INTENT:

The Village of Tinley Park, (referred to hereafter as “the Village”) seeks proposals from qualified persons or firms interested in providing Scale Computing Platform, network switches and appropriate licensing/support in order to replace the existing Flexpod server setup. The items will be procured during the Village of Tinley Park’s fiscal year 2024.

QUESTIONS & CORRESPONDENCE:

If you wish to receive correspondence regarding this IFB please register by sending an email to clerksoffice@tinleypark.org referencing the name of this IFB in the subject.

All questions concerning this IFB are to be submitted no less than three (3) business days prior to the response due date via email to clerksoffice@tinleypark.org. All questions must clearly identify this IFB by name in the subject, failure to format a question correspondence properly may result in no response from the Village. Answers and addendums will be provided via email to all registered respondents in a timely manner. To avoid ambiguity or confusion Appendix A contains a glossary of terms used within this IFB.

Communication regarding this IFB to any Village entity outside the method outlined above is forbidden and may result in nullification of respondent proposal.

PROPOSAL SUBMITTAL:

Sealed proposals must be received at the address provided below no later than 10:30 AM on February 9, 2024. Respondents must submit one (1) original proposal and two (2) additional copies in a single sealed envelope clearly marked with the name of this IFB.

The company profile worksheet requires respondents to provide an email address, the Village will use this to request an electronic version of the proposal. The electronic version must be identical to the hardcopy submitted in the sealed envelope. The electronic copy request will be within five (5) business days from the IFB due date. Failure to provide, or absence of a Village request for the electronic copy will not void hardcopy responses. If there is any discretion between the electronic and hardcopy the Village will use the hardcopy as the authoritative source. **The required hardcopy submission is to be delivered to:**

CURRENT SETUP:

The Village of Tinley Park consists of approximately 500 employees spanning over 10 distinct departments including Police, Fire, 911 Dispatch and Public Works. The Village has a centralized Information Technology department which provides enterprise support to all employees and departments via a mixture of effort from the staff employees, staff augmentation via contractors, and professional services from managed service providers.

The Village utilizes two Flexpod systems located in Village Hall and the Police station for production server needs. The two systems run as active-active backups for each other via VMWare SRM and communicate via Village owned fiber optics.

SCOPE OF PROJECT:

The Village is seeking to identify and select a single vendor to provide the hardware to replace the current Flexpod systems while still maintaining functionality equivalence wherever possible.

The section labeled “Detailed Specifications and Quantities” lists the item part numbers, descriptions, quantities the Village intends to purchase, and the intended location of installation.

The Village WILL NOT accept substitutions on any parts listed, all proposals with mismatching hardware specifications will be dismissed.

Installation of the Scale nodes is not required in this bid, however a respondent is encouraged to provide this professional services cost as an optional line item on the proposal page. This optional installation services will be a combination of remote and on-site services.

SOLICITATION PROCESS & PROCEDURES:

The Village intends to purchase the quantity listed from a single vendor. The Village will not accept bids for a subset of the items. The Village retains the sole discretion to modify the

quantity of items purchased, if a reduction would impact cost the respondent may resubmit amended pricing.

The respondent is to supply information addressing all items listed. Appendix B: Bid Items Worksheet, repeats the list of items in the detailed specifications and quantities section and is required as part of the response. **No item substitutions will be accepted.**

All efforts have been made to verify part numbers and descriptions, if there is a perceived discrepancy listed in the detailed specifications please address this by following the procedure outlined in the “questions and correspondence” section.

DETAILED SPECIFICATIONS AND QUANTITIES:

The following items are repeated in Appendix B: Bid Items Worksheet which the respondent is required to complete.
