

Downtown Tinley's 23rd Annual
Parade of Lights
Sunday, December 5, 2021

brought to you by the
Tinley Park Chamber of Commerce

Happy Holidays!

We are very excited to be hosting the 23rd Annual Parade of Lights in Downtown Tinley Park on Sunday, December 5, 2021. The Parade of Lights is one of Tinley Park's earliest traditions during the holiday season, created to bring the community together and highlight local businesses.

The Parade of Lights is a great opportunity to present your organization or business to the community in a unique way as we kick-off the Holiday Season! The following packet is filled with the requirements for participating in the parade.

Prizes will be awarded to the entries under the following *NEW* categories for 2021:

Best Use of Lights and Décor * Best Community Group Entry * Best Business Entry * Judge's Choice

You are encouraged to decorate in the holiday spirit—LIGHTS are important! This event will take place at dusk on Oak Park Avenue (between 177th and 172nd Streets) after the Downtown Tinley Holiday Market closes. At the end of the Parade is Santa's arrival to Tinley Park, so please do not include Santa on your float. There is **ONLY ONE SANTA CLAUS** in the parade and he is invited in from the North Pole by the parade sponsors and organizers.

We are looking forward to working with you and kicking off the 2021 Holiday Season by gathering the community together for this festive Parade! If you have any questions, please contact the Tinley Park Chamber of Commerce at 708-532-5700, email <info@TinleyChamber.org>.

Happy Holidays!
