the event such claims, losses, damages, or expenses are legally determined to be caused by joint or concurrent negligence, they shall be borne by each party in proportion to its own negligence under comparative fault principles.

With respect to the aforementioned duty to protect and defend, this shall apply for non-professional services that are performed and to the extent covered by the Consultant's General Liability policy. The Duty to Defend does not apply to professional services that are performed which are not covered by the Consultant's Professional Liability policy.

IV. INSURANCE

During the term of this Agreement, Consultant shall provide and maintain the types of insurance set forth in Exhibit C, written on the comprehensive form and as "occurrence" policies, primary to any insurance of the Village, in not less than the specified amounts.

Consultant shall furnish to the Village, prior to commencing any activities under this Agreement, and annually thereafter, satisfactory proof of the above insurance requirements by a reliable insurance company or companies authorized to do business in Illinois. Such proof shall consist of certificates executed by the respective insurance companies and attached to this Agreement as Exhibit D. Said certificates shall list the Village and its officers, officials, Village President and Board of Trustees, agents, employees, volunteers, representatives, assigns, successors, and attorneys, as additional insureds on all required insurance policies.

Consultant shall procure and maintain insurance as required by and set forth in the previous paragraph of this Agreement. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, the total liability, in the aggregate of Consultant and Consultant's officers, members, directors, partners, agents, employees, and Subconsultants to Village and anyone claiming by, through, or under Village for any and all claims, losses, costs, or damages whatsoever arising out of resulting from or in any way related to the Agreement from any cause or causes, including but not limited to the negligence, professional errors or omissions, strict liability, breach of contract, indemnity obligations, or warranty express or implied, of Consultant or Consultant's officers,

members, directors, partners, agents, employees, or Subconsultants (hereafter "Village's Claims"), shall not exceed the total insurance proceeds paid on behalf of or to Consultant by Consultant's insurers in settlement or satisfaction of Village's Claims under the terms and conditions of Consultant's insurance policies applicable thereto (excluding fees, costs, and expenses of investigation, claims adjustment, defense, and appeal). If no such insurance coverage is provided with respect to Village's Claims, then the total liability, in the aggregate of Consultant and Consultant's officers, members, directors, partners, agents, employees, and Subconsultants to Village and anyone claiming by, through, or under Village for any and all such uninsured Village's claims shall not be limited.

V. WARRANTY

Consultant represents to the Village that it has the experience and ability to perform the services required by this Agreement, that it will perform said services in accordance with the Standard of Care presented in Section 1.A, and that it has the power to enter into and perform this Agreement.
