

Free Virtual Map Advertisement Opportunity

Tinley Park business owners are invited to celebrate the St. Patrick’s Day season by participating, at no cost, in Tinley Park’s “Luck of the Irish” virtual map. The purpose of this map is to promote specials/sales throughout the month of March. This map will be promoted through all Village social media channels, in the Tinley Park Community e-mail and on the Village website. Even the most unlikely of businesses can participate by creating an Irish twist to a sale or special. Some of the more creative examples include, “Say ‘Happy St. Patrick’s Day’ and receive...” or “Monday to Thursday, anyone wearing a green shirt will receive...”

Submitters must represent a Tinley Park business and the ad must be exclusively about a St. Patrick’s Day special, sale, or event hosted by your business during the month of March. The virtual map entry will identify your business name, location, website, picture/logo and a 30- word (max) description of your ‘Irish’ offering. (Please use full sentences).

If you are interested in participating, please fill out and return the form below with the above mentioned map content by **February 10th, 2022**. Please email to marketing@tinleypark.org.
