The Village will pay the Developer up to Two Hundred Thousand dollars (\$200,000) to the Developer for TIF eligible prospective relocation costs for the Teehan Tavern business, following Developer's payment to said business. Developer agrees to enter into a relocation agreement with Teehan's Tavern and make payment under said relocation agreement within 180 days of the date of this Development Agreement but no sooner than October 2, 2023.

Developer shall have the right to apply for a three (3) month extension of the time in which Developer shall have to commence construction pursuant to this Agreement or any permits issued by the Village if market conditions render commencement of such construction economically infeasible. The Village shall not unreasonably withhold approval of such an extension. Notwithstanding the foregoing, in the event any delays in permitting, plan review or change orders are caused or initiated by the Village, its staff, or professionals, the schedule, and completion dates shall be adjusted accordingly.

**6.8 Site Plan.** The Property shall be developed by Developer in substantial conformity with the Site Plan (as defined and identified in Article Two above) attached hereto and hereby made a part hereof as **Exhibit VII** and in substantial conformity with the approved (by the Village) Final Plans. ## **ARTICLE SEVEN** **DEVELOPER'S COVENANTS AND AGREEMENTS**

**7.1 Developer's Redevelopment Obligations.** Subject to the conditions and terms set forth in this Agreement, the Developer is hereby required to construct all the public improvements designated on **Exhibit XIII** (the "Public Improvements") and **Exhibit XIII** (the Harmony Square ROW Infrastructure Improvements).

Subject to Village Board approval, the Village will fund up to the actual and final construction costs of the Harmony Square Public Improvements as set forth on **Exhibit XIII** when and as billed to the Village, based upon competitive bidding and Village approvals to be conducted by the Village in accordance with its ordinances and procedures. Any Village funding will be provided only upon Village acceptance of such Public Improvement after inspection and/or completion and upon satisfactory (to the Village) documentation being submitted to the Village in accordance with

Section 7.9(e) below by Developer, and billed monthly to the Village and payable within fifteen (15) days of billing

To the extent public improvements undertaken by the Developer, the Developer shall construct the Public Improvements with procedures required by the Prevailing Wage Act (the "Act") of the State of Illinois, as amended, all at the Village's expense. If Developer fails to comply with the Act the Village need not reimburse the Developer for any portion of the Incentive Amount equal to the cost of the work which was not in compliance with the Act. Developer shall provide the Village, at the Village's request or otherwise in compliance with the Act, with all documents necessary to show compliance with the Act.

**Multiple Bids/Proposals.** The Village can require that the Developer solicit up to three bids for any of the Public Improvements and may require at least three proposals should the costs exceed Six Million Four Hundred Thousand Dollars (\$6,400,000.00).

**Developer Decision with Consent.** The Developer reviews competitive bids and submits and recommends to the Village for approval. The contract can be executed with the consent of the Village.

**Developer Contracts and Supervises.** The developer coordinates all aspects of the construction and oftentimes blends work in with private property improvements in a way that is more effective and cost effective.

**7.2 Village Cooperation.** The Village agrees to cooperate with Developer in Developer's attempts to obtain all necessary approvals from any governmental or quasi-governmental entity including the Village's requirements and processes and upon request of Developer, will promptly execute any applications or other documents (upon their approval by the Village) which Developer intends to file with such other governmental or quasi-governmental entities in respect of the Project. The Village shall further promptly respond to, and/or process, and consider reasonable requests of Developer for all required permits, including but not limited to: applicable excavation; shell permits; other building permits; driveway permits; curb cuts or other permits necessary for the construction of the Project. Approval of any building permit applications and/or engineering plans shall be contingent on the Developer providing all required and requested documentation for each such permit, including but not limited to engineering reports; calculations and plans required to substantiate that said improvements fully conform with all applicable state statutes and also all Village ordinances and codes, as well as receipt of all required approvals from any federal, state, regional or county agencies having applicable jurisdiction. The Village shall not unreasonably withhold such approvals.

**7.3 Project Pre-Condition.** Prior to the Developer being required to construct the Project hereunder, the Village agrees that it may authorize the construction and funding of the Public Improvements by the Ordinance approving this agreement or by separate action. The Developer will use its best efforts to assist or undertake such construction if requested by the Village. Reimbursement for such improvements shall be paid to the Developer as invoiced, and not subject to the TIF reimbursement provisions of this Agreement. The Village may, but is under no obligation to, pre-authorize required permits to undertake foundation and other preparatory work.

**7.4 TIF Incentives.** Subject to the terms, conditions, and restrictions of this Agreement and the TIF Act, the Village shall pay to or on behalf of the Developer, its successors, assigns, transferees, or designees TIF Eligible Expenses Incurred by the Developer in the development of the West Point at Harmony Square, excluding the cost of land incurred by the Developer as set for the above in Sections 6.1 and 6.5, for the life of the TIF District as defined below. The Developer shall notify the Village from time to time of all new property index numbers (PINs) as they are issued by the County Clerk, it being understood that without such information the Village will be unable to calculate and determine the amount of Incremental Property Taxes, and failure of Developer to do so will release the Village from obligation to disburse any Incremental Property Taxes that may have been generated by the parcels that have the missing PINs until they are reported by the Developer to the Village. Such Incentive Amount shall be paid under the terms and conditions set forth in Sections 9.

The Developer shall only be entitled to collect the TIF Incentive Amount for the remaining life of the TIF project, from the first day of the next calendar year after the first occupancy permit is issued for Phase I of the Project during the life of the TIF until all sums due the Developer are collected. The sums reimbursed are limited to certified TIF Eligible Project expenses as provided by Illinois law but may include relocation costs and financing costs.

The amount of additional TIF funds provided by the Village, not including those land acquisition costs in Section 6.5 and costs in this Section 7.4, shall not exceed Eight Million (\$8,000,000.00) Dollars, exclusive of the value of the land deeded to the Developer by the Village, plus interest as provided in the TIF Note based upon the entire certified project expenditures. No payment of TIF funds shall be made to Developer after May 15, 2041.

The categories of permissible TIF redevelopment costs are those included in 65 ILCS 5/11-74.4-3 (q) and 65 ILCS 5/11-74.6-10 (o), specifically including interest and relocation expenses.

**7.5 TIF Amendments, Extensions and Replacements.** The Village may, during the term of this Agreement, elect to amend, extend, supplement, or replace the existing TIF. **7.6 Conveyance of Land.** The parties acknowledge that the development of the Project will require a transfer of parcels between the Village and the Developer as follows:

[Specific Description of Property Transfers]

With respect to these transfers, the parties shall exchange parcels of the Project to provide the Village with the Harmony Square Plaza Parcel free and clear of any liens or encumbrances suffered by the Developer. Upon proof of financing for the Project the Village shall provide the Developer deeds to all lands in the Harmony Square rental building and School parcels. The Village reserves the right to easements and public rights-of-way in any transfer of property, or relocation as needed and required to facilitate the Developer's approval.

  - (v) All certificates required above.
- (d) The Developer shall have the right to submit expenses semi-annually and shall be reimbursed within 30 days of submission. Any payment not paid within such 30-day period shall be paid with interest at the judgment rate as provided by Illinois law.

In addition, the Developer will provide records including, but not be limited to, all contracts with general contractors and all subcontractors, contractors sworn affidavits, lien waivers, copies of checks and any other documentation specified by the Village and/or in the possession of the Developer.
- (f) It is understood that the Incentive Amount is the maximum amount the Village will be required to reimburse the Developer. It is further understood that the Village may reimburse itself out of the Incentive Amount for any monies owed by the

Developer and that the Incentive Amount will be reduced by the amount of any such reduction. If the cost of the TIF Eligible Expenses (taken as a whole) is less than the Incentive Amount, the lesser amount is the maximum amount the Developer will be entitled to be reimbursed hereunder. - (c) default by the Village in the performance or breach of any material covenant, warranty or obligation contained in this Agreement; provided, however, that such default shall not constitute an Event of Default if the Village, commences cure within sixty (60) days after written notice from Developer and in any event cures such default within sixty (60) days after such notice, subject to Uncontrollable Circumstances.

**16.3 Remedies for Default.** In the case of an Event of Default hereunder:

- (a) The defaulting party shall, upon written notice (in accordance with the provisions of Section 17.3 of this Agreement) from the non-defaulting party, take immediate action to cure or remedy such Event of Default. If, in such case, any monetary Event of Default is not cured within thirty (30) days, or if in the case of a non-monetary Event of Default, action is not taken or not diligently pursued, or if action is taken and diligently pursued but such Event of Default or breach shall not be cured or remedied within a reasonable time, but in no event more than sixty (60) additional days after receipt of such notice, unless extended by mutual agreement, the non-defaulting party may institute such proceedings as may be necessary or desirable in its opinion to cure or remedy such default or breach, including, but not limited to, proceedings to compel specific performance of the defaulting party's obligations under this Agreement.
- (b) In case the Village shall have proceeded to enforce its rights under this Agreement and such proceedings shall have been discontinued or abandoned for any reason, then, and in every such case, Developer and the Village shall be restored

respectively to their several positions and rights hereunder, and all rights, remedies and powers of Developer and the Village shall continue as though no such proceedings had been taken.

- (c) In the case of an Event of Default by Developer, and its failure to cure such default after due notice and within the time frames provided for in this Agreement, in addition to any other remedies at law or in equity, the Village shall be relieved of its obligations under this Agreement, including but not limited to its obligations to accord Developer, “exclusive” developer status as set forth in Article Five, its obligation to pay any incentive amounts to the Developer and its obligations to convey any land to Developer.
- (d) In the case of an Event of Default by the Village and its failure to cure such default after due notice and within the time period provided for in this Agreement, in addition to any other remedies at law or in equity, the Developer shall be relieved of its obligations under this Agreement if it so elects, and the Developer shall have the right, if it so elects, to terminate this Agreement.
- (e) In the case of an Event of Default by the Developer occurring prior to the commencement of construction (only), the Village agrees that it shall have no remedy of specific performance to force the Developer to commence construction.
- (f) Nothing herein shall limit the Village’s right to any remedies available under the required insurance policies, bonds, and other such sureties obtained by the Developer.

**16.4 Legal and Other Fees and Expenses From and After Effective Date of Agreement.**

- (a) In the event that any third party or parties institutes any legal proceedings against the Developer and/or the Village, which relate to the terms of this Agreement, then, in that event, the Developer shall indemnify and hold harmless the Village from any and all such proceedings. Further, the Developer, upon receiving notice from the Village of such legal proceedings, shall assume, fully and vigorously, the entire defense of such lawsuit or proceedings and any and all costs and expenses of whatever nature relating thereto; provided, however, that the Developer may not at any time settle or compromise such proceedings without the Village's consent and even then only so long as such settlement or compromise does not involve an admission of wrongdoing on the part of the Village, nor any liability on the part of the Village, monetary or otherwise.
- (b) If the Village, in its sole discretion, determines that there is, or may probably be, a conflict of interest between the Village and the Developer on an issue of material importance to the Village, or which may reasonably have a potentially substantial adverse effect on the Village, then the Village shall have the option of being represented by its own legal counsel. In the event that the Village exercises such option, then the Developer shall reimburse the Village from time to time on written demand from the Village President and notice of the amount due for any and all

reasonable out-of-pocket costs and expenses, including but not limited to court costs, reasonable attorneys' fees, witnesses' fees and/or other litigation expenses incurred by the Village in connection therewith.

- (c) In the event that the Village institutes legal proceedings against the Developer for a breach of this Agreement, or any term or condition hereof, and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in any judgment against the Developer all costs and expenses of such legal proceedings incurred by the Village, including but not limited to court costs, reasonable attorneys' fees and Witnesses' fees, incurred in connection therewith. Either party may, in its sole discretion, appeal any judgment rendered in relation thereto.
- (d) Costs and expenses incurred by the Village in such legal proceedings shall be evidenced to the court, upon its request, by a sworn statement of the Village, or other such documentation as the court may require.

**16.5 No Waiver by Delay or Otherwise.** Any delay by either Party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Agreement shall not operate to act as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that neither Party should be deprived of or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches or otherwise); nor shall any waiver in fact made with respect to any specific Event of Default be considered or treated as a waiver of the rights by the waiving Party of any future Event of Default hereunder, except to the extent specifically waived in writing. No waiver made with respect to the performance, nor the manner or time thereof, of any obligation or any condition under the Agreement shall be considered a waiver of any rights except if expressly waived in writing.

**16.6 Rights and Remedies Cumulative.** The rights and remedies of the Parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative, and the exercise of any one or more of such remedies shall not preclude the exercise by such Party, at that time or different times, of any other such remedies for the same Event of Default.

**16.7 Delays by Uncontrollable Circumstances.** For each day that the Village or Developer is delayed by an Uncontrollable Circumstance, the dates set forth in this Agreement shall be extended by one (1) day for each day of the resulting delay.

#### **ARTICLE SIXTEEN (A)** **PERFORMANCE BONDS**

Developer agrees to obtain three (3) bonds acceptable to the Village from a creditable surety company, covering each of the three (3) Phases of the Project. These bonds shall not be subject to lien or encumbered in any manner. The Village shall be added as an additional protected party on all performance bonds required of the Developer and its contractor(s).

**ARTICLE SEVENTEEN**  
**EQUAL EMPLOYMENT OPPORTUNITY**

**17.1 No Discrimination.** The Developer will comply with all federal, state, and local laws relating to equal employment opportunity.

**17.2 Advertisements.** Developer will, in all solicitations or advertisements for employees placed by or on behalf of Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

**17.3 Contractors.** Any contracts made by Developer with any general contractor, agent, employee, independent contractor, or any other Person in connection with the Project shall contain language similar to that recited in Sections 17.1 and 17.2 above and be insubstantial compliance with all Village codes and ordinances and any applicable federal, state, and local laws and ordinances.

**ARTICLE EIGHTEEN**  
**MISCELLANEOUS PROVISIONS**

**18.2 Cancellation.** In the event Developer or the Village shall be prohibited, in any material respect, from performing covenants and agreements or enjoying the rights and privileges herein contained, or contained in the Redevelopment Plan, including Developer's duty to build the Project, by the order of any court of competent jurisdiction, or in the event that all or any part of the Act or any ordinance adopted by the Village in connection with the Project, shall be declared invalid or unconstitutional, in whole or in part, by a final decision of a court of competent jurisdiction and such declaration shall materially affect the Redevelopment Plan or the covenants and agreements or rights and privileges of Developer or the Village, then and in any such event, the Party so materially affected may, at its election, cancel or terminate this Agreement in whole (or in part with respect to that portion of the Project materially affected) by giving written notice thereof to the other within sixty (60) days after such final decision or amendment. If the Village terminates this Agreement pursuant to this Section 18.2, to the extent it is then appropriate, the Village, at its option, may also terminate its duties, obligation and liability under all or any related documents and agreements provided. Further, the cancellation or termination of this Agreement shall have no effect on the authorizations granted to Developer for buildings permitted and under construction to the extent permitted by said Court order; and the cancellation or termination of this Agreement shall have no effect on perpetual easements contained in any recorded, properly executed document.

**18.4 Time of the Essence.** Time is of the essence of this Agreement.

**18.5 Integration.** Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations, and discussions relative to the subject matter hereof and is a full integration of the agreement of the Parties.

**18.6 Counterparts.** This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Agreement.

**18.7 Recordation of Agreement.** The Parties agree to record a memorandum of this Agreement, executed by owners of the Property in the appropriate land or governmental records. The Developer shall pay the recording charges.

**18.8 Severability.** If any provision of this Agreement, or any Section, sentence, clause, phrase or word, or the application thereof, in any circumstance, is held to be invalid, the remainder of this Agreement shall be construed as if such invalid part were never Included; herein, and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

**18.9 Choice of Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

**18.10 Entire Contract and Amendments.** This Agreement (together with the exhibits attached hereto) is the entire contract between the Village and Developer relating to the subject matter hereof, supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, between the Village and Developer and may not be modified or amended except by a written instrument executed by the Parties hereto.

**18.11 Third Parties.** Nothing in this Agreement, whether expressed or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any other person other than the Village and Developer, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third persons to either the Village or Developer, nor shall any provision give any third parties any rights of subrogation or action over or against either the Village or Developer. This Agreement is not intended to and does not create any third-party beneficiary rights whatsoever.

**18.12 Waiver.** Any Party to this Agreement may elect to waive any right or remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless such waiver is in writing. No such waiver shall obligate the waiver of any other right or remedy hereunder or shall be deemed to constitute a waiver of other rights and remedies provided pursuant to this Agreement.

**18.13 Cooperation and Further Assurances.** The Village and Developer each covenant and agree that each will do, execute, acknowledge and deliver or cause to be done, executed and delivered, such agreements, instruments and documents supplemental hereto and such further acts, instruments, pledges and transfers as may be reasonably required for the better clarifying, assuring, mortgaging, conveying, transferring, pledging, assigning and confirming unto the Village or Developer or other appropriate persons all and singular the rights, property and revenues covenanted, agreed, conveyed, assigned, transferred and pledged under or in respect of this Agreement.

**18.14 Successors in Interest.** At any time, the Developer may assign its rights or obligations under this Agreement for the purpose of obtaining financing for the Project or any portion thereof, or to any entity in which the Developer owns a controlling interest. Developer may not otherwise assign its rights or obligations under this Agreement to any other person or entity without prior written consent of the Village.

**18.15 No Joint Venture, Agency or Partnership Created.** Nothing in this Agreement, or any actions of the Parties to this Agreement, shall be construed by the Parties or any third person to create the relationship of a partnership, agency, or joint venture between or among such Parties.

**18.16 No Personal Liability of Officials of Village or Developer.** No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of the Corporate Authorities, Village Manager, any elected official, officer, partner, member, director, agent, employee or attorney of the Village or Developer, in his or her individual capacity, and no elected official, officer, partner, member, director, agent, employee or attorney of the Village or Developer shall be liable personally under this Agreement or be subject to any personal liability or accountability by reason of or in connection with or arising out of the execution, delivery and performance of this Agreement, or any failure in that connection.

**18.17 Conflicts.** To the extent that any ordinance, resolution, rule, order, or provision of the Village's code of ordinances, or any part thereof, conflicts with the provisions of this Agreement, such conflict shall be the subject of further negotiation between the Parties.

**18.18 Term.** This Agreement shall remain in full force and effect until the TIF District expires; provided, however, that the Developer's construction obligations hereunder shall terminate pursuant to certificates of completion issued by the Village.

**18.19 Estoppel Certificates.** Each of the Parties hereto agrees to provide the other, upon not less than ten (10) business days prior request, a certificate ("Estoppel Certificate") certifying that this Agreement is in full force and effect (unless such is not the case, in which such Parties shall specify the basis for such claim), that the requesting Party is not in default of any term, provision or condition of this Agreement beyond any applicable notice and cure provision (or specifying each such claimed default) and certifying such other matters reasonably requested by the requesting Party. If either Party fails to comply with this provision within the time limit specified, it shall be deemed to have appointed the other as its attorney-in-fact for execution of same on its behalf as to that specific request only.

**18.20 Assignment.** This Agreement and the rights and obligations hereunder in whole or part, may not be assigned by Developer prior to completion of the Project except to single purpose LLCs owned in whole or part by members of the Developer, This agreement shall be fully assignable thereafter.

**18.21 Collateral Assignment.** It is understood and acknowledged that Developer intends to obtain construction financing (the "Construction Loan") for the Project and that the construction lender ("Lender") typically requires a collateral assignment of any relevant development

agreement. If such financing is obtained and if the Lender requires such a collateral assignment, the Village hereby consents to the assignment of this Agreement to the Lender as collateral security for the Construction Loan and also if required by the Lender further consents to the assignment of the TIF Note (see Exhibit VIII) to the Lender as further collateral security.

In the event that any Lender is to succeed to Developer's interest in the Property, or any portion thereof, pursuant to the collateral assignment and in conjunction with such succession accepts an assignment of Developer's interest in this Agreement, the Village shall recognize such party as the successor in interest to Developer with respect to the Property or the portion acquired by such Lender. However, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if the Lender accepts an assignment of Developer's interest under this Agreement, it automatically accepts not only the Developer's rights hereunder but also all of Developer's obligations hereunder. However, if such Lender does not expressly accept an assignment of Developer's interest hereunder, such Lender shall be entitled to no rights and benefits under this Agreement. The foregoing (Lender's lack of expressly accepting an assignment) shall apply whether the succession is by foreclosure or deed in lieu of foreclosure or any other remedy. Under all such circumstances, the Property may only be developed in accordance with this Agreement.

With respect to a mortgage to which the Village has not consented in writing, if that mortgagee or any other party shall succeed to Developer's interest in the Property or any portion of it and in conjunction with such succession accepts an assignment of Developer's interest in the Property, the Village shall not be obligated to recognize such party as the successor in interest to Developer under this Agreement. Unless and until the Village accepts, in writing, such Party as the successor in interest such party shall be entitled to no rights or benefits under this Agreement. The foregoing shall apply whether the succession is by foreclosure or deed in lieu of foreclosure or any other remedy. The exercise of any such remedy and the transfer of title to the Property or any portion of it to a mortgagee or any other party in connection with such exercise shall not be subject to the consent of the Village.

Neither Developer's making of a collateral assignment of its interest under this Agreement to a Lender, nor the exercise by a Lender of any of its remedies, shall constitute an acceptance by such Lender or any other party of such assignment. Such Lender or other party shall not be deemed to have accepted such assignment until such time as such Lender or other party has executed and delivered to the Village a written acceptance of such assignment. In the absence of such acceptance, such Lender or other party shall have no rights or benefits under this Agreement.

If a default by Developer under this Agreement occurs and Developer does not cure it within the cure period that applies to Developer under this Agreement, then the Village shall promptly give the Lender, a notice of expiration of such cure period (the "Cure Period Expiration Notice"). The Lender shall have the right, but not the duty, to fulfil any obligation of the Developer under this Agreement and to cure any default. Such Lender shall have thirty days after receipt of the Cure Period Expiration Notice to cure such default. However, with respect to any default by Developer, the cure of which requires the Lender to possess and control the Property, if such Lender undertakes, by written notice to the Village within thirty days after receipt of the Cure Period Expiration Notice, to exercise reasonable efforts to cure such default, such Lender's cure period

shall continue for such additional time as may reasonably be required to obtain possession and control of the Property and thereafter cure the default within one hundred and twenty days. Such Lender may abandon exercise of its cure rights without liability to the Village or any other party provided it gives the Village express written notice that it is so abandoning exercise of its cure rights. The Village shall accept cure by such Lender in fulfillment of Developer's obligations, for the account of Developer and with the same force and effect as if performed by Developer.

It is understood and acknowledged that, irrespective of any Lender remedies, the Property may not be developed, redeveloped, completed, or maintained except in accordance with this Agreement. This restriction shall attach to and run with the land whether or not a Lender or any other entity holding an interest in the Property accepts the assignment of this Agreement. Notwithstanding anything in this Agreement or any other document to the contrary and irrespective of the underlying zoning of the Property, it is the intent of the Parties that any successor in interest to Developer shall have only the development rights accorded by this Agreement and any approvals or permits issued pursuant to it. Further, each and every covenant, dependent or independent, and each and every obligation of this Agreement shall encumber such development.

Moreover, if any such Lender, mortgagee or other party thereafter seeks to sell, transfer, assign, or otherwise dispose of the Property and/or the Project, any such sale, transfer, assignment, or disposition shall be governed by the provisions of this agreement.

**Principal Amount:** Eight Million Dollars (\$8,000,000) inclusive of interest accrued hereunder

KNOW ALL PERSONS BY THESE PRESENTS that the Village of Tinley Park, of Cook and Will County, Illinois, hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner identified above, or registered assigns as hereinafter provided, on the Maturity Date, the Principal Amount identified above and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on such Principal Amount from the Dated Date or from the most recent interest payment date to which interest has been paid at the Interest Rate per annum on December 31 of each year until paid, commencing December 31, 2024 (each an Interest Payment Date), until said Principal Amount is paid. Payments hereunder shall be made in lawful money of the United States of America at the office of the Village Manager of the Village of Tinley Park, Illinois, as Note Registrar and Paying Agent. Payments shall be made to the Registered Owner hereof, as shown on the registration books of the Village at the close of business on the Record Date and shall be paid by check or draft of the Village, payable in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books or at such other address furnished in writing by such Registered Owner to the Village, or as shall otherwise be agreed by the Village and the Registered Owner. If an Interest Payment Date is not a business day at the place of payment, then payment may be made at that place on the next business day, and no interest shall accrue for the intervening period. "Record Date" means the close of business on the fifteenth day of the calendar month next preceding the applicable interest payment date.

This Note is issued pursuant to the provisions of Ordinance No. \_\_\_\_\_ passed by the Board of Trustees and approved by the Mayor on May 16, 2023 (the "Ordinance"), which approves the Redevelopment Agreement between the Village and Tinley Park Main Street LLC for the Developer Projects "West Point at Harmony Square and Teehan/Durbin Tavern Redevelopment, generally located east of North Street and Oak Park Avenue, Tinley Park, Illinois (Harmony Development), and to which reference is hereby expressly made for definitions and terms and to all the provisions of which the Registered Owner by the acceptance of this Note assents.

The order of payment on the Note on each Interest Payment Date until the Maturity Date shall be in the following priority:

- 1) Deferred Accrued Interest.
- 2) Current Interest
- 3) Mandatory Redemption of Principal, to the extent that Pledged Monies are available.

The Note is payable solely from the Pledged Moneys received by the Village and deposited into the Special Tax Allocation Fund of the New Bremen Redevelopment Project Area (New Bremen TIF District), subject to all pre-existing New Bremen TIF obligations including a 30% School District obligation, and to prior payments, priorities, and conditions. Payment of this Note is also limited to those funds from the tax increment generated by the Properties within the Harmony Project Area, as defined in the Harmony Development Agreement of which this is an Exhibit.

Current Interest shall be paid as provided for from the Pledged Moneys, and if Pledged Moneys are insufficient for such purpose, such failure to pay shall not in and of itself constitute an event of default, but such interest shall thereupon be recorded as Deferred Accrued Interest. Failure to pay when due any Current Interest or Deferred Accrued Interest, or any Principal due to insufficiency of the Pledged Moneys, whether at an Interest Payment Date, Maturity Date or otherwise, shall in no event be deemed to be an event of default hereon. The Registered Owner of this Note, by acceptance hereof, hereby expressly agrees and acknowledges that there may be Deferred Accrued Interest hereon, that is, that Current Interest may not have been paid, without any special notation having been made upon this Note.

This Note is subject to mandatory redemption of principal at a price of par plus accrued interest without premium, on each Interest Payment Date, whenever there is on deposit Pledged Moneys in excess of the amount required to pay all priority payments set forth herein. The Paying Agent shall make provision for the immediate mandatory redemption of this Note on such Interest Payment Date to the fullest extent practicable from such excess.

The Village covenants that it will cause the Paying Agent to redeem this Note pursuant to the mandatory redemption required for this Note. No notice shall be required for any mandatory redemption payments.

This Note is also subject to redemption prior to maturity, at the option of the Village, in whole or in part, from any available funds, on any date at a redemption price of par plus Accrued Interest to the date fixed for redemption.

This Note is subject to provisions relating to registration, transfer, and exchange and such other terms and provisions relating to security and payment as are set forth in the Ordinance; to which reference is hereby expressly made; and to all the terms of which the registered owner hereof is hereby notified and shall be subject. This Note may be transferred, assigned or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in the Ordinance. This Note may not be transferred until after a certificate of occupancy is issued for the Developer Project and then only in the full denomination thereof, partial transfers being prohibited. This Note may be transferred, assigned or exchanged only to (i) a "qualified institutional buyer" as that term is defined in Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), or (ii) an "accredited investor" as that term is defined in Rule 501(a)(1)(2)(3) or (7) under the Securities Act.

This Note is a limited obligation of the Village, payable solely from the Pledged Moneys deposited into the Special Tax Allocation Fund of the New Bremen TIF District, subject all pre-existing New Bremen TIF obligations including a 30% School District Obligation. Payment of this Note is also limited to those funds from the tax increment generated by the Properties within the Harmony Project Area, as defined in the Harmony Development Agreement of which this Note is an Exhibit.

For the prompt payment of this Note, both principal and interest, as aforesaid, at maturity, the Pledged Moneys are hereby irrevocably pledged.

THIS NOTE DOES NOT CONSTITUTE AN INDEBTEDNESS OF THE VILLAGE WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION. NO HOLDER OF THIS NOTE SHALL HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY TAXING POWER OF THE VILLAGE FOR PAYMENT OF PRINCIPAL HEREOF OR INTEREST HEREON.

It is hereby expressly provided that in the event that there is an insufficiency of Pledged Moneys to pay any amount of Current Interest, Deferred Accrued Interest or Outstanding Principal Amount at the Maturity Date, any such amount of Current Interest, Deferred Accrued Interest or Outstanding Principal Amount shall be extinguished and shall not be deemed to be owing and unpaid, it being the express intent of the Village that this Note and all obligations arising hereunder shall be fully released upon the Maturity Date. This Note shall be canceled automatically on the Maturity Date without further action by any party.

The Village may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and the Village shall be affected by any notice to the contrary.

Whenever, under the terms of this Note and the Ordinance, any principal and accrued interest become due and payable, the Registered Owner may pursuant to any remedies, legal or equitable, that are available to collect the unpaid balance of this Note, together with interest, provided however that neither the payment of principal nor the payment of interest on this Note shall be deemed or declared to be in default so long as all amounts on deposit from Limited Incremental Taxes of the West Point at Harmony and Teehan/Durbin Tavern Redevelopment projects within the New Bremen TIF District subject to prior pledged TIF funds, have been applied to the payments of principal and interest on this Note at the times and in the manner and to the extent provided in the Ordinance. The sole and exclusive remedy in conjunction with a default in the making or payments of principal and interest on this Note shall be for the Registered Owner to obtain an order of court commanding either the Village Manager or such other person as may be authorized and directed by the court to make payment to the Registered Owner of any monies on deposit from Limited Incremental Taxes, that are payable to the Registered Owner under the provisions of this Note and the Ordinance.

It is hereby certified and recited that all conditions, acts and things required by law to exist or to be done precedent to and in the issuance of this Note did exist, have happened, been done and performed in regular and due form and time as required by law, and the Village hereby covenants and agrees that it has made provision for the segregation of the Pledged Moneys and that it will properly account for said taxes and will comply with all the covenants of and maintain the funds and accounts as provided by the Ordinance.

This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been manually signed by the Note Registrar.

IN WITNESS WHEREOF, the Village of Tinley Park, Cook County, Illinois, by its Mayor and Board of Trustees, has caused this Note to be signed by the duly authorized manual or facsimile signatures of the Mayor and Village Clerk of said Village, all as appearing hereon and as of the Dated Date as identified above.
