**AGREEMENT WITH ROBINSON ENGINEERING, LTD. FOR THE 175TH STREET DESIGN
AND CONSTRUCTION SERVICES**

AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement is made and entered into this 16th day of May, 2023 ("Effective Date"), between the Village of Tinley Park, Illinois ("Village"), located at 16250 South Oak Park Avenue, Tinley Park, IL 60477, and Robinson Engineering, Ltd. ("Consultant"), collectively the "Parties" for the following project:

I. Services

- A. Consultant agrees to provide, as an independent contractor to the Village, the professional services included in Exhibit A, attached hereto and made a part hereof, as well as such other or incidental services as may be necessary to carry out said professional services, as well as any other professional services requested by the Village as mutually agreed to by the parties (hereafter the "Service"). The standard of care for all professional engineering and related services performed or furnished by Consultant under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality in compliance with applicable laws, ordinances and regulations. The express terms of this Agreement shall take precedence and control over any term or provision of any Exhibit that in any way conflicts with, differs from, or attempts to alter the terms of this Agreement.
- The Services shall be provided by employees of Consultant, who are experienced, certified, and/or qualified and licensed, to the extent necessary to perform said Services in the State of Illinois.
 - It is understood and agreed by the parties that the Consultant is an independent contractor retained for the above-mentioned purpose. The Village shall not control the manner nor the means of the Consultant's performance, but shall be entitled to a work product as described herein. The term "subconsultant" shall mean and include only those hired by and having a direct contract with Consultant for performance of work on the Project. The Village shall have no responsibility to any subconsultant employed by a Consultant for performance of work on the Project, and all subconsultants and material suppliers shall look exclusively to the Consultant for any payments due. The Village will **not** be responsible for reporting or paying employment taxes or other similar levies that may be required by the United States Internal Revenue Service or other State or Federal agencies. Every subconsultant shall be bound by the terms and provisions of this Contract as far as applicable to their work. The Consultant shall be fully responsible to the Village for the acts and omissions of its subconsultants, and shall ensure that any subconsultants perform in accordance with the requirements of this Agreement. Nothing contained herein shall create any contractual or employment relations between any subconsultant and the Village. The Consultant is solely responsible for the safety procedures, programs and methods of its employees and agents and shall hold the Village harmless for any and all damages resulting from violations thereof. Conversely, the Consultant shall not coordinate, supervise and direct any portions of the Work for what they are not responsible for and shall not be responsible for, nor have control over, construction means, methods, techniques, sequences and procedures, safety, and security for any party they are not responsible for. The Consultant shall comply with all applicable federal, State and local safety laws and regulations.

II. COMPENSATION

Consultant will be compensated based upon the fee schedule attached hereto as Exhibit B.

III. INDEMNIFICATION AND HOLD HARMLESS

Consultant will indemnify and hold harmless, protect and defend, at its own cost and expense, the Village, its officers, officials, Village President and Board of Trustees, agents, employees, volunteers, representatives, assigns, successors, transferees, licensees, invitees, attorneys, or other persons or property standing in the interest of the Village, from any and all risks, lawsuits, actions, damages, losses, expenses (including attorneys' fees), claims, or liabilities of any character, brought because of any death, injuries or damages received or sustained by any person, persons, or property on account of any negligent act or omission by the Consultant, its officers, agents and/or employees, including any of its subconsultants, arising out of or in performance of any provision of this Agreement, including any claims or amounts arising or recovered under the Workers' Compensation Act or any other law, ordinance, order or decree.

In the event such claims, losses, damages, or expenses are legally determined to be caused by joint or concurrent negligence, they shall be borne by each party in proportion to its own negligence under comparative fault principles.

With respect to the aforementioned duty to protect and defend, this shall apply for non-professional services that are performed and to the extent covered by the Consultant's General Liability policy. The Duty to Defend does not apply to professional services that are performed which are not covered by the Consultant's Professional Liability policy.

IV. INSURANCE

During the term of this Agreement, Consultant shall provide and maintain the types of insurance set forth in Exhibit C, written on the comprehensive form and as "occurrence" policies, primary to any insurance of the Village, in not less than the specified amounts.

Consultant shall furnish to the Village, prior to commencing any activities under this Agreement, and annually thereafter, satisfactory proof of the above insurance requirements by a reliable insurance company or companies authorized to do business in Illinois. Such proof shall consist of certificates executed by the respective insurance companies and attached to this Agreement as Exhibit D. Said certificates shall list the Village and its officers, officials, Village President and Board of Trustees, agents, employees, volunteers, representatives, assigns, successors, and attorneys, as additional insureds on all required insurance policies.

Consultant shall procure and maintain insurance as required by and set forth in the previous paragraph of this Agreement. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, the total liability, in the aggregate of Consultant and Consultant's officers, members, directors, partners, agents, employees, and Subconsultants to Village and anyone claiming by, through, or under Village for any and all claims, losses, costs, or damages whatsoever arising out of resulting from or in any way related to the Agreement from any cause or causes, including but not limited to the negligence, professional errors or omissions, strict liability, breach of contract, indemnity obligations, or warranty express or implied, of Consultant or Consultant's officers,

members, directors, partners, agents, employees, or Subconsultants (hereafter "Village's Claims"), shall not exceed the total insurance proceeds paid on behalf of or to Consultant by Consultant's insurers in settlement or satisfaction of Village's Claims under the terms and conditions of Consultant's insurance policies applicable thereto (excluding fees, costs, and expenses of investigation, claims adjustment, defense, and appeal). If no such insurance coverage is provided with respect to Village's Claims, then the total liability, in the aggregate of Consultant and Consultant's officers, members, directors, partners, agents, employees, and Subconsultants to Village and anyone claiming by, through, or under Village for any and all such uninsured Village's claims shall not be limited.

V. WARRANTY

Consultant represents to the Village that it has the experience and ability to perform the services required by this Agreement, that it will perform said services in accordance with the Standard of Care presented in Section 1.A, and that it has the power to enter into and perform this Agreement.

Attn: Mr. John Urbanski, Director of Public Works

RE: **Proposal for Professional Engineering & Surveying Services**
175th Street/Ridgeland Ave/Oak Forest Improvements – Re-Design and Construction Engineering Services

Dear Mr. Urbanski:

Robinson Engineering, Ltd. (REL) is pleased to present a proposal to perform professional engineering and surveying services associated with the improvements to 175th St., Ridgeland Ave., and Oak Forest Ave. located within the Village of Tinley Park (Village). We take great pride in partnering with our clients to achieve their goals, and sincerely appreciate the opportunity to offer our expertise and dedication on this project.

Included in this proposal are the following: Project Overview, Scope of Services, Payment Terms, and Standard Terms and Conditions. REL's Standard Terms and Conditions should be considered as an integral part of this proposal.

1. PROJECT OVERVIEW

The Village has entered into an Intergovernmental Agreement with Cook County to take jurisdiction of 175th St. from Oak Park Ave. to Ridgeland Ave. and of Ridgeland Ave. from 175th St. to Oak Forest Ave. upon completion of roadway and utility improvements in this area. While the County is paying for all of the roadway reconstruction costs, the Village is responsible for paying for certain necessary infrastructure improvements that are not necessarily tied to the actual reconstruction of the roadways.

These improvements include new street lighting, new water main, rehabilitated sanitary sewer and force main, and improvements to Freedom Pond. The approximate construction cost for these Village improvements is \$5,500,000. Although the County will provide Construction Engineering services as part of the overall project, the Village would like to ensure that these improvements have the proper oversight and thus, would like to have REL provide periodic construction observation of said improvements.

Furthermore, since the time that our firm completed its plans for the Ridgeland Ave. improvements, the Village approved plans for the Oak Ridge Subdivision. Because the improvements to the Oak Ridge Subdivision are being constructed before the Ridgeland Ave. improvements are even initiated, the Oak Ridge plans call for an "interim" condition with their entrance on to Oak Forest Ave. and their northern-most entrance on to Ridgeland Ave. These interim conditions show the proposed entrances meeting the existing Ridgeland pavement. To coordinate the grading with the future County plans, our office will need to revise our already approved plans. We will also need to revise our plans to indicate proposed connections from the existing watermain along Ridgeland to the new main.

2. SCOPE OF SERVICES

A. Design Engineering

For the project REL will perform design engineering services consisting of the following:

- Re-design the County improvement plans for 175th St./Ridgeland Ave./Oak Forest Ave. to account for the Oak Ridge Subdivision entrances onto Ridgeland Ave. and Oak Forest Ave.
- Re-design the County improvement plans for 175th St./Ridgeland Ave./Oak Forest Ave. to account for the proposed connections from the existing watermain along Ridgeland Ave. to the newly proposed main.

B. Construction Engineering

For the project REL will perform construction engineering services consisting of the following:

- Attendance at monthly project status meetings with County.
- Coordination with the Village.
- Submittal review as necessary and only as directed by the Village.
- Responses to contractor inquiries as necessary and only as directed by the Village.
- Make visits to the Site at intervals appropriate to the various stages of the Work, as Engineer deems necessary, to observe as an experienced and qualified design professional, the progress of Contractor's executed Work. Such visits and observations by Engineer, if any, are not intended to be exhaustive or to extend to every aspect of the Work or to involve detailed inspections of the Work beyond the responsibilities specifically assigned to Engineer in this Agreement and the Construction Contract Documents, but rather are to be limited to spot checking, selective sampling, and similar methods of general observation of the Work based on Engineer's exercise of professional judgment. Based on information obtained during such visits and observations, Engineer will determine in general if the Work is proceeding in accordance with the Construction Contract Documents, and Engineer shall keep Owner informed of the progress of the Work. Engineer will make a report of Engineer's visit, summarizing Engineer's general observations and any significant findings.

3. PAYMENT TERMS

REL proposes to perform the services described above in A. of the Scope of Services for the lump sum amount of \$13,250. REL proposes to perform the services as described above in B. on an hourly basis with a not to exceed figure of \$75,000 for the Village's current fiscal year (through April 30, 2024). A subsequent agreement will be necessary for the continuous of Construction Engineering services for the duration of the project for the Village's next fiscal year.

4. STANDARD TERMS AND CONDITIONS

The Standard Terms and Conditions for this proposal are attached hereto and incorporated herein.

Again, we thank you for the opportunity to submit this proposal for your consideration. Please feel free to call me at (815) 412-2014 or email me at vcalombaris@reltd.com with any questions regarding this proposal, or if any additional information is needed.

Very truly yours,

ROBINSON ENGINEERING, LTD ("REL")

STANDARD TERMS AND CONDITIONS

CONTRACT – These Standard Terms and Conditions may be amended, added to, superseded, or waived only if both REL and Client specifically agree in writing to any amendment of these Terms and Conditions ("Agreement").

STANDARD OF CARE - The standard of care for all professional engineering, survey or related professional services performed or furnished by REL under this Agreement will be the care and skill ordinarily used by members of the same profession practicing under similar circumstances at the same time and in the same locality. REL makes no warranties, express or implied, under this Agreement or otherwise, in connection with REL's services on this Project.

RELIANCE – REL may, without liability, rely on the accuracy and completeness of information provided by Client, Client's consultants and any contractors, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards without the need for verification.

CHANGES IN SCOPE – The proposed fees constitute REL's estimate to perform the services required to complete the Project. However, all required services are not always definable in the initial planning. Accordingly, circumstances may dictate a change in the scope of services to be performed. Where this occurs, changes in the Agreement shall be negotiated, an equitable adjustment shall be made to REL's compensation and agreed to in writing by REL and Client.

DELAYS – REL shall complete its obligations within a reasonable time. If, through no fault of REL, such periods of time or dates are changed, or the orderly and continuous progress of REL's services is impaired, or REL's services are delayed or suspended, then the time for completion of REL's services, and the rates and amounts of REL's compensation, shall be adjusted equitably.

RIGHT OF ENTRY – Client agrees to obtain legal right-of-entry on the property when entry to property is required by the work of this Agreement.

ENVIRONMENTAL CONDITIONS OF SITE - REL's scope of services does not include any services related to any environmental issues related to the site including petroleum, radioactive material, polychlorinated biphenyls (PCBs), hazardous waste, and any substance, product, waste, or other material of any nature whatsoever that is or becomes listed, or regulated by any Federal, State, or local statute, law, rule, regulation, ordinance, resolution, code, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning any hazardous, toxic, or dangerous waste, substance, or material.

SUSPENSION & TERMINATION – Client may suspend the Project upon seven (7) days written notice to REL. If REL's services are substantially delayed through no fault of REL, REL may suspend services after giving seven (7) days written notice to Client. Either party may terminate this agreement upon thirty (30) days written notice to the other party in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. If the project resumes after being suspended 30 days or more, the contract fee may be re-negotiated to reflect costs of delay, start-up, and other costs.

Client shall remain liable for and shall promptly pay REL and (if applicable) REL's independent professional associates or consultants for all services rendered to the date of such suspension/termination of services plus suspension/termination charges incurred by REL or REL's independent professional associates or consultants. Suspension/termination charges may include, but not be limited to, salaries, overhead, and fee, incurred by REL or REL's independent professional associates or consultants either before or after the termination date.

OPINION OF PROBABLE COSTS – REL's opinions of probable Construction Cost (if any) are to be made on the basis of REL's experience, qualifications, and general familiarity with the construction industry. However, because REL has no control over the cost of labor, materials, equipment, or services furnished by

others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, REL cannot and does not guarantee that proposals, bids, or actual Construction Cost will not vary from opinions of probable Construction Cost prepared by REL. If Client requires greater assurance as to probable Construction Cost, then Client agrees to obtain an independent cost estimate.

REUSE OF PROJECT DOCUMENTS – All Documents are instruments of service, and REL owns the Documents, including all associated copyrights and the right of reuse at the discretion of REL. REL shall continue to own the Documents and all associated rights whether or not the Specific Project is completed. Client may make and retain copies of Documents for information and reference in connection with the use of the Documents on the Specific Project. REL grants Client a limited license to use the Documents on the Specific Project, extensions of the Specific Project, and for related uses of the Client, subject to receipt by REL of full payment due and owing for all services relating to preparation of the Documents, and subject to the following limitations:

- Client acknowledges that such Documents are not intended or represented to be suitable for use on the Specific Project unless completed by REL, or for use or reuse by Client or others on extensions of the Specific Project, on any other project, or for any other use or purpose, without written verification or adaptation by REL;
- Any such use or reuse, or any modification of the Documents, without written verification, completion, or adaptation by REL, as appropriate for the specific purpose intended, will be at Client's sole risk and without liability or legal exposure to REL or to its officers, directors, members, partners, agents, employees, and REL's independent professional associates or consultants;
- Client shall indemnify and hold harmless REL and its officers, directors, members, partners, agents, employees, and REL's independent professional associates or consultants from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from any use, reuse, or modification of the Documents without written verification, completion, or adaptation by REL; and
- Such limited license to Client shall not create any rights in third parties.

RELATIONSHIP WITH CONTRACTORS – REL shall not at any time supervise, direct, control, or have authority over any contractor's work, nor will REL have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any contractor, or the safety precautions and programs incident thereto, for security or safety at the Site, nor for any failure of a contractor to comply with Laws and Regulations applicable to that Contractor's furnishing and performing of its work. REL shall not be responsible for the acts or omissions of any contractor. REL shall have no authority to stop the work of any contractor on the Project.

LIMITATION OF LIABILITY – To the fullest extent permitted by law, the total liability, in the aggregate, of REL and its officers, directors, members, partners, agents, employees, or REL's independent professional associates and consultants, to Client, and anyone claiming through or under Client, for any claims, losses, costs, or damages whatsoever arising out of, resulting from or in any way relating to this Project or Contract, from any cause or causes, including but not limited to tort (including negligence and professional errors and omissions), strict liability, breach of contract, or breach of warranty, shall be limited to (1) responsibility for payment of all or the applicable portion of any deductibles, either directly to REL's insurers or in settlement or satisfaction, in whole or in part, of Client's Claims, and (2) total available insurance proceeds paid on behalf of or to REL by REL's insurers in settlement or satisfaction of

Client's Claims under the terms and conditions of REL's applicable insurance policies up to the amount of insurance required under this Agreement.

Such limitation will not be reduced, increased, or adjusted on account of legal fees paid, or costs and expenses of investigation, claims adjustment, defense, or appeal. If no such insurance coverage is provided with respect to Client's Claims, then the total liability, in the aggregate, of REL and REL's officers, directors, members, partners, agents, employees, or REL's independent professional associates and consultants, to Client and anyone claiming by, through, or under Client, for any and all such uninsured Client's Claims will not exceed **\$50,000**.

The Client may negotiate a higher limitation of liability for an additional fee, which is necessary to compensate for the greater risk assumed by REL.

INSURANCE – REL shall maintain insurance coverage for Professional, Commercial General, Automobile, Worker's Compensation and Employer's Liability in amounts in accordance with any legal requirements and REL's business requirements. Certificates of Insurance shall be provided by REL upon written request.

INDEMNIFICATION – To the fullest extent permitted by Laws and Regulations, REL shall indemnify and hold harmless Client, and Client's officers, directors, members, partners, agents, and employees, from losses, damages, and judgments (including reasonable consultants' and attorneys' fees and expenses) arising from third-party claims or actions relating to a Specific Project, provided that any such claim, action, loss, damages, or judgment is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom, but only to the extent caused by any negligent act or omission of REL or REL's officers, directors, members, partners, agents, employees, or REL's independent professional associates and consultants. The indemnification commitments in this Agreement do not include a defense obligation by the indemnitor unless such obligation is expressly stated. To the fullest extent permitted by Laws and Regulations, a party's total liability to the other party and anyone claiming by, through, or under the other party for any cost, loss, or damages caused in part by the negligence of the party and in part by the negligence of the other party or any other negligent entity or individual, will not exceed the percentage share that the party's negligence bears to the total negligence of Client, REL, and all other negligent entities and individuals. This indemnification provision is subject to and limited by the provisions included above in "Limitation of Liability."

MUTUAL WAIVER – To the fullest extent permitted by Laws and Regulations, Client and REL waive against each other, and the other's officers, directors, members, partners, agents, employees, or other independent professional associates and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to this Agreement from any cause or causes. Such excluded damages include but are not limited to loss of profits or revenue; loss of use or opportunity; loss of good will; cost of substitute facilities, goods, or services; and cost of capital.

GOVERNING LAW, JURISDICTION & VENUE – This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois. Further, the parties agree and consent to the exclusive jurisdiction of the courts of the State of Illinois for all purposes regarding this Agreement and that venue of any action brought hereunder shall be exclusively in Cook County, IL.

NON-ENFORCEMENT – A party's non-enforcement of any provision shall not constitute a waiver of that provision, nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

ASSIGNMENT – A party shall not assign its rights or obligations pursuant to this Agreement without the express written permission and consent of the other party. This Agreement shall be binding upon and inure to the benefit of any permitted assigns.

SURVIVAL – All express representations, waivers, indemnifications, and limitations of liability included in this Agreement shall survive its completion or termination for any reason.

THIRD PARTIES - Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by Client or REL to any Contractor, Contractor's subcontractor, supplier, other individual or entity, or to any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement shall be for the sole and exclusive benefit of Client and REL and not for the benefit of any other party.

SEVERABILITY - Any provision or part of the Agreement held to be void or unenforceable under any Laws or Regulations shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Client and REL, who agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that expresses the intention of the stricken provision.

STATUTE OF LIMITATIONS – To the fullest extent permitted by law, all causes of action arising under this Agreement shall be deemed to have accrued, and all statutory periods of limitation shall commence to run, no later than the date of Substantial Completion of this Agreement.

CONFLICTS - If a conflict exists between the Agreement provisions and these Standard Terms and Conditions then these Standard Terms and Conditions shall prevail and control.

DIGITAL TRANSMISSIONS – The parties agree that each may rely, without investigation, upon the genuineness and authenticity of any document, including any signature or purported signature, transmitted digitally, without reviewing or requiring receipt of the original document. Each document or signature so transmitted shall be deemed an enforceable original. Upon request, the transmitting party agrees to provide the receiving party with the original document transmitted digitally; however, the parties agree that the failure of either party to comply with such a request shall in no way affect the genuineness, authenticity, or enforceability of the document. Each party waives and relinquishes as a defense to the formation or enforceability of any contract between the parties, or provision thereof the fact that a digital transmission was used.

COMPLIANCE WITH FREEDOM OF INFORMATION AND OPEN MEETING ACTS - REL and (if applicable) REL's independent professional associates or consultants may be required to produce documents and emails as part of the Freedom of Information Act and Open Meetings Act (Illinois Public Act 96-0542), or from a court ordered subpoena. Requests of this nature are beyond the control of REL and are specifically not included in this contract. REL will notify the Client of any request received on behalf of this contract and will invoice the Client for time and materials at the published rates in effect at the time of the request.

TERMS OF PAYMENT – As it applies to county, township, municipality, municipal corporation, school district, school board, forest preserve district, park district, fire protection district, sanitary district and all other local governmental units, the Illinois Prompt Payment Act (30 ILCS 540 et seq) shall apply. For Clients not covered by the Illinois Prompt Payment Act (30 ILCS 540 et seq), Client recognizes that late payment of invoices results in extra expenses for REL and (if applicable) REL's independent professional associates or consultants. As such, REL and (if applicable) REL's independent professional associates or consultants retains the right to assess Client interest at a rate of one percent (1%) per month, but not to exceed the maximum rate provided for by law, on invoices which are not paid within thirty (30) days from the date of the invoice. Also, Client agrees to pay reasonable attorney and collection fees incurred by REL in the collection of Client's past due amounts. In the event undisputed portions of REL's invoices are not paid when due, REL reserves the right to suspend the performance of its services under this Agreement until all past due amounts including services, expenses, assessed charges, reasonable attorney and collection fees, have been paid in full. Client waives any and all claims against REL for any such suspension.
